Seoul Race 2: Class 6 (1300M) Special Weight A / KRW 30 Million

After running 4th on debut, (5) STORM TROOPER was a narrowly beaten 2nd at start number two at 1200M on August 3rd having led for part of the way. He comes into a better gate today, can lead again, and third-up he can be peaking. (4) CHRYSOL PEACE did nothing on debut in January but returned on August 3rd looking much better and running 3rd over 1200M. He should strip fitter for that run and can be close here. (11) GAYA STAR has a 2nd and a 3rd from his latest two. He has done his best work late so the wide draw shouldn't be a problem, and he can challenge at the business end here. (6) STRONG BOSS and (10) BLACK RUSSIAN are others in the hunt.

Selections	(5) Storm Trooper (4) Chrysol Peace (11) Gaya Star (6) Strong Boss

Fillies (and one mare). (3) CHRYSOL STONE looked very good when winning on debut over 1200M on July 20th, leading for most of the way. She comes up in class and in trip here, but the manner of that victory suggests there is more to come, and she will be hot favourite to make it two from two. (4) CUPID K was a smart winner at this distance on July 20th, racing handy. She comes up in class but is down in weight and she can measure up. (1) ARCH RUNNER remarkably has ten top three finishes without winning. She was 3rd at this class ahead of a couple of today's rivals over 1700M on August 3rd and with an apprentice claiming 2kg, this is the kind of race where she can pick up a prize. (8) STUNNING STEP and (11) MIGHTY CAP other place chances.

Busan Race 1: Class 6 (1200M) Special Weight A / KRW 30 Million

(1) HEY BROTHER was 6th on debut and then 3rd at start two on August 1st. Both of those were over 1000M but the step up in trip can suit and he can win here. (11) HOLY NIKE ran in the same two races that Hey Brother did, finishing 5th and 4th. He has the challenge of the widest

gate here, but he too should appreciate the step up in trip and can be a danger. (2) SILVER STONE improved to 3rd on her second outing over this distance on August 1st when she came from well off the pace to defeat three of today's rivals. She can be running on again here. (9) JIJONSANBANG and (6) GLOBAL FORCE are others to consider on a place line.

Seoul Race 4: Class 5 (1300M) Handicap / KRW 45 Million

(3) CHOEGANG SPEED needs a line drawn through his latest ton August 3rd when he got too far back and didn't run on. Before that he was 2nd and 4th at this class, Moon Se-young stays on, and he can put in a better showing today. (2) GLOBAL HAMSEONG will be a warm betting favourite. He is a winner at this distance and has finished 2nd in both starts back from a five-month layoff. Third-up this preparation he can be peaking fitness wise and he can be a danger. (4) RAON THE AFFIRMED enters off three consecutive 4th place finishes at this class and she can be there or thereabouts again. (5) YEOWANG SOCKS and (7) CHAMP HAMSEONG also should be in the mix.

Busan Race 2: Class 5 (1300M) Handicap / KRW 45 Million

Fillies (and one mare) only here. (7) WIND ROSE got her maiden win at start number four over this distance on August 2nd, leading all the way. She comes up in class but is down slightly in weight, and there could be more to come. (8) WORLD TOP TIER registered her maiden win at start two over 1200M by a huge margin before running 5th when favourite for her first try at this level at 1400M on August 2nd. The slight drop back in trip can suit and she is a big danger. (2) MUSKET GIRL was a class and distance winner in a quick race on August 10th coming from off the pace. She is up 3,5kg in weight but that's balanced a little by a good draw and she can be in the mix. (1) VELOCIRAPTOR and (9) QUEEN SPICY others who can enter the calculations.

Selections	(7) Wind Rose (8) World Top Tier (2) Musket Girl (1) Velociraptor

Seoul Race 5: Class 5 (1200M) Handicap / KRW 45 Million

Competitive race. (4) JOY LIGHT overcame the widest draw to win at this class and distance in July 26th, leading all the way around. She stays under a relatively light weight and from a better gate, she can repeat. (2) POWER BAND swept home from off the pace to win at class and distance on August 16th. She comes up 2,5kg in weight but should be ridden a bit further forward today, and she can be a threat. (7) RAON FLORENCE is up in class having run 2nd in both of his first two starts. He comes down a full 4kg in weight and he can measure up. (3) RACE ROSE was 2nd to Joy Light at big odds in that July 26th race and can be close again. (8) MENI WIN another in the frame.

(10) TAMNA FIRST got his maiden win at start three over 1200M back at the start of June. He hasn't raced since but has been back in training since the start of August and while he is up 3.5kg in weight, he is favoured to win again. (4) WIND MIREU has been out for much longer, having last race in December of 2024, winning a maiden over 1300M. During his absence he has been gelded, and he looked very well when winning a trial with a front running effort on August 8th. He has every chance first up. (3) JINJU BIT enters with a 3rd and a 4th from her latest two and she can be there or thereabouts again. Last start winner (9) POWER WAGON along with (1) DOCTOR CURLIN are others in the frame.

(11) FUNNY TAP is a winner of two from five most recently at class 5 over 1300M at the end of June. She was 3rd on her first try at this class and distance on July 27th and while she has the challenge of the widest gate, she can win here. (2) STUNNING FLATTER is up in class

following a win over 1300M on July 12th when he came from off the pace. He has a very good record at this distance and coming down a full 4.5kg in weight, puts him right in this at will probably be at least an each-way price. (5) HAKSAN CAIRO is yet to win in twelve but enters off back-to-back 2nd places which bring him up in class. He has never been outside the top five and that can continue here. (3) YONGBI TAEYANG and (8) MARU JANGGUN are other placing chances.

(3) ARONDIGHT led all the way two starts back to win over this distance at class 5 level before coming from midfield to turn 3rd on his first try at this class on July 20th. Under a light weight here and drawn much better than last time, he can get to the lead and return to winning ways. (5) CARIBBEAN BAY beat three of these on his way to victory at this class and distance on August 2nd. He only comes up 1kg in weight and he can be in the mix again (8) YEONGGWANGUICLASS was 4th in that race and gets a 3kg weight drop here which can help him to get closer. (4) WORLD POINT and (10) GASOK JEIL others who can compete for the minors.

Seoul Race 7: Class 4 (1700M) Handicap / KRW 60 Million

(11) JISAN FORCE was overmatched in the Minister's Cup, the final leg of the Triple Crown but he has won around two turns and placed at this class and distance in May. He comes in fresh after eleven weeks off, and he can win. (2) CHEONGSAN JILJU was similarly overmatched in the Korean Derby, but he comes in following a 4th place at this class and distance on July 27th, beating a couple of today's rivals in the process. He draws nicely to be on pace, and he should be in this a very long way. Veteran (3) NAMSAN MUJEOK enters off back-to-back 3rd place finishes at this class over a mile and 1400M. He is a winner at this distance and can be in the mix. (1) MR.STORM and (4) SEUNGNI GONGJU other chances.

(2) HUIMANG RANI comes up in class following a win and a 2nd place in her latest two at 1200M and 1300M, both times coming from off the pace. She comes down 4kg in weight, she draws very nicely, and she will be favourite to win. (9) BLACK SPRING has a 4th and a 3rd from his latest two, both at this class and both at 1400M. He has won at 1200M too and down in weight, he should be in the finish again. The presence of (7) NUMBERONEPICK and his rating is what makes the others carry so little. He is inconsistent but was a winner at this class over a mile two starts back and he may be worth a chance despite that weight concession. (3) GOLDEN AIR and (5) WIDAEHAN SEONTAEK other place chances.

(7) FLYING CRUISER has thrived since coming up to 1800M with a 2nd place at the end of June followed by a win on July 27th when he led from gate to wire. He gets another crack at this class under almost the same weight, and he can get the same result. (6) SPLENDID got back-to-back wins over 1700M and 1800M in May and June, the latter at this class, before running 3rd on July 13th. He can settle midfield and run on, and he should be in the finish again. (1) SKY HAMSEONG beat Splendid when 2nd in that July 13th race. He continues under a light weight and can be a factor again. Busan Race 6: Class 2 (1400M) Handicap / KRW 90 Million

(6) WINNER CLEAR returned from almost three months out to run 4th at this class and distance on July 6th, coming from off the pace. He began the year as one of the most exciting three-year-olds (though Triple Crown ineligible) but while he hasn't yet managed to push on,

he can get back on track here. (3) TAEWANG SINGI also went around in that July 6th race and has since registered a 4th place at 1200M on August 1st. From a good draw, he will be on pace and in this a long way. (5) PERFECT ACTION won the July 6th race and while she didn't do much on her return on August 1st, that's enough to have her in the mix here. (2) WIND WINNER and (4) POWER SOUND other chances.

(11) ÉCLAIR POWER has won his latest two, most recently at this class and distance on August 2nd, when coming from well back. He only comes up 1.5kg in weight, CC stays on, and he can complete his hat-trick. (2) DAESEONG STAR ran in the final two legs of the Triple Crown without making much of an impact but returned to shallower waters with a 3rd place at this class and distance on July 19th when coming from well off the pace. He remains under a fair weight, and he is a chance here. Also looking for a hat-trick is (4) REMEMBER AGAIN following back-to-back class 4 victories over a mile. He comes up to this class and distance for the first time, but he can measure up. (1) DRAGON SQUARE and (6) MYEONGSEONG CHUKJE others to consider.

Seoul Race 10: Class 3 (1200M) Handicap / KRW 75 Million

It's hard to go past (5) NICE FORCE here. Never worse than 4th in five starts, he won three in a row between March and June with the last of them being at this class and distance. He stepped up to 1400M on July 20th and ran 3rd heaving led for much of the way but beating three of today's rivals, and back at 1200M, he can return to winning ways. (9) DOKKI DRAGON was very narrowly beaten into 2nd over this distance on his first try at this class on June 21st. He is only up 1kg in weight and can be close again. (4) BRAVAZO EMPIRE returns to action for the first time since April. He won two of his three starts before the layoff and having come through a trial in fair fashion a month ago, he can be competitive first-up. (1) BONGHWA STAY and (2) DREAM ISLE others in the hunt.

Seoul Race 11: Class 1 (1200M) Handicap / KRW 110 Million

(6) YEONGGWANGUI WORLD is a winner of nine from seventeen most recently back-to-back scores in May and June at class 1. He had a poor day at the office last time out on July 27th and while he does come up in weight from that, he can be given another chance. That does mean he has form not overturn on a couple from that July 27th race, notably (4) GLOBAL BOBAE, who ran 3rd. That continued a consistent run of results and he'll be close again. (1) MIGHTY LOOK came off the Queens' Tour to run a close 2nd over a mile on July 6th and should appreciate the drop back to a trip over which all of her five wins have come. (8) GEOTEN BANGYEOK and (9) VICEROY are the other main chances.
