EL ROMIACHI has run in better fields and would not be a surprise winner. PATH OF CHOICE has been unreliable of late but is capable of winning a race like this. Race Summary: DOWNING SEVEN is a bit of a hit-and-miss fellow but he did look good when scoring in his penultimate start. That was on this surface so perhaps his last turf run is best ignored. SYX HOTFIX drops in class and could be a threat. SPIN DOCTOR has been in good form of late and has a winning chance. CENTRAL CITY usually runs well on the Polytrack and deserves respect. JUAN CARLOS has been very good of late but probably prefers the turf these days. PAINITE likes this track and could contest

INHERIT THE RAIN has been best on this surface and should contest the finish. LAGUNA VERDE has talent and could surprise after a change of trainer and surface. SLINGS AND ARROWS was not disgraced last time and is not out of it. NARCOS, MAKHACHEV and PEMBROKE are also capable of earning some money on a good day.

She is not well drawn and carries a 7-point penalty for her last win but can score again under jockey Craig Zackey. Stable companion KOMESANS PASSION is well drawn and should be the biggest threat. She is holding form well and is overdue a winning turn. HAVANA GREY showed improvement last time out and could do even better this time.
