### Fairview Polytrack, 06.08.2024, Race 1, Gallops, 1200m, Poly, R75.000, 12:30GMT+2

**Race Summary:** EXTRACTION was denied by a head last time and will be out to make amends. She should improve on her poly form. If MY TRUE LOVE repeats her last effort she could get the job done. She was most unlucky as she had things go wrong in running. QUEEN OF THE PALACE wasn't disgraced on poly debut and can improve further having drawn well. Watch out for ICE CAP who makes her local debut. She has run well on the Highveld and could make a winning local debut.

**Selections:**

#3 My True Love, #6 Extraction, #1 Ice Cap, #2 Queen Ofthe Palace

### Fairview Polytrack, 06.08.2024, Race 2, Gallops, 1300m, Poly, R75.000, 13:05GMT+2

**Race Summary:** JAMES FITZJAMES makes his debut for the powerful yard of Gavin Smith. He has shown decent ability in KwaZulu-Natal and it could be a winning one. HAT HOT HAT looks a big threat. He is knocking hard at the door and could get the timing right. CORAL CREEK made a promising debut and if this race doesn't come too soon he could have a say. HOME REEF raced in strong company on debut in the Western Cape and could show more. BRYDEN BAY and GOLDEN GALLANT have also raced there and need to be watched.

**Selections:**

#3 James Fitzjames, #1 Hat Hot Hat, #5 Coral Creek, #6 Home Reef

### Fairview Polytrack, 06.08.2024, Race 3, Gallops, 1900m, Poly, R75.000, 13:40GMT+2

**Race Summary:** TORIX NIGHT ran a fair race on the poly in his last start in KwaZulu-Natal. He also posted a decent run on the turf on local debut and can open his account. MAYOR OF MERRIVALE keeps on running fair races without winning. He tries further but could prevail if the race is run to suit. TAKE A MULLIGAN was a bit disappointing in his penultimate but would have sharpened up in his last start and looks a threat. AGAMEMNON and FEARLESS BADGER have shown enough to warrant consideration.

**Selections:**

#1 Torix Night, #2 Take A Mulligan, #4 Mayor Of Merrivale, #3 Agamemnon

### Fairview Polytrack, 06.08.2024, Race 4, Gallops, 1600m, Poly, R81.000, 14:15GMT+2

**Race Summary:** GET IT DONE is on a roll having won her last two and could make it three on the trot. BEAU KALA was returning from a break when beaten a neck by the former and could turn it around stripping fitter. She is also 1,5kg better off at the weights. RAISING QUINN could make it tough for both. She found form last time and is dropping in class. But she has a wide draw to overcome. QUERANDI gave cheek in her last start and could improve from that. HANGING ROCK is another with improvement to come. More can earn.

**Selections:**

#1 Raising Quinn, #7 Beau Kala, #4 Get It Done, #5 Querandi

**Fairview Polytrack, 06.08.2024, Race 5, Gallops, 1600m, Poly, R80.000, 14:50GMT+2**

**Race Summary:** Not an easy race at first glance, but LAUNCH CODE should enjoy being back on the poly and could make the required improvement. GODFATHER has promised another win in recent starts but coughed last time out. If back to his best he could take advantage from draw No 2. CAPTAINS WALK won a nice race last time and with his confidence upped could repeat. GREAT TIMES wasn't far off CAPTAINS WALK and rates a chance but MEETTATHEWINDSOR is weighted to get closer. HEKNOWS is much better than his last run. ADIOS AMIGOS needs to find his very best form.

**Selections:**

#1 Launch Code, #5 Godfather, #9 Captains Walk, #2 Heknows

**Fairview Polytrack, 06.08.2024, Race 6, Gallops, 1000m, Poly, R90.000, 15:25GMT+2**

**Race Summary:** BETHEL is one from one over the course and distance. He has run well racing fresh and could be dangerous. NOTORIX was backed and did what was required to win his last start over the course and distance. He looks a runner again. AADEHYA has more to come. He fought on nicely in his last start and if in the same mood after a rest could be in the fray. TUSCAN GOLD didn't behave in his last race and wasn't too far back against much stronger. He could show up strongly. VEGAS GOLD and ANUSCHKA'S WORLD are better than their recent efforts. ARTICUNO brings fair Highveld form.

**Selections:**

#7 Bethel, #8 Notorix, #2 Aadehya, #3 Tuscan Gold

**Fairview Polytrack, 06.08.2024, Race 7, Gallops, 1000m, Poly, R100.000, 16:00GMT+2**

**Race Summary:** GOCEKWITHLOVE has good form and could add to her tally even if carrying top weight. She ran well in a much stronger race last time. EUROPEAN SUMMER could give her a tough time at the weights but will need to get going sooner back over 1000m. CABARET could be the one to watch over this distance. She is bred for it and did win easily the only time she raced on this surface. HILDELITA looks to have more wins to come off her current rating. She can follow up on a convincing last win. KABON KAPI could pop up over this distance. More can earn.

**Selections:**

#1 Gocekwithlove, #6 Hildelita, #3 Cabaret, #4 European Summer

**Fairview Polytrack, 06.08.2024, Race 8, Gallops, 1200m, Poly, R80.000, 16:35GMT+2**

**Race Summary:** MISS SHAIVI has been knocking hard at the door. She takes on males this time but is weighted to show them who is boss. PASHTUNWALI is in good nick but needs to jump on terms to be effective. MAGIC PRINCE ran a fair race last time but along with JUSTCANGETENOUGH and AQUILA GOLD has to overcome a wide gate. CHARLIE MALONE got his confidence boosted last week and could follow up. CRUZADOR has much in his favour and could finally get back to winning ways. COASTAL PATH is capable of better but has had some tough luck of late.

**Selections:**

#7 Miss Shaivi, #6 Magic Prince, #8 Cruzador, #2 Pashtunwali

**Best Win:** #3 MY TRUE LOVE

**Best Value Bet:** #7 BETHEL

**Best Longshot:** #7 BETHEL
