

## **RACE BY RACE PREVIEWS: GREYVILLE@2021.04.11**

### **Greyville, 11.04.2021, Race 1, Gallops, 1400m, Turf, R80.000, 12:45GMT+2**

**Race Summary:** KAILENE could be tough to beat if ready for Greyville and the right-handed turn. Her Western Cape form is decent and her rider lost his crop at a crucial stage in a feature race last time. She is bred for this longer distance. Stablemate FEDERICA should also enjoy this trip after showing potential in her debut over a sprint distance. She may also enjoy the switch to turf. MISS JACQUELINE has the best of the draws again and can improve on her run over this track and trip. BAY OF DREAMS, GLOBAL SECRET, SEA CRUISE and BLINDLOVE all have room for improvement.

#### **Selections:**

#4 Kailene, #6 Federica, #1 Miss Jacqueline, #8 Bay Of Dreams

### **Greyville, 11.04.2021, Race 2, Gallops, 1400m, Turf, R80.000, 13:20GMT+2**

**Race Summary:** FINAL DESTINY relished the longer distance last time, finishing a good second. The form line has worked out well with the winner coming out to win a handicap in good style recently. He was well supported last time and from the best of the draws can reward followers. Juvenile WEST POINT is an interesting entry. He showed good potential on debut and if not minding mixing it with his elders could challenge for the win. CLETO ran a much better race over this track and trip last time. He could build on that. TJOKLIT, PURPLE DOMINANCE and GOTITALL have shown but need to produce more to win it. Luckless MONTANA SKY would be deserving.

#### **Selections:**

#1 Final Destiny, #8 West Point, #6 Cleto, #10 Montana Sky

### **Greyville, 11.04.2021, Race 3, Gallops, 1600m, Turf, R78.000, 13:55GMT+2**

**Race Summary:** WILD COAST is back. The well-bred colt won the KwaZulu-Natal Guineas over this track and trip but seems to have had issues since. He could be ready to give of his best again according to the trainer comment. SEVENTH GEAR was well beaten in the Guineas but has realised his true potential since and run some really good races. He looks a big threat but both are returning after layoffs and are prepping for bigger events. CAPTAIN WHO was eye catching on local debut and this beautifully bred horse could show more. SHARE HOLDER was unlucky in his penultimate and a bit better than his last run over a bit further. Expect better this trip.

#### **Selections:**

#4 Wild Coast, #1 Seventh Gear, #3 Captain Who, #6 Share Holder

### **Greyville, 11.04.2021, Race 4, Gallops, 1600m, Turf, R80.000, 14:30GMT+2**

**Race Summary:** RAIN WEAR got going a bit late on the poly last time but confirmed good improvement. If not minding the switch to turf she could make amends. EMERALD ISLA is consistent and has run well on poly and turf. She can be a tough ride and her jockey has his work cut out from a tough barrier. HIGH BORN could be anything. She debuted well in a sprint on the poly but on pedigree should relish this longer distance. Another top rider has been booked for her. HIROSHIMA wasn't disgraced on the poly and may show even more with blinkers fitted. More with earning potential.

#### **Selections:**

#8 Rain Wear, #13 Emerald Isla, #9 High Born, #6 Hiroshima

**Greyville, 11.04.2021, Race 5, Gallops, 1000m, Turf, R80.000, 15:05GMT+2**

**Race Summary:** LHASA STAR was eye catching in her Greyville debut. She improved on her first local start at Scottsville and should not go backwards. WHAT A SPLASH finished ahead of her in that Scottsville race and has drawn a lot better than LHASA STAR so is the obvious danger. But she will need to improve on her Greyville debut where she looked to have every chance. HELLO TOMORROW finished second in that race, only beaten a neck. She needs to be taken seriously. LEOPARD LADY and SUPER LEILA look to have something to come and may upstage their more experienced counterparts. Follow any betting moves closely.

**Selections:**

#7 Lhasa Star, #1 What A Splash, #2 Hello Tomorrow, #6 Leopard Lady

**Greyville, 11.04.2021, Race 6, Gallops, 1900m, Turf, R80.000, 15:40GMT+2**

**Race Summary:** SACRED IBIS has been knocking at the door in stronger races and could get rewarded in this lower division affair. But she has to overcome a wide draw. MISSION BEACH has run gallant races on the poly is even better on turf. She is back on the grass and could challenge for the win. RISE has had things go wrong in her last two which was in stronger. She has the best of the barriers and could prove dangerous. GOLDEN DUCK hasn't been far back in her last two and perhaps the switch to turf could see her prove more effective. WINTERTIME needed her last race and rates the dark horse. More can upset.

**Selections:**

#2 Wintertime, #11 Sacred Ibis, #6 Mission Beach, #1 Rise

**Greyville, 11.04.2021, Race 7, Gallops, 1400m, Turf, R80.000, 16:15GMT+2**

**Race Summary:** FIFTYSHADESDARKER looks handily weighted with just 54kg. She has maintained high-class form throughout and having matured should relish this distance. PURPLE MOON'S UP has more to come. She got going late last time and must be looking for the longer distance. She is bred for even further than this. POINT OF SALE and LOVE BOMB both have bags of class, but as a result carry big weights. They are also prepping for big races but need to be respected. STATE OF MIND won a hard-fought race last time and meets better, but she is super fit and could rise to the occasion.

**Selections:**

#10 Fiftyshadesdarker, #6 Purple Moon's Up, #9 Point Of Sale, #11 Love Bomb

**Best Win:** #4 KAILENE

**Best Value Bet:** #2 WINTERTIME

**Best Longshot:** #2 WINTERTIME
