Fairview, 14.05.2021, Race 1, Gallops, 1000m, Turf, R50.000, 12:05GMT+2

Race Summary: This won't take much winning and it could pay to give another chance to JUST SO EASY, who will appreciate a return to the turf. She has run well over the track and trip and could represent value in receipt of weight from her male rivals. ISN'T IT BLISS could make her presence felt too if rediscovering her best form, although a bigger threat is likely to come from FORBIDDEN AFFAIR and PURE QUALITY who have shown enough over this course and distance to warrant inclusion.

Selections:

#10 Just So Easy, #3 Forbidden Affair, #4 Pure Quality, #11 Isn'T It Bliss

Fairview, 14.05.2021, Race 2, Gallops, 1000m, Turf, R50.000, 12:35GMT+2

Race Summary: ADMIRAL'S SHINE is one of just two in the line-up with form and that should stand him in good stead. He has shown promise in each of his three starts and has improved with every outing, so rates the one to beat. SIEVER'S POINT was thrown into the deep-end on debut (ran against males and winners) and showed pace before tiring late. She should come on for the experience so must be respected. A bigger threat, however, could come from one of the newcomers. Watch the betting, as it should provide a guide to their chances on debut - SOFT SPOT and VV POWER are of particular interest.

Selections:

#1 Admiral's Shine, #5 Soft Spot, #6 V V Power, #8 Siever's Point

Race Summary: SWEET THE SOUND made her debut against winners over this track and trip, defying a market drift to finish a pleasing 2nd. She would've come on for the run so, with natural improvement expected, will be hard to beat. Stablemate LADONNA MIA is also likely to improve after a fair debut effort and could earn a cheque as a result. GRACE LIGHTNING finished ahead of that rival, though, and will appreciate a return to sprinting so could pose more of a threat. FLOWER SELLER could stake a claim with further improvement. COLORAMA and LEMON PEPPER make most appeal of the newcomers and are worth a market check.

Selections:

#12 Sweet The Sound, #10 Lemon Pepper, #3 Colorama, #7 Grace Lightning

Fairview, 14.05.2021, Race 4, Gallops, 1200m, Turf, R50.000, 13:45GMT+2

Race Summary: WORLD RADAR is the class act in this line-up. She is slung in under the conditions and, if anywhere near her best, should take some beating. However, she has been found to be not striding out in each of her three defeats, so will need to overcome that issue to bounce back to winning ways. Last-start winner WHAT A WINNER has a bit to find on these terms is probably at best over 1000m. KIMBERLEY STAR is distance suited and likely to pose more of a threat. CELTILLUS has rediscovered best form and completes a powerful Greeff-trained trio. TORIO LAKE could get into the picture too.

Selections:

#1 World Radar, #3 Kimberley Star, #5 Celtillus, #6 Torio Lake

Fairview, 14.05.2021, Race 5, Gallops, 1000m, Turf, R50.000, 14:20GMT+2

Race Summary: Good race. RACINE is unbeaten over this course and distance. She is well in under the conditions too, so should be a factor in the finish. best-weighted LA BELLA MIA has finished ahead of that rival twice in three meetings and should enjoy cutting back to this after recent outings over 1200m, so can fight it out. Progressive last-start winner SUGAR GUM could be better than rated and, as such, should keep those principals honest. MENDOCINO and stablemate SCENTED GARDEN have solid form credentials and are capable of making their presence felt too. DELICASEA isn't without a chance either.

Selections:

#1 La Bella Mia, #2 Racine, #3 Sugar Gum, #4 Mendocino

Fairview, 14.05.2021, Race 6, Gallops, 1600m, Turf, R50.000, 14:55GMT+2

Race Summary: Tricky. GOLD ROCK was backed and ran well in a stronger race over this trip on the Polytrack last time. He was 2nd in four consecutive starts on the turf prior to that, including his only start over this course and distance, so wouldn't be winning out of turn lowered a point in his merit rating. DANILO is closely matched with that rival. He is likely to improve for a pleasing comeback run and could fight it out. MIO GRANDE shouldn't be far off that pair - respect. PEACEFUL DAY and GREEK FIRE are newcomers to the province. Both are useful on their day and could rediscover their form in PE.

Selections:

#5 Gold Rock, #6 Danilo, #2 Peaceful Day, #4 Mio Grande

Fairview, 14.05.2021, Race 7, Gallops, 2400m, Turf, R85.000, 15:30GMT+2

Race Summary: SWAZI QUEEN and COLORADO SPRINGS fought out the finish to the 2000m Listed East Cape Oaks and are weighted to do likewise in the Derby - the latter should turn the tables on these revised terms. HEARTBREAK HOTEL made an impressive local debut when winning over 2000m on the Polytrack. He could have more to offer stepped up in trip, although top-weight JAEGER MOON is weighted to reverse the form of that meeting. FIND ME UNAFRAID should also get closer on these terms.

Selections:

#6 Colorado Springs, #5 Swazi Queen, #1 Jaeger Moon, #3 Heartbreak Hotel

Fairview, 14.05.2021, Race 8, Gallops, 1400m, Turf, R50.000, 16:00GMT+2

Race Summary: Good race. THE HIGHWAY MAN wasn't disgraced in back-to-back features on the Poly and will enjoy a return to the turf over a course and distance that suits, so must be respected. PHILOS boasts a consistent record at this track and was a creditable 4th behind the former in his only start over this course and distance. He does appear held on recent form by NORFOLK PINE but both are capable of playing a role in the outcome. WATER SPIRIT beat GOLDEN CHANCE when making a winning local debut and should have more to offer despite the revised weight terms favouring the latter. STEP LIVELY has claims too.

Selections:

#2 Water Spirit, #3 Golden Chance, #1 The Highway Man, #4 Norfolk Pine

Fairview, 14.05.2021, Race 9, Gallops, 1400m, Turf, R50.000, 16:30GMT+2

Race Summary: STAGE DANCE and ENCRYPTION have each found a new lease on life since relocating to this province and have run well on both local surfaces. They're likely to go well again back on the turf, with the former slightly preferred from an inside gate. The latter finished ahead of TRAVEL IN STYLE, LUNA WISH and INTREPID TRAVELLER last time and that trio could get a bit closer on these terms. KISS OF LIFE could get into the action, dropping in class. FOREST FIELD and SCARBOROUGH FAIR aren't without a chance either and must be included in Quartet bets.

Selections:

#2 Stage Dance, #5 Encryption, #7 Travel In Style, #8 Kiss Of Life

Best Win: #12 SWEET THE SOUND

Best Value Bet:

Best Longshot: #10 JUST SO EASY
