**Race Summary:** Summary: SUPER FAST (2) has shown up well in all three starts to date. He was touched off on this course last time out and should be able to go one better. LAZY GUY (9) has come good as a five-year-old but always seems to find one better of late. He should have a big chance of breaking his duck in a small field. AXEL COLLINS (8) has run his two best recent races on this course and should finish in the money. RARE FLAG (3) is struggling but was not too far back on this course last start and can finish in the money.

**Selections:**

#2 SUPER FAST, #9 LAZY GUY, #8 AXEL COLLINS, #3 RARE FLAG

**Race Summary:** Summary: MASERATI ROAR (3) shows some promise and more is obviously expected as he races in blinkers for the first time. He meets a modest field. LUCKY DOLLAR (5) is lightly raced and has improved with each outing. De Melo has jumped off Royal Oasis. ROYAL OASIS (2) has had plenty of chances but has been close-up in his last two. He switches to the turf but must have a strong chance in this line-up. MAJESTIC REIGN (9) has been close-up in all three starts. He tried further last run and the drop in trip should suit.

**Selections:**

#3 MASERATI ROAR, #5 LUCKY DOLLAR, #2 ROYAL OASIS, #9 MAJESTIC REIGN

**Race Summary:** Summary: AFRICAN DUSK (3) was a beaten short-priced favourite over this trip last time out. He has been rested since but goes well this trip and gets a useful 2.5kg claimer aboard. UNCLE LUCKY (1) has been improving all the while and showed up well back on the turf last start. He meets little on note. UNSOLVED RIDDLE (5) started at long odds on debut. He raced green and was not far back over a sprint. He is sure to make good improvement. HUNTERS ARROW (4) is consistent and seldom far back. Distance suited and should be in the mix.

**Selections:**

#3 AFRICAN DUSK, #5 UNSOLVED RIDDLE, #1 UNCLE LUCKY, #4 HUNTERS ARROW

**Race Summary:** Summary: SOUTHERN CAPE (7) comes from a much in form stable. She does come off a short break but her form is solid and she ran a cracking race behind easy Michael Roberts Stakes winner Cape Eagle last time out. LUCKY MISS (4) has been knocking at the door for some time now. She is both course and distance suited and should run another honest race. SEA EAGLE (8) has been rested but she does have ability. With only 5kg to shoulder she will be a threat. MARIA COROLINA (3) has never been far back of late. Light weight and distance suited should see her put in a big effort.

**Selections:**

#7 SOUTHERN CAPE, #4 LUCKY MISS, #3 MARIA COROLINA, #8 SEA EAGLE

**HOLLYWOODBETS SCOTTSVILLE, 25.01.2023, Race 6, Gallops, 1200m, Turf, R90,000, 15:20GMT+2**

**Race Summary:** Summary: Tough race. Gr1 winning PEARL OF ASIA (5) has dropped further in the handicap and although still carrying top weight he has his third run after a break and showed signs of a form return when raced in a tongue-tie. ISHNANA (12) was done no favours when racing was moved from his favourite course to Greyville. Prior to that he stormed home. He has put in his best since being fitted with blinkers and he goes well for this apprentice. Stable companion AFRICAN SKYLINE (7) has only been out of the money once in 12 starts. He has a handy galloping weight and should be thereabouts again. PRAY FOR RAIN (11) is battling for his next win but has only been dropping slowly in the ratings. He is always thereabouts and cannot be written off. CAPTAIN FONTANE (9) may now need further but is useful and one to watch in the market.

**Selections:**

#5 PEARL OF ASIA, #12 ISHNANA, #7 AFRICAN SKYLINE, #11 PRAY FOR RAIN

**Race Summary:** Summary: CALULO (2) won well on the poly last start and although she switches to the turf, her five-point rise in the handicap will be negated by a 2.5kg claimer aboard. WARSHIP (9) made a winning debut for the stable on the poly and that form has been franked. Her last two wins have been on the poly so there are question marks here. SABATINI (3) ran well below expectations after returning from a break but she had a difficult draw and can do much better down the straight. She had top form as a juvenile but will need to show that it was not a fluke. SWEET SYMPHONY (4) finished a long way ahead of her stable companion in that same race and must be included if Sabatini fails to make the expected improvement.

**Selections:**

#2 CALULO, #3 SABATINI, #4 SWEET SYMPHONY, #9 WARSHIP
