Kenilworth, 28.05.2023, Race 3, Gallops, 1400m, Turf, R140.000, 13:05GMT+2

Race Summary: MONUMENTAL didn't enjoy a smooth trip when winning over this trip last time but sliced through the field in the manner of a smart sort, so it could pay to follow his progress. MY GOLLY MOLLY caught the eye in behind and should get closer from gate No 1 on 3kg better terms, though a bigger threat is likely to come from fellow last-start winners SPRING PALACE, who ought to have come on since that comeback victory, and debut scorer PARATROOPER with natural improvement expected. HLUHLUWE, APPROACH SHOT and, albeit to a lesser degree, AVIGNON and SPIRIT'S UNITE complete the shortlist.

Selections:

#10 Monumental, #4 Paratrooper, #2 Spring Palace, #1 My Golly Molly

Kenilworth, 28.05.2023, Race 4, Gallops, 1400m, Turf, R140.000, 13:40GMT+2

Race Summary: Few with a winning chance. LILY OF THE NILE was not disgraced in 2yo feature over 1100m last time and is worth another chance back over the distance of her maiden win with Grant van Niekerk back aboard. SIDDELEY has done little wrong racing up the straight and, on pedigree, could have more to offer over this trip. Maidens WINDRUNNER, ANALYTIC and WOMAN'S WORLD get weight from those principal contenders and should be competitive if building on improved last starts. GREEN VALKYRIE has another tricky draw to contend with but has the form and experience to stake a claim.

Selections:

#9 Lily Of The Nile, #4 Siddeley, #10 Green Valkyrie, #1 Windrunner

Kenilworth, 28.05.2023, Race 5, Gallops, 1400m, Turf, R80.000, 14:15GMT+2

Race Summary: OLIVER moved up a winner over this trip last time but was outfought in the finish. He shoulders joint top-weight 61kg but is ideally drawn and should go close again. Both RED WILLIAM and ALL ABOUT RONNIE are held on that form but likely to pose more of a threat on these terms. LAUGHING WILLIAM is distance suited and ought to make his presence felt. Well-bred youngster SNOW PILOT is talented and, despite a wide draw, could also stake a claim in the finish with the extra 200m likely to unlock further improvement.

Selections:

#1 Oliver, #6 Red William, #10 Snow Pilot, #2 Laughing William

Kenilworth, 28.05.2023, Race 6, Gallops, 1400m, Turf, R110.000, 14:50GMT+2

Race Summary: Wide open. QUEEN OF SPARTA and ALLENDE are closely matched on the form of a recent meeting over 1200m. Both will be better suited to this trip and should be competitive eased in grade. RED SASH and MY FLOWER FATE (drawn widest) have been freshened after last-start victories and could get into the mix with further progress likely. PERILLA, PHILOSOPHISE and FLY TO RIO are distance suited and also capable of making their presence felt. COPPER VIEW, BUTTERFLY BEAUTY and ISLAND TREASURE must confirm recent improvement to have a say.

Selections:

#2 Queen Of Sparta, #3 Allende, #4 Red Sash, #9 Perilla

Kenilworth, 28.05.2023, Race 7, Gallops, 1950m, Turf, R110.000, 15:25GMT+2

Race Summary: Tricky. BIG POPPA improved markedly when stepped up in trip and could have more to offer after a break. DONDER STORM was rewarded for his consistency with an overdue maiden at the 21st attempt and could make his presence felt under a lightweight. MISTER MONOCLE and CORONATION TIME are closely matched, though the former could turn the tables on these terms and with the winter course likely to suit his frontrunning style. SILVER SKY is held on that form but has dropped in the ratings to a dangerous mark and ought to pose more of a threat at the weights. KEEP SHINING isn't taken lightly either.

Selections:

#6 Mister Monocle, #3 Coronation Time, #5 Silver Sky, #4 Thunder Master

Kenilworth, 28.05.2023, Race 8, Gallops, 1600m, Turf, R110.000, 16:05GMT+2

Race Summary: A case can be made for most. FUTURE TURN sets the standard but has top weight to shoulder and a wide draw to contend with. INSIDE STORY fluffed his lines when trying further last time but is better than that run suggests and 2kg better off with FUTURE TURN on earlier form. SILENT TRIGGER is also better off at the weights with that rival so ought to be competitive too. DOUBLING UP has been lightly raced and has scope to improve over this shorter trip. Both KATSU and AUGUSTA BLUE caught the eye last time over 1400m and could have more to offer over the extra. BARDOLINO is not written off either.

Selections:

#9 Inside Story, #7 Silent Trigger, #10 Future Turn, #5 Doubling Up

Kenilworth, 28.05.2023, Race 9, Gallops, 1200m, Turf, R125.000, 16:40GMT+2

Race Summary: Several with a chance but it could pay to follow the progress of WECANGOALLNIGHT who landed a gamble in a similar contest last time when returning from a rest (and gelding). MOUNT PLEASANT and CHAMPION WARRIOR are held on that form but better off at the weights, so ought to pose more of a threat. DEAN STREET is inconsistent but more than capable of making his presence felt too. Both RAGNAR LOTHBROK and BLUFF ON BLUFF are probably better over 1000m but could get a look-in too. BARZALONA appears the pick of the Bass-Robinson coupling on riding arrangements, but PIROSHKA may well fare better.

Selections:

#7 Wecangoallnight, #13 Piroshka, #14 Barzalona, #2 Dean Street
