Race Preview: Plumbago Park has finished 2nd in both Highveld appearances and won't need to improve much on either effort to open her account. **Princess Of All** disappointed last time but need only bounce back to the form of her promising debut performance to play a leading role. **Taking A Risk** should make her presence felt too if confirming the improvement of her last start. Newcomers **Duchess Zahra** is worth a market check and don't need to be special to have a say on debut.

Race Preview: Seed Seeker would not be winning out of turn after consecutive seconds, but he will be challenged by **Tempranillo** who is closely matched on the form of a recent 1160m meeting. **Stoneywood** made no impression on debut but was fancied that day, so he should not be overlooked after a subsequent gelding operation. **Power Of Tiger** has earning potential too after an improved last start.

Race Preview: Mount Darwin has the form and experience at this level to be competitive off the current marks. Last-start winner **Dark Silver** should have a role to play in the outcome under a lenient 2-point penalty. **Jordan** finished behind that rival over 1600m in late October but is 1.5kg better off and will find this trip more to his liking so he may represent the value in his peak outing. Improving 3yo **Olympian Gold** is dangerous under bottom weight.

Race Preview: Take No Prisoners bounced back to form with a fast-finishing 3rd over 1800m last time when fitted with blinkers (retained) and on the evidence of that performance, this extended trip should be more to his liking. **Peace Treaty** ran on from the rear to finish ahead of that rival and is 1kg better off, so he is weighted to confirm that form. Veteran **Banha Bridge** and maturing **Majalun** are also closely matched on recent form and both have the means to remain competitive.

Antonio Gaudi is weighted to turn the tables on that rival but has less scope for improvement. Clever Trevor was gelded recently and is open to improvement, neither should be underestimated. Red Penny has found form and consistency after dropping in the ratings so he should play a leading role off a reduced mark.

Race Preview: Thriving Argo Alley copped a 3-point penalty for winning last time but that seems lenient, given the runner-up has subsequently won and finished 2nd at Grade 2 level, and his rider's 4kg claim will help. Dylan's Champ impressed when winning over track and trip last time but he earned a hefty 9-point penalty which will complicate matters. Best-weighted fillies Gerbera has the form and experience at this level to be competitive, while versatile hard-knockers Mastership also has the means to make the presence felt.
