Race Preview: Paris Fun caught the eye over this trip last time when staying on from a handy position to finish 3rd on her reappearance after a 3-month break. She would've tightened up with the benefit of that outing and won't need to improve much to break her duck. **Cyber Spirit** and **Bella Boop Boop** have the form and experience to take home a cheque. **Pass The Baton** also has earning potential.

	6 Alakanani 10%		

Race Preview: Santiago's Pride had legitimate excuses for a disappointing last run when supported in the market, so he shouldn't be written off in his peak outing, especially over this trip and with alumites refitted. Improving **Follow The Master** finished a game-in-defeat 2nd that day over 2000m. He should have more to offer over this extended distance and will prove hard to peg back if adopting similar tactics. **Heroic Act** and **Alakanani** are weighted to pose more of a threat on these terms so they cannot be taken lightly.

Race Preview: Youngsters **Royale Jacket** and **Tommy Shelby** are improving and both have shown enough to play leading roles. Fellow 2yo **Secret Warrior** was backed last time on his reappearance as a gelding, so he's another lively contender in first-time blinkers. Older rivals **Miss Takes** and **Trip To States** have the form and experience to trouble the 2yo brigade.

Race Preview: Curtiss Condor and Ethical will be winning sooner rather than later and both should improve for the step up to this distance. However, even under top-weight the progressive former is preferred judged on the strength of his recent form. **Flightlight**, **Gift Of Royal** and **World Order** are also likely to have a say in the outcome if confirming the improvement of their latest appearances.

Race Preview: Douglas Dragon deserves to be rewarded for his consistency. He won his only course-and-distance appearance and has held form at this level since. However, he races off a career-high mark and has to concede 3kg to veteran **Banha Bridge** whose last start over 2000m gave the impression that 2400m will be more to his liking. **Romeo's Magic**, **Order Of Hope** and **One Religion** are effective over this trip and should acquit themselves competitively. **Teo Torriatte** and **Chabal** could also have a say.

Race Preview: **Beynac** lost little in defeat when finishing 3rd from a wide draw at a higher level last time following a 4-month break. He would've tightened up since and is open to improvement, especially at this level over the shorter trip. **Last Car To Pass** fits a similar profile after back-to-back seconds, the latest in stronger company over track and trip. She wouldn't be winning out of turn and will likely play another leading role. Improving last-start maiden winner **Enflame** and class-dropper **Ichacha**, who made his post-maiden debut in a feature, have room to improve so aren't underestimated.
