Race Preview: **Three Tigers** ran a lovely race on debut behind Gimmeathrill, he was slightly slow out the machine and still managed to storm home for fourth, there is no doubt that he will improve tremendously from that performance, he should go very close to winning. **Churchillian** is well related, he has run some very nice races in competitive fields, he should find this race much easier on Tuesday afternoon, he must have a good winning chance on form. **Gold Giboski** put in a great performance on debut behind All The Rage, he was terribly green in running, and then stayed on strongly late to finish just over two lengths behind the winner, he will improve and must be respected. **The Roaring Rock** will need to improve quite a bit to win, he might have a place chance at best in this field.

Race Preview: **Signor Dante** found no support in the market on debut, he was very green early and then stayed on strongly to finish just under four lengths behind Green Planet, he should love the step up in trip to 1400m, this is not a strong race, if he has made the necessary improvement back at home, he should go very close to winning. **Dricus** was a touch disappointing last time behind Show Off, he never really got into the race when they turned for home at Hollywoodbets Kenilworth on the 21st of April, the drop in trip should help his chances, watch him closely. **Ocean Sky** has run two lovely races in succession, if he can get some luck in running from a wide draw here, he should be right there in the finish. **Father Christmas** ran a much better race on the 14th of April behind Gold Dust, he looks to be improving with every start, he could sneak into the places from a wide draw.

Race Preview: **Wild Applause** got going very late last time behind Angel's Oasis, she was just off the speed early and then rattled home late to finish just over 0.5 lengths behind the winner, Jockey Muzi Yeni sticks with her from a good draw, if she can build on that last performance, she will go very close to winning. **Loui's Star** had no luck in running from a wide draw on the 14th of April behind Gold Dust, she has a lovely action, she gets a good draw, and Jockey Andrew Fortune has been booked to ride, watch for major improvement here. **Sweet Conifer** didn't find much under pressure in her last start behind English Mistress, she has some fair form, from a good draw, she must be respected. **Supreme Fate** has been rested for 111 days, she looks progressive, if she doesn't need the run badly, she could trouble them all in the finish. Race Preview: **Water Dragon** stayed on really well last time behind Chasingtherainbow, he was a long way back and fought hard all the way to the line, from a good draw here, he should get the dream run in transit, on his best form, he has a good each way chance in this field. **Unicorn Alert** has dropped even further in the ratings, and the blinkers have been fitted, he was very disappointing in his last start, ignore that run completely, he is currently racing off a dangerous rating, he can easily win a race like this on his best form, include him into all bets. **Two A Penny** has been rested for 146 days, she is a decent filly, her form is good, if she doesn't need the run badly, she will be competitive. **Landotherisingsun** won his maiden impressively on the 11th of February, the yard thinks highly of this gelding, the big weight on his back won't make life easy for him, but he has ability, watch him closely.

Race Preview: Cosmic Rhythm absolutely took off late to run a great race behind Wehaveasituation on the 16th of April, he was drawn poorly last time and really made up good ground in the home straight to finish just over two lengths behind the winner, if he can build on that last performance, he will have a massive winning chance in this field. Wehaveasituation won well on the 16th of April, she was given a top ride by Jockey Andrew Fortune, she likes to race just off the speed early, and then she comes with a strong finish late, she can easily win again. Beer With The Boys never runs a bad race, he is in excellent form at the moment, his last run was superb, there is no reason why he shouldn't be right there again. Midway ran a much better race last time, he is currently racing off a competitive rating of 61, from a good draw, he must be respected.

Race Preview: Let It Be Said ran a super race in the Grade 3 Variety Club Mile on the 14th of April, he was a bit strong early in the race, and then finished off nicely to run second behind the very talented Garrix, he should love the drop in trip here to 1400m, Jockey Richard Fourie knows him well, he will be hard to beat on his best form. Gallic Dream is as honest as they come, he loves this trip of 1400m, from a good draw, he should be very competitive again. Sugar Mountain never got into the race over 1200m last time, ignore that run completely, he should show major improvement now that he steps up in trip. Silver Falcon came from a long way back in the Grade 3 Champagne Stakes on the 21st of April, he stayed on well to finish fourth behind some very talented sprinters, if he can build on that, he could have a place chance from a good draw.

Dream Searcher has done nothing wrong of late, she has been rested for 69 days, Jockey Craig Bantam knows her well, and she really enjoys this trip of 1400m, she must have a good place chance from a good draw. Saint Brigid stayed on strongly late behind Wehaveasituation on the 16th of April, she will be ridden for some cover early, and she will be doing her best work late, include her into the play. Hang Out The Stars ran a much better race on the 16th of April, she was only beaten just over four lengths by the winner, if she can back that performance up, she could sneak into the places.
