**Race Preview:** Lizwile Itali (10) has improved with each outing and looks primed for this. Panthera Uncia (9) made sudden improvement at long odds last time out. She may now have come to hand. Dressedtothenines (14) has the worst of the draw but has made recent improvement in blinkers. Magic Maverick (11) has her first run for a new stable. She has shown ability but may be in need of this run.

**Race Preview:** Industrialstrength (8) is an impressive specimen and made a smart debut behind The Specialist who has since franked that form. He should be difficult to beat in this line-up. National Award (4) could prove a threat after making a promising debut behind Henry Harvey but the Kannemeyer stable should have a good line on him. El Capitan (1) has been rested but comes with some fair Cape form and is one to watch in the betting. Off The Charts (3) raced green on debut and should come on from that effort.

**Race Preview:** Spring Kiss (7) has done most of her recent racing on the poly but has been in good form, so has the stable. She goes well this trip and rates a strong chance. Green Valkyrie (2) has come good since joining the Kom Naidoo stable and was narrowly beaten from a tough draw last time out. She has drawn much better here. Mystique Rouge (6) was two lengths back to Green Valkyrie when last they met. She is now 3kg better off which brings her into the picture. State Secret (4) won well at just her second start and is sure to come on from that effort.

**Race Preview:** Tricky; handicap. El Dante (3) showed up well when returning from a lengthy break. He is useful on his day and if anywhere near his best he will go close. Nocturnal Flight (2) has been much improved in blinkers. He made a smart handicap debut from a tough draw and can do much better from gate 2. Selukwe (10) has drawn a touch wide but was right up there with Nocturnal Flight when last they met soe there should not be much between them again. Royal Swan Master (9) is never far back and Keagan de Melo teams up with his old boss, Dean Kannemeyer.

**Race Preview:** Escape Artist (8) is overdue another win after finishing close-up in her last two over this course. She was under a length back to Woodland Glade (6) when last they met and Mike de Kock's runner has since franked that form and received an eight-pound penalty for that win which should see Escape Artist turn the tables. Hot Strike (7) beat Escape Artist narrowly when last they met and is now 1.5kg worse off which should see her finish behind Sean Tarry's mare. Petit Verdot (1) has been dropping in the handicap in spite of her consistent form and can finish in the money for the eleventh time in her career.

**Race Preview:** Mike Miller could hold the cards here with his three runners, **Magical View** (3), **Grey Fantasy** (11) and **Ethereal View** (10) although all are returning from lay-offs. Stable rider Tristan Godden partners Grey Fantasy who was feature placed last time out. Dean Kannemeyer saddles **Lucrative** (4) who won well over course and distance on debut. She earned a handicap rating up with the Miller trio and given that she has had a recent start she could strip the fitter. **Rugger Lover** (9) has not been out of the first three in her last five starts and must have a strong winning chance.

If not in need of the outing he should be prominent. **Gorgeous Guy** (11) loves this course and distance. These three have drawn alongside each other so tactics will be interesting. **Warrior Of Royalty** (4) has been outpaced late over shorter at recent outings and the extra furlong could bring out the best.
