			6 La Maddalena 1:27.07

**Race Preview:** Zalta Star (7) made a promising debut for Garth Puller over a mile on the turf. The switch to the poly over a furlong shorter should see her close. Gary Rich's **Dee Day** (2) has been knocking at the door for some time now with her best recent efforts being on the poly. She has a good draw and is over what looks to be her best trip. **Sweet Reunion** (1) is back over a more suitable trip and the switch to poly could suit. **La Maddalena** (6) is lightly raced and has improved with each outing. Her last two runs were in the soft and she switches to the poly.

8 Sunka Wakan			1 Zena Rose 1:11.82
			7 Admirals Queen 1:11.88

**Race Preview:** Head Girl (4) is long overdue and Andre Nel's mare can finally shed her maiden in what looks to be modest opposition. Biggest threat could come from the Duncan Howells-trained **Zena Rose** (1) who makes her poly debut from pole position and is back to a sprint. **Fantasy League** (6) has still to show but does look capable up making good improvement and is one to watch in the market. **Sunka Wakan** (8) has shown some improvement with claiming apprentices up and has a money chance in this field.

**Race Preview:** War Empress (5) has her second run in just over a week. She was close-up behind Patants Heir on the Scottsville turf last run but she goes well on the poly over this trip. **Gaelic Dancer** (4) is a Highveld visitor with Robyn Klaasen's filly making her poly debut. She has been taking on a little stronger. She has a light weight and a favourable draw. **Million Voices** (1) ran well below best over course and distance last time out but is sure to improve on that showing and the trip suits. **Ayuwi Yuwi** (3) won well last start under 4kg claimer Danyan Pillay and Garth Puller has kept him aboard.

8 Top Gun			2 Rollo The Viking 1:40.11
			5 Monocle 1:41.69

**Race Preview:** Uzwano (6) has shown up well in both starts to date and is still on the improve. Dean Kannemeyer's gelding was a beaten favourite last run and the extra furlong will suit. **Rollo The Viking** (2) has tried further at his last two but this drop in trip could well suit and he will be a big threat to **Uzwano** who finished two lengths behind him when the latter was making his debut. **Chili Bomb** (7) has made some recent improvement since arriving in his new yard. He can make the required improvement. **Top Gun** (8) makes his poly debut but has not been far back at his last three and is a definite contender.

**Race Preview:** Faire Advantage (3) is unbeaten on the poly since arriving from the Cape and can keep that record. He has won comfortably in both starts and may still be under the radar on the synthetic surface. **Fish Eagle** (1) has run two smart races for his new yard and has the benefit of a plum draw. **National Award** (2) has dropped six points in three starts since his maiden win and could now be off a competitive mark over a suitable trip. Highveld visitor **Force De Dieu** (5) finished runner-up in his poly debut and takes a drop in class which should make him more competitive.

She has since run well over course and distance and will have a strong chance in this limited line-up. **Red Knot** (4) has been showing signs of her best form and Kabelo Matsunyane stays with the ride. **Lady Is A Champ** (6) has not been far back in lower divisions but has a money chance.

**Race Preview:** **Allaroundtheworld** (3) won well back on his favoured surface and his optimum distance. He is up in the handicap but a repeat can see Gary Rich's charge go in again. **Duke Of Africa** (5) came home a street ahead of **Blazing Light** (8) when last they met and is not 2.5kg worse off at the weights. Stuart Ferrie's charge is super consistent on the poly but may still may not be able to turn the tables. **Fine Admiral** (2) was a narrow winner of his last two but the three-point rise in the handicap could be his undoing.

**Race Preview:** **Mac Hardy** (1) has been making steady progress in recent starts for Andre Nel. The gelding has little milage on the clock and this looks to be the ideal race. Kom Naidoo's gelding **Porfirio** (2) has been consistent over further but the blinkers are back on and a drop in trip will make him competitive. **Phaka Imali** (4) is seldom far back and although stepping up in trip he does have a strong money chance. **Brass Bell** (8) must be one of the lowest rated seven-time winners in the country. The striking grey was a game winner last time out over course and distance.
