**Race Preview:** Marketa ran a super race on debut behind Cliffscape on the 22nd of March, she was drawn poorly at Hollywoodbets Durbanville and she still managed to run just three lengths behind the winner, there is no doubt that she will improve tons from that performance, watch her closely, she has a big winning chance. **Una The Unicorn** improved nicely in her second start at the races behind Cliffscape, she will be stalking the speed early, and she will be storming home late, include her into all bets. **Paralegal** ran a lovely second behind Jordash on the 11th of February, her form is good, she will be right there in the finish. **Got The Look** was only beaten just over five lengths on debut, the form of that race has worked out well, she could sneak into the places at a big price.

**Race Preview:** Aristotle was outought in a similar contest over slightly further in his last start but this shorter trip will be more to his liking and a repeat of his most recent performance should suffice. Best-weighted **Grand Crescendo** and favourably treated **Gimmeanotherchance** are better than their latest appearances suggest. Both could trouble the selection if bouncing back to their best/earlier form. **Royal Force** has a bit to find on recent form but remains open to improvement so could get closer. **Salute The Flag** is unbeaten over track and trip so cannot be overlooked.

**Race Preview:** Thingamabob ran a fair race behind Wehaveasituation on the 26th of March, she was unfortunately drawn badly on that occasion which didn't help her chances, now that she drops back in trip, she should have a good winning chance here. **Cape Captain** has improved nicely in her last two runs up the straight at Hollywoodbets Kenilworth, the yard is in great form at the moment, she must have a good each way chance in this wide open race. **Alex Miller** drops back in trip for this Open Maiden on Saturday afternoon, she never runs a bad race, this looks to be a good opportunity for her to exit the maiden ranks, include her into the play. **Alessia Asheville** could be some decent value, she has been drawn terribly in her last two starts at Hollywoodbets Durbanville, and she has run two very nice races from those bad draws, with some luck in running on Saturday, she could absolutely trouble them all in the finish.

**Race Preview:** Artic Silver has improved to finish nearer the winner with each outing and her recent performances suggest this extended trip will unlock further progress. **Art Nouveau** isn't likely to remain a maiden for much longer. She is engaged to run at an earlier meeting and may not take her place/be eligible to run in this race. Experienced **City Lights** fits a similar profile with the form and experience to play a leading role. However, she is vulnerable to the less-exposed younger rivals, including **World Tour** and **Flightlight**.

**Race Preview:** Heritage Ridge has run two very good seconds in succession, she is gutsy and she tries hard, this looks to be the perfect race for her to exit the maiden ranks, she will be tough to beat. Tripping Thunder is as consistent as they come, he never runs a bad race, he will be on speed and should be in it for a long way, include him into all bets. Digby has been rested for a long time, he ran a super race on debut behind Billy Cool, if he doesn't need the run badly, he could certainly win a race like this. Iko Iko has been rested for 298 days, his form is good, if he doesn't need the run, he could be a major factor here.

**Race Preview:** Konnichiwa stayed on strongly last time behind Bel Canto Dream, his last two runs have been very good, it's not a straight forward race on paper, but he definitely has a good each way chance on Saturday. Gold Dust ran a terrific race behind Dubbelosix on the 5th of March, there is no doubt that he is improving with every start, he should get the run of the race from a good draw, include him into all bets. Vapour Trail has been rested for 66 days, he is a two-year old taking on older horses which won't be easy, but he is packed with ability and should love the step up in trip from a good draw. Smart Horse was well beaten last time behind Noble Hero, he could sneak into the places at best. It's a tricky race, you will need to go wide in all your bets.

**Race Preview:** Lightly raced 3yo Musical Score remains open to improvement and needn't improve much on a good 3rd over 1200m (his first appearance as a gelding) to play a leading role over this extended distance. Hard-knockers Silent War, Radicchio and Thunee Playa renew rivalry having clashed over 1800m at this venue earlier in the year. Best-weighted Thunee Playa emerged victorious on that occasion and is good value to confirm his superiority over a distance he enjoys. Zuzan and Royal Edition are others with earning potential.

Van Vuuren-trained runners **Cosmic Star** and **Chyavana** have the means to play leading roles but return from lengthy absences, so their race readiness has to be taken on trust. **Yamadori** is at the peak of his powers and has run well for jockey Philasande Mxoli, albeit at a slightly lower level. He should remain competitive at this level receiving weight from all. Speedy filly **One Fell Swoop** is also respected.

**Race Preview:** Garrix was gelded on the 24th of February, he is undoubtedly one of the better three year old's in the country, his form is excellent and he will love the drop in trip to 1600m, he will be very hard to beat. **Zapatillas** ran a much better race in the Listed Jet Master Stakes behind The Real Prince, he is a good looking sort packed with tons of ability, he is slowly starting to drop in the ratings, watch him closely, he should be right there in the finish on his best form. **Let It Be Said** won well on the 8th of March at Hollywoodbets Durbanville, he can be quite strong in his races, if he relaxes early and settles into a good rhythm, he could be competitive with no weight on his back. **Billy Bowlegs** had no luck in running last time, he was taken up for a number of strides in the home straight, with a clear passage on Saturday, he could sneak into the places at a decent price.

**Race Preview:** Buffalo Storm Cody could hardly have been more impressive last month when winning over 1160m on his reappearance after a rest and gelding. He remains open to improvement and it could pay to follow his progress. However, he is engaged to run at an earlier meeting so his participation isn't guaranteed. Last-start winner **Mount Pinatubo** heads a 3-pronged attack for trainer Johan Janse van Vuuren but his race readiness is a concern after a lengthy layoff, thus stablemate **Salenio Peninsula** could pose more of a threat, especially over this shorter trip that is more to her liking.

**Race Preview:** La Pulga absolutely took off late to run a great race behind All Out For Six on the 16th of March, he was a long way back in running and really caught the eye late, he should love the step up in trip to 1800m, on his best form, he will be hard to beat here. **Pinot Grigio** has been rested for 115 days, he is still improving with every start, if he doesn't need the run badly, he could be a serious threat with no weight on his back. **Rule Of Thumb** won well on the 8th of February at Hollywoodbets Kenilworth, he was given three points for that victory, he is a gutsy sort that tries hard, if the race works out for him, he could earn again in this competitive race. **Fibonacci** hasn't won for a long time, he ran a fair race last time behind Legal Counsel, if he can improve from that performance, he will have a money chance.

The former scored at this level last time and races off a career-high mark but is yet to show her best form in 2 starts over this distance, so preference is for maturing **Doitwithdiamonds** who is going from strength to strength since relocating to the Highveld. **Mary's Greenlight** and **Rani Of Kittur** are better than their last starts suggest and could trouble the principals if bouncing back to their earlier form. **Juliet Tango** isn't taken lightly either.

**Race Preview:** **Kaiboy** is packed with ability, he ran a lovely second behind Symphony In White on the 26th of February, the yard have always spoken highly of this individual, he should get a good run in transit just behind the speed, and he will be low flying late. **Arctic Wizard** had no luck in running from a wide draw last time at Hollywoodbets Durbanville, ignore that run completely, he will be on speed and should run a cracker now that he is back up the straight at Hollywoodbets Kenilworth. **Elusive Winter** has been in excellent form of late, he is a real speedball, he looks to be maturing into a nice sprinter, this is the horse they will all need to fetch late, he must be respected. **Nordic Chief** quickened up smartly to win a good race on the 5th of March, he was given four points for that win, he must be included into the Quartet.

Top-weight **Ancient Wisdom** is unbeaten over this distance and will also be more competitive in these calmer waters after running in a Grade 2 last time, though **Key Worker** finished ahead of that rival in the Oaks Trial last time and is better off at the weights. 赛事预览: 加利斯 于2月24日被闸割, 乃实力优秀的三岁良驹。此番缩程至1600米作战甚合适, 难以被击败。佳帕提拉 在Jet Master Stakes中表现已有所提升, 仅微差落败于“正牌公主”, 其实力优秀, 现评分下滑, 若保持最佳状态, 有望争得一席之地。让他说 于3月8日在敦文维斯赛事中已赢得出色, 今状态理想, 若能调整好步伐, 势必具备一定的竞争力。比利鲍乐 上仗运势欠佳, 因发挥不利于末段直程受阻, 今若出闸顺利, 可争得位置。
