**Race Preview:** What A Passion improved at her third outing over course and distance. She gets first time blinkers and show further improvement. Winter Blessing has been consistent and was close-up last run in first time blinkers. She should run another forward race. Aurelian showed up well over course and distance on debut and is sure to have come on with the experience.

2 William Of Orange			10 Drielandenpunt 1:13.44

**Race Preview:** Johnny Boy finished close-up from a wide draw when making his debut starting at long odds. That effort should have brought him on. A neck behind that day was Drielandenpunt who was also making his debut. The pair have drawn alongside each other and the result could depend on which horses has come on best. Amber Alert reverts to sprinting with first time blinkers. William Of Orange showed some improvement second time out and has a money chance.

**Race Preview:** Jet Blackfire made marked improvement over course and distance with first time cheek pieces. A repeat should see him in the firing line again. Master Silvano has not been far back in any of his four starts. This trip on the turf should suit. Pied Piper has shown up well in two starts over a mile. This shorter trip could be more suitable. Winding Power raced green in a promising debut and the extra furlong should suit.

**Race Preview:** Schipole takes on males and was a little disappointing last time out. However, she does appear to be progressive and maybe worth another chance. Town Crier was well supported in the market at just his second start and he duly obliged. If he can build on that win he will be a runner. Roy Taking Off tends to take off a little too late but he has the best of the draw and a handy weight. Include in all bets. Gorgeous Cape is another filly taking on males but won well enough second time out and does show some promise.

Cappellino has improved without the blinkers and was close-up over course and distance last time out. He gets the services of Richard Fourie. Navajo Dancer has improved in blinkers and is down in class. He has a 4kg claimer aboard who has not had many chances. Arverni Princess is never far back. She is down in class and has a handy galloping weight.

**Race Preview:** Hierarchy was narrowly beaten in a Gr2 feature last time out. She got a hefty shunt up the ratings for that effort but carries bottom weight in this set weights sprint. Luhamba Phambili shoulders top weight but has smart form over course and distance and should go close again. Major Tommie could find it tough at these weights but he was a tad unlucky last time out. He has shown steady form since returning from a lengthy break. Lightly raced Blazing Beauty has made marked improvement for her new yard. She was only a maiden winner last start but can surprise. Dark Matter has won her last two comfortably. She is up in class but has the benefit of a light weight.

Terminator is something of a course and distance specialist have place in all of his last four starts. He has the best of the draw and should have every chance. Golden Rule surprised last run when returning from a break and from a tricky draw. He can build on that effort and follow up. Global Movement has been a beaten favourite at his last three starts. Candice Bass has two runners fresh up from the Cape where the form is often a lot stronger than local. Sean Veale stays aboard Counter Attack who showed improved form in a Hollywoodbets Durbanville sprint and should start at shorter odds than 20-1. Circumbendibus won first time out on his arrival from the Cape where he had steady form over this trip. He only got a three-point raise in the handicap and can follow up. Now I Got You is never too far back of late and has a light weight. He should be competitive.
