Race Preview: Desert Cloud has been costly to follow but she did have legitimate excuses in her last 2 starts and would't be winning out of turn. Hotaru has a prior engagement so her participation must be monitored but she would have every chance if taking her place. Misty Metal will make her presence felt if confirming recent improvement. Returning Miss Munroe isn't taken lightly either.

Race Preview: Trajanus was well fancied in the market when only touched off on debut. He would have benefitted from that experience and won't need to improve much to go one better. Umzingeli Wenyathi fits a similar profile and should acquit himself competitively. Bingo has the form and experience to play a leading role too. Well-bred newcomers Cody's Mark, Down Town Cody, Alpine Jet and Frankie Fahrenheit are worth a market check on debut.

Race Preview: Snow Queen improved with the benefit of an introductory outing to finish a close-up 4th over track and trip in a race that produced winners, so she needn't improve a great deal to open her account. Jazz Pianist has also shown enough in both starts to fight out the finish. Blushing Bloom, Taking A Risk and Kahalawai will know more about it after satisfactory debuts and could get into the picture with natural improvement. On An Impulse, Tommy Shelby and Sergeant Soqrat could improve to take home a cheque, though a bigger threat to the selection may come from a first-timer. The latter would have benefitted from that outing and this extended trip should unlock improvement. Leanne's Love and One Summer will likely improve to make their presence felt.
