Race Preview: Godric Gryffindor has been rested for 104 days, he has run two great races in succession, top jockey Richard Fourie has been booked to ride this colt on Monday, if he doesn't need the run back after a small break, he will be hard to beat in this field. **The Cullinan** ran a great race on debut, with natural improvement expected from this individual going into his second run, he should be right there in the finish. **Royal Light** could be the value horse in this tricky race, even though he was beaten just under nine lengths on debut, it looked to be a strong maiden race on the 30th of March, he could show any amount of improvement, watch him closely at a decent price. **Another Hero** will love the extra 200m, he will be doing some good work late.

Race Preview: Vercicat must have a big winning chance here, he ran a lovely race coming back from a small break and gelding last time, this doesn't look to be the strongest race on paper, if he has made further improvement back at home, he will be hard to beat. **Crazy Little Thing** is much better than her recent start, now that she is back sprinting at Hollywoodbets Kenilworth, she should return to her best form, include her into all bets. **Eugenius** has run two nice races in succession, the blinkers have been fitted to this gelding, even though he carries top weight in this open maiden event, he will go very close to winning. **Lifelong Dance** ran a better race at Hollywoodbets Durbanville on the 21st of March, if she can build on that run with a low weight on her back, she could sneak into the Quartet at a big price. Watch the first timers closely, if they have ability, they can certainly make a winning debut.
