**Race Preview:** The Gavin Smith stable's form could continue with it's juveniles. The comment on first-timer **Global Banker** is 'will run well if not too green' so follow this one carefully. However, **Summer Odyssey** has run two good races in a row and could reward followers over the longer trip. She must surely take advantage of her 2.5kg sex allowance. **Global Force** has scope for improvement and could show much more in his second start. **Royal Statesman** and **Queen Lagertha** are both bred to be quick.

**Race Preview:** Querari filly **Afrodite** disappointed in the Western Cape but did bleed last time. She has ability and if over her affliction, can go well on local debut. **Yaya Maria** should test her as she has been knocking hard over further and may appreciate the drop in distance. **Pomodoro Magic** made a fair debut. She ran on well to finish fourth and if not in need of further, could threaten. Watch out for improvement from **Reggie's Girl**, **Princess Louisa** and **Gaetana** - these have been racing in other regions. The comment on **Celtic Vixen** is 'smart filly but will be green'. She needs to be watched.

**Race Preview:** If **Captain Morne** holds his form he should have a big chance of opening his account. He finished a convincing second and was ahead of seven others who re-oppose. But **Jackson Mississippi** ran on nicely to finish 0.50 lengths behind and may also be ready to win. **Maya's Cat** is best rated of those with exposed form and could make a successful local debut. But he is dropping in distance. **Settle The Dust** seems to have gone backwards after gelding but could prefer the change in scenery. **Last Survivor**, **Siberian Fox** and **Opening Ceremony** all have earning potential.

**Race Preview:** **Africa's Rock** has secured gate No 1 after a rest and could add to the tally. He hasn't been easy to handle but is capable when allowed to do his own thing. **Aspiringforeign** has drawn better and can get a lot closer. He is one from one over the course and distance. **Travel Master** is experimenting as he tries further on the turf. He runs like the trip will be no problem. **Alado's Pride** has been doing battle in stronger races but has always found this distance a bit short. The race could be run to suit this time. More can feature - go wide.

**Race Preview:** **Belle Of Belize** has strong form and could be the one again. However, stablemate **Phoenix** will be looking to turn the form around with her. She is 6kg better off for 2.25 lengths and could make it very difficult. It is going to be a cracker of a race as it doesn't end there. **Dame Of Flames** found her last race short when nevertheless running on. She has run well over this distance. **Twice To Heaven** has a good record over this course and distance and should put in a stubborn effort from draw No 1. **Flame Flower** is another who cannot be discounted.

**Race Preview:** **Variety Breeze** was a bit unlucky not to win last time. She was hampered and only lost by a nose against males. She could be rewarded back against her sex. **Delicasea** won a nice race when finding her best form last time. She races fresh and is not one to take lightly after a rest. Stablemates **Princess Deb's** and **Angel Deb's** are both firing on all cylinders and should be right there. The former is going for a hat trick but is switching to turf. The latter won a nice race last time but is dropping in trip. **I Like It Hot**, **Rainbow Thief** and **Mur Mur** could be dangerous.

**Race Preview:** **Ideal Angel** was on a roll before finishing downfield in a strong race. She is now best weighted and could lead her field a merry dance again. **Aerial View** is the dark horse. She brings fair KwaZulu-Natal form into the race and while not well weighted, could make the required improvement in her first try around the Fairview turf track. **Golightly** won some amazing races early on and then lost form. She could appreciate the longer distance she tries on turf. **Heartsease** and **River Cafe** (in good form) aren't without claims either.

**Race Preview:** **Heathcliff** would be deserving after running two good seconds in a row. However, along with a host of other decent sorts has drawn wide and will have his work cut out. **Tozzetti** lacked a finish last time but appears better than that run. He deserves another go over the longer distance and has drawn fairly well. **Humble Tune** suddenly found his best form and is now one to take seriously. He could show further improvement. **American Landing** finally revisited the winner's enclosure and now that he has, could go on to win again. **Daleel** tries further but will need a good pace from No 18 draw.

**SOUTH AFRICA FAIRVIEW (TURF TRACK)**

2700m near oval. Races up to 1200m straight course, beyond 1200m clockwise round turn with 800m run-in. High-number draws best in races down the straight (mostly downhill), low numbers favoured over 1400m and 1600m.
