Race Preview: Asaruludu jumped slowly and raced awkwardly but produced a strong run to finish second on debut. The bad start is a worry but he can improve in this regard and in any case could still win it as he looks well placed. Captain Catman will be looking to go one better after finishing runnerup in his last three. He could make a winning debut for his new yard after a rest. Lucky Dollar met a fair sort last time when doing a lot better with frontrunning tactics. He is racing for a stable in good form. Majestic Reign and Thermopylae have both shown enough to include in exotics.

horse who carried 8.5kg less than her. She should be looking for this longer distance. It could get close between She's Not Easy and Ideal Gift on a line through a horse called Natalia. The former could get first run and hold off the latter as she has the better draw. The latter is trying the surface for the first time and could be open to improvement. Vivir Mi Vida ran with high-class sorts on the Highveld and could be the surprise package on her Polytrack debut.

Race Preview: Reefway got going late last time and it is conceivable she is looking for this longer distance. Cutting through a small field will also help. Trainer Michael Azzie has brought down Toto's Dream and Quest From Afar and both look capable of bagging decent prizes. Toto's Dream has had a run after rest and ran against stronger and could be the one to take top honours. Ice Sunsation ran a fair race after a rest and has dropped in the ratings. She could finally get into the action. Luna Eclipse is not one to take lightly over the course and distance.

Race Preview: Badrah has been running on strongly over further. It has been a long time since she first scored but the drop to a 1000m could do the trick. It should get close between Dunyaaand New Orleans again. The latter was only a short head behind the former but is now 3kg worse off. Still, she may get lucky this time. Triptoroyalty took time to get going but won convincingly. She could have made further improvement during a rest and is not one to take lightly. Flying The Star is capable but appears better up the straight at Hollywoodbets Scottsville. She has gate No 1

should build on that from draw No 1. Sikhulu came from off the pace producing a strong finish to win. He needs a particular ride and since he is in good nick should prove dangerous again. It could get close between Father's Frost and Knight Warrior again. The pair have run very good races on poly and turf and should test the higher weighted runners. Hope is Power went the wrong distance last time. He can suddenly bounce back to best.

Race Preview: Camora put aside some unconvincing form to win two in a row. His yard looks to have figured him out and since he only just gets there, may have more to come at current merit ratings. Immeasurable must surely add to his tally. He has finished runner-up in three of his last four but is dropping in distance. Winter Waves had a bad start last time and yet was not far off at the wire. His 1.5kg claim could give him an advantage and he must be taken seriously. Past these it is wide open All of Mr Pigalle, Spirit Of My Fate, Artic Tune and more could threaten.

Race Preview: Qualified maiden field will not take much winning. Allaroundtheworld disappointed las time but that run was against winners and he did knock hard in his previous races. He can get it right. The Swinger bet could be Allaroundtheworld and Trip To Nebraska on naming conventions. The latter is taking on males but did make good progress last time and should appreciate the longer trip. Barbatti races for a stable in good form. He has been putting together honest performances and if the drop in trip doesn't catch him out, he could threaten. There has been support for Whiz Bang - watch out.
