**Race Preview:** ANTONIA AUGUSTA and BAVARIAN JET need to improve to win a race but are capable of earning some minor money. ECLAIR was only run out of it late on debut and with normal improvement expected she does look the one to beat. ONNETILIA did not show much on her Polytrack debut but is likely to improve trying the turf. SUGARBERRY is well drawn. She is improving and should contest the finish once again.

**Race Preview:** COASTAL PATH showed promise when winning on debut. That was on a soft track though. KHAYA'S HOPE has been a bit of a disappointment since scoring nicely on debut. He has tended to hang in his races which makes it tough for his rider. He does have ability though and will be right there at the finish. SAND BANK is improving and won full of running last time out. The Sharon Kotzen-trained pair of INDY VIEW and LE BONHEUR put in pleasing debuts and deserve the utmost respect.

**Race Preview:** MARADIVA has already been runner-up in three of his starts so far. He is battling to win a race but could do so at any time. MY LORD AND MASTER has been unsuccessful at winning after 20 starts but is quite capable of earning another stake cheque. ABSOLU NOIR was a bitter disappointment last time but is speedy and does have a winning chance. MISS ROSE could earn some minor money. Watch the betting on the two newcomers from the Alan Greeff yard, SOUTH WESTER and YAMAYA. TOPY TINA was tried in a strong race last time after showing promise in her second start.

**Race Preview:** JAPAN APPROVAL is one of three Gavin Smith-trained runners carded for this race. She did not show much on her local debut and although vast improvement is likely, she does need it a lot further than this distance. ALASTRIONA showed promise on debut and is likely to be a lot smarter this time. Watch the betting also on stable companion VICKEYNEKI. SAILAWAY WITH ME has been finishing her races off nicely and could be ready to score. DREAM STAR has only had the two starts and should improve. GAILLEA is clearly better than her last run would suggest.

**Race Preview:** A tough race to be confident in finding the winner. CHLORIS is in good form and should fight out the finish. FORWARD MARCH is battling to regain winning form but could earn some minor money. MISS OTIS could show improvement. TAMIL TIGER is clearly better than his disappointing last run and would not be a surprise winner. Stable companion MAIDEN'S COVE is currently reserve runner 2 but has a winning chance if making it into the line-up.

**Race Preview:** Another interesting contest. MOON GAME and SEATTLE BEAT don't always show their best form but are clearly not out of it either. BOLD RESOLVE has shown good improvement since blinkers were added. He is usually slowly away but is capable of a strong finish. BUTTERCUP is improving and won well last time out. MASTERFUL has lost his form of late but could surprise. WILDEYE is capable of improvement. FLINDERS RANGE makes his local debut after a change of trainer and could also improve.

**Race Preview:** TWICE TO HEAVEN was not disgraced when third last time out and could earn some more money. Trainer Zietsman Oosthuizen has a couple of runners in this who are capable of running well. ALADO'S PRIDE and FAT CIGAR both prefer the turf and could pop up. GOLD ROCK is course-and-distance suited and ran a good race last time. HOMER FIDGET does not always show his best side but could earn some more money. JACK AND GINGER is in good heart and deserves respect. VIDA FUTURA was well backed to win his local debut. He looked an unlucky loser. MORSE was a winner the last time he was on turf.

PARIS OPERA is clearly better than her last run would suggest and could bounce back to score. ANGEL DEB'S could be better than rated but we will see how she goes in this race. MI AMI BEACH won full of running on debut and must be considered. EASY LIVING is a juvenile running against her elders but could well be up to that task.

### SOUTH AFRICA FAIRVIEW (TURF TRACK)

2700m near oval. Races up to 1200m straight course, beyond 1200m clockwise round turn with 800m run-in. High-number draws best in races down the straight (mostly downhill), low numbers favoured over 1400m and 1600m.
