Race Preview: The first of 8 maiden races. On earlier form Var Park should be hard to beat but hasn't been showing true potential recently. He competes before this against stablemates Elusive Justice and Brosnan - watch the form. Fish Eagle has his alumites removed but sports blinkers. If he produces his best form he could feature. Time Together showed up well on debut and should be involved in the finish. Nazare can improve to earn. Watch newcomer Viva De Janeiro

Race Preview: Phantomofftheforest has been threatening. His blinkers have been removed which could do the trick. Quixote found problems last time and should challenge strongly. Free Movement disappointed in his post-debut but sports blinkers and could come on in heaps. Full Go is having his 24th try to crack a win but is a must for the Quartet. Smelting is having her 41st start but could sneak into the Quartet. Pembroke can do better.

Race Preview: Broadway is doing nicely and the form has held up. Radu did well on debut and should relish the extra. Both have prior engagements and it's essential to upgrade the form. Brave Viking was run out of it last time but the track will suit, however, he has a wide draw to overcome. Raptor Island wasn't disgraced in his first run for his new stable - respect. Camelo is better than his last 2 runs. Mo The Man can improve but is drawn wide.

Harold The Duke is a plodder but should do enough for the Trifecta. Elducino is looking for Quartet money.
