Race Preview: RUSSIAN DOLL raced green but nevertheless showed good ability to win her debut. She can remain unbeaten as she has drawn well again and the longer trip should suit. WILL O ME showed plenty pace to win her second start and beat Canadian Summer who won two in a row thereafter (including a Listed race). She could be anything on the Polytrack and the 1200m distance. TRIPTOROYALTY had much go wrong but was only 2.45 lengths behind RUSSIAN DOLL when also having her first start.

Race Preview: LOVERS LANE showed promise on his Highveld debut. He was outpaced in the early stages of the 1000m race but stayed on well at the finish and must make improvement over the longer distance. Fellow Highveld raider MAGIC TATTOO could be hard to catch if allowed to make his own fractions. He has run well in features and based on his running style could enjoy the surface. STEVIE GEE has a much better draw and like LOVERS LANE is in receipt of 4kg so should give MAGIC TATTOO a tough time. MR HENLEY has a bit to find on STEVIE GEE but is speedy and needs to be respected.

Race Preview: WINTER SMOKE won at this track as a juvenile and is now weighted to win. She has impressed in top-class fields and must be forgiven her last race as she never seems to do best at Hollywoodbets Scottsville. DUBAWI PRINCESS has been knocking at the door on the poly and now has the best of the draws. She looks a lively runner after lacking extra over further last time. GEORGINA ROSE on the other hand has gone from having the best of draws to the worst. However, she looks to be coming to hand and could still have the measure of NIKIYA and CALULO. AUNTY LIZZY is fast - watch out.

Race Preview: Competitive. PROUD MASTER has more to come and should run a big race in his third start after a rest and gelding. But he will need a good pace. AD ALTISIMA last won on the turf but is a specialist on the poly and could get the race run to suit. He is weighted to win. SIKHULU jumped slowly last time and is a bit better than the run suggests. He runs prior and the run needs to be checked first. HOOVES OF TROY looks to be coming back to best. He is up in class but has drawn ideally and should make a race of it. RUNNING FREELY is up in class and will be tested from a wide gate.

				7 Hey Bill	19%	2 Aquae Sulis	1:57.29		

Race Preview: AQUAE SULIS ran in the Oaks recently and takes a drop in class. She is best weighted and could turn in a strong performance, even if on the poly. PRINCESS KESH has room for further improvement and is well in but could be best at a track with a long run-in. She needs to be taken seriously regardless. VICTORY TWIST and HAVE A GO JO are proven on the surface and could take full advantage and fight out the finish. The latter won this race last year and could be well placed again this year. THE KOP could be the dark horse even if carrying top weight.

Race Preview: Another tough event. If SPYDAS CORNER stays the longer trip he could be the one. He has run great races against the likes of Chantymen and may just be looking the distance. But STRAIGHT UP is well proven and should get a good pace and could capitalise. FISHER KING has also run some crackers against top division fields, and if he takes to the poly could be hard to catch. PRINCE OF TARANTO keeps on running decent races and would be deserving. He has matured and could now be well suited to 1600m. CHATTERTONS KEEPER has the ability to keep going on the poly.

Race Preview: Star sprinter BATTLE FORCE gets to try 1600m and is weighted to win. He has stamina in his pedigree and makes the race all the more interesting to watch. NEXUS is tried and tested over ground, especially 1600m, but has yet to win at this venue. Could be his day with legendary rider Piere Strydom in the irons again. BOLD ACT was a bit unlucky in her penultimate and followed that up with a fair run in a Grade 2 last time. She must be taken seriously. WILLOW EXPRESS and CHIJMES ran well in this race last year so need to be respected. FLASHY APACHE is the dark horse.
