looks primed for this. Firu Star (3) was touched off last run but is not the easiest. If he can reproduce that run he is a big runner. Allaroundtheworld(5) is struggling to shed his maiden but was close-up over course and distance last run and could finally crack it. Colour Of Money (2) has shown some improvement in blinkers and has a money chance.

Race Preview: ASPESTERTJIE (1) has been knocking at the door. She gets a stronger rider from the best of the draw and should make a bold bid. French Princess (9) showed good pace before fading on the turf last run. The poly and this trip could suit. Meredith Grey (4) showed up nicely last run on the poly after a lengthy break. The stable is starting to come to form. Captain Marvel (8) is lightly raced and goes well on the poly.

Bristolbeaufighter (3) has been taking on stronger at recent outings over further. He could prove better over this shorter trip with a five-point drop in the handicap and his stable in form. Edward Longshanks (5) has been narrowly beaten at his last two for his new stable. He should go close again. Purple Operator (4) is consistent and never far back. Has a money chance.
