Race Preview: Global Approach has been threatening for a while but has drawn well and the track will suit. Futurewolfoff was runner-up in his last two and is bred for the extra. Trident King races in new surroundings after a lay-off. He gives weight to all but has done all his best work on the poly. Captain Throne and Greenlightforgo are looking to improve. Others are hoping for a place cheque.

Race Preview: Batik is improving with racing and could open his account. Silk Garden hasn't been far off to date and shouldn't be far off again. Sassy is doing better and is a must for the Trifecta. LOOK for more improvement from Unapologetic - she is ready for a big run. Pinky Levine comes off a break and could just need it. Street's Ahead could make the frame.

Before that the latter finished just over a half length behind his rival but is 1.5kg worse off. It could get close. The Inkosana comes into the reckoning on his penultimate, having finished 2 lengths ahead of Clap Of Thunder, but he pulled up blowing in his last two runs. Mr Bodacious needed his last run badly and could have a say. Prime Example could get into the mix.

However, LILLIANA (0.5kg worse) finished 1.50 lengths ahead of the first mentioned after having needed the outing. She should be right there. Gilded Butterfly is another with winning claims.
