			5 Kommetjie 1:13.67

**Race Preview:** Divine Design let the side down when finding a newcomer a bit too good last week. She did quicken nicely once again though and looks the right one trying the Polytrack for the first time. Nellie Bly makes her local debut. She is battling to win a race but does deserve respect in a weak race. Mia Calice showed improvement when trying the Polytrack last time out. Further improvement is expected. Glitterfox shows pace and could play a minor role.

**Race Preview:** Admirals Chance has been unreliable so far but only tired late last time. Blinkers were fitted that day and they remain on. From a wide draw he may have to try start-to-finish tactics and they could work over a course and distance that should suit. Goom Goom is improving and ran well over this track and trip last time out and should be right there at the finish once again. Chariot Master has run well at this track and has a winning chance. Trumps Express is unreliable but is also not out of it.

**Race Preview:** Aspiringforeign was only caught very late last time out. From a good draw he does look the one to beat. Homer Fidget is unreliable but did quicken to win his latest start and must be respected. Euphoric needed the last run and has a winning chance. Fearless Kitty is back on her favourite surface but this is a tough race for her. Flinders Range was not disgraced in his recent runs and could finish in the money yet again.

**Race Preview:** Ideal Angel is probably at her very best on the turf but is in such good form she could win a race like this. Heartsease won well on the turf last time out but has been good on the Polytrack as well so should go close. Golightly loves this surface. She could take to this longer distance if she settles. Anatura is unreliable but is also capable of a strong finish if in the mood.

**Race Preview:** Jockey S'manga Khumalo picked up a 7-day suspension for misuse of crop on Wildest Dreams recently. This filly is at the top of her game and is the one they all have to beat. Richard Fourie takes over duty on her. Humble Tune has changed trainers and could improve on this surface. Jack And Ginger is clearly better than his last run would suggest and was consistent before that. Drengs Ferry was caught too far back last week on the turf and could be the surprise package. Crafty Heart is in good form and can contest the finish yet again.

**Race Preview:** Variety Breeze was not disgraced when third last time out. She has been at her very best over this course and owes jockey Muzi Yeni a win. Trainer Alan Greeff has a decent hand in the race. Rock Garden probably needed both of the last runs and drops in class. Savannah Winter is speedy and like this surface. Red Berry has been in good form this season and has a winning chance. Hat-trick-seeking Vegas Gold is another who deserves respect and should be included in all perms.

**Race Preview:** Global Drummer has not been at his usual high standards of late but is always hard to beat when allowed a soft lead. Pleasdtoomeetyou was run out of it late last time but from a good draw has a winning chance. Greenlighttoheaven looked an unlucky loser last time out and deserves the utmost respect. Naval Secret returned to his best form with a narrow win over his stable companion and must be considered. Life On Mars is coming off a nice win but takes a leap in class.

**Race Preview:** Soweto Rose choked up in running when heavily backed to beat a better field than this last time. His form before that was pretty solid and he could be ready to strike. Victory Of Dubai is improving and deserves respect. Great Melody tries the Polytrack and could improve. Dammi is improving and is coming off a maiden win. Jaquar Cat returns to the Polytrack and an improved run can be expected. Ignore the run of Kingston Rock last time out and he could finish in the money.

## SOUTH AFRICA FAIRVIEW (POLY TRACK)

A right handed all-weather polytrack with a circumference of about 1800m. All races have at least one bend, with races from 1400 to 1800m starting on the bend. The near bend, leading into the 450m home straight, has a slight camber to assist horses racing around it.
