8 Servilius		4 Perfect Revenge	1:00.48

**Race Preview:** Kennedy was a pleasing 3rd on debut over this track and trip, and with improvement likely given that experience, should play another leading role. Servilius and Captain Casanova are also likely to improve having been gelded since their last starts, so could make their presence felt. Newcomers Enemy Territory and filly Jade's Caberneigh, who gets a sex allowance, are bred to be useful and needn't be special to pose a threat to the selection. Market support for either will need to be taken seriously.

## RACE 2 7:15 PM (R\$120,000) Kenilworth - 1400m

		5 Bourmemouth	1:25.32

**Race Preview:** Rosh Kedesh was well backed when finishing 3rd on debut and would've improved for that experience, so could be worth following with extra 200m likely to bring about improvement. Promettere may have more to offer as a gelding and showed enough in 3 starts with his previous stable to warrant consideration. Thewolfovwoleysey made a pleasing stable debut over a shorter trip and ought to have come on for that comeback run, so should be competitive with the extra also likely to suit. Marshall Field and Rainbow Colours have claims too.

4 Spring High	30%	6 Future Swing	1:37.22
	21%	1 Silent Trigger	1:37.41

**Race Preview:** Good race. Beyondtheboundary made a winning comeback over a shorter trip and would've tightened up for the run. He ought to be competitive over this trip with improved fitness on his side. Progressive Future Swing won over the track and trip last time and has run well in a similar contest so should make his presence felt. Spring High and Silent Trigger could stake a claim trying extra in their peak outing, while Chollima is favourably treated by the conditions and also capable of playing a minor role. Gimmie A Star is relatively unexposed and could have more to offer after a rest and gelding.

## RACE 5 9:00 PM (R\$100,000) Kenilworth - 1600m

4 Doubling Up	33%	4 Doubling Up	1:38.08
	25%	9 Ponte Pietra	1:38.70

**Race Preview:** Good race and one which could be dominated by the 3yo brigade. Stable companions Doubling Up and Prevalence have acquitted themselves well in stronger post- maiden races so are likely to have a say in the finish. The latter appears the pick of the Snaith runners on riding arrangements but concedes weight to all and, as such, could be worth opposing with fellow 3yo Ponte Pietra who will appreciate the step up in trip and strip filter following a pleasing sprint comeback. Promising Montien is likely to make further progress after his maiden win over track and trip so should also be competitive.

5 Treasure Hunt	33%	9 Philosophise	1:25.04
	30%	5 Treasure Hunt	1:25.33

**Race Preview:** Desert Rose has rediscovered her best form in 2 starts during the Cape summer. She led all the way for a dominant win over 1600m last time and could repeat the feat cutting back in trip off a 5-point higher mark. Treasure Hunt beat that rival over track and trip 2 starts back and is 2kg better off so should fare better than she did in a stronger race last time. Shantastic arrives with good form over a shorter distance but could be looking for the extra now, so is likely to make her presence felt. Perfect Trust and Jam Jam are consistent and unlikely to be far off the action either. Good race!

4 Love Is A Rose	41%	6 Trip To Barberton	1:54.74

**Race Preview:** Hold My Hand was outclassed in a Grade 1 over track and trip last time but should find this a lot easier, and if running to the form of her Cape Fillies Guineas 4th will be hard to beat at level weights. Silverlinks got the better of Broadway Girl and Love Is A Rose in a recent meeting over 2000m. There won't be much between them on the revised terms and they're all capable of running into the money. Fun Zone, however, could emerge the biggest danger to the selection if effective going this trip.
