

RACE 1 7:50 PM | SAR50,000 | RIYADH | 1200m

1	HWURIYA	Consistent last season with two victories and two runner-up finishes. Warrants her place in this field and returns to the track for new owners.
13	NOT EVEN CLOSE	Highly tried mare who drops into a conditions race for the first time since January 2024. Shouldn't be discounted.
2	LADY SAFIAH	No excuses when third behind Hwuriya in a course-and-distance Open in February. Seemed to regress in three Taif runs this summer but has vital early speed.
16	BINT MOHAJDAH	Fair effort to finish second of 20 on her final start last season and begins this campaign with the potential to improve.

RACE 2 8:20 PM | SAR75,000 | RIYADH | 1200m

1	LE EYON AEZ	Takes a marked drop in grade and should be very competitive if she retains her ability from last season.
15	WASSL ALSALAM	Made a promising start to his career last season and has plenty of upside against this group if he improves on his comeback performance.
5	SHARQ DARFOOR	Two-time winner who improved for the return to Riyadh last month. Drops in grade and can't be discounted.
2	EJLALEYAH	Winless from seven attempts and clearly didn't stay 1600m here last month. Drawn to attack.

RACE 3 8:45 PM | SAR40,000 | RIYADH | 1400m

3	ALMASSOUM	Unraced Mo Town filly out of a US-bred mare who won three times. Cost \$230,000 and could make a winning start.
9	MAFKHARAH	Unraced Phoenix Of Spain filly out of an Irish-bred filly. Interesting debutante with top jockey on board.
16	SELMIYA	UK import who was a little disappointing on her local debut when sixth of seven last month. Might be helped by the drop in trip.
1	ALAMIRAH ALHANOOF	Stayed on well in the home straight to finish sixth of 14 over this course and distance last week. She will need to break better to compete.

RACE 4 9:15 PM | SAR40,000 | RIYADH | 1400m

8	ETIMADAT	Twice runner-up this season and appears ready to gain her elusive first success. Navigating her wide draw seems the difficult part.
6	BLNSYH	Looks like the horse to beat after two solid runner-up efforts at Taif this summer. Top rated but needs to prove that she can perform equally well here.
4	AZOZAH	Seven-race maiden who makes limited appeal on form. Jockey upgrade gives her a small squeak.
11	MOD'HERAH	Stayed on nicely for third in a 1600m maiden last time but is now winless in 11 outings.

RACE 5 9:40 PM | SAR50,000 | RIYADH | 1400m

7	GHARAMY	Two wins from eight starts, which includes a course-and-distance victory here last season. Should improve for her comeback effort.
5	BERNARD SHAW	Clearly top rated and has to be considered the horse to beat. However, his two Taif starts were a major cause for concern.
18	NOOR ALMADINAH	Reasonable effort to finish seventh of 20 over 1600m on debut last month. Has the tactical speed to sit prominently over this shorter trip.
1	ANTONIN DVORAK	Promising for former UK-based connections when winning two of his first three starts. Clearly struggled since switching to dirt for a new trainer.

RACE 6 10:05 PM | SAR40,000 | RIYADH | 1400m

2	FAYQ DH	Boasts a lofty rating thanks to a third-placed finish in Cup company in January. Not worthy of the mark but still the horse to beat.
14	TAMEH AL KHALEDIAH	Unraced Mayaas Al Khalidiah colt out of a useful local-bred mare. Catches the eye but will need to be above average to win.
8	QASWRAH ALQANON	Suddenly came to life last winter when third in a course-and-distance Open. Was that a fluke?.
5	M N SAREM	Showed signs of ability when third of 14 on debut over 1200m in January and has been highly tried since. Drops back into maiden company.

RACE 7 10:35 PM | SAR40,000 | **RIYADH** | 1400m

7	RIANA	Winless from 19 starts but runner-up here in a 1600m maiden last week and boasts the top official rating.
9	SWAR ALAMAL	Twice placed over longer distances last season (1600m/2000m) and might have needed her reappearance run seven days ago.
4	FAHDYAT AL KHALEDIAH	Plugged on to finish third of 11 over 1600m here last week. Place claims but needs to improve to win.
6	HANOUF ALSHAHAIB	Fourth of 20 in a 1600m maiden here in December. Should improve for her recent comeback effort.

RACE 8 11:05 PM | SAR120,000 | **RIYADH** | 2000m

5	AMEERAT ALZAMAAN	Champion two-year-old filly last year who returns to action and looks to protect her unbeaten record.
1	MAZYUNA	Classy performer with seven course victories, which includes three over this course and distance, to her name. Returns from a long break but boasts a class edge.
2	PRETTY FLAG	Runner-up in a course-and-distance Open here two weeks ago and clearly finding top form. Has won at Group 2 level in the past. Player.
7	THROUBI	UK import who should relish the return to Riyadh after failing to handle Taif's deeper surface.

RACE 9 11:35 PM | SAR40,000 | **RIYADH** | 2000m

9	MUAENIZ	Nine-race maiden but placed on six occasions and deserves to break through. Should relish the step up in distance.
4	CROWNED	Promising debut when third of 20 over 1600m here last month and would be tough to hold if he stays this new trip.
1	AAJBAK	Showed early speed but caught wide on the course on debut over 1400m last November. Needs more on the step up in trip.
8	MOTARAKIZ	Disappointing debut when eighth of 10 at Taif. That came in Open company, however, and this should be easier.

RACE 10 12:05 AM | SAR50,000 | **RIYADH** | 1800m

5	LIONEL	US import who ran a good third of 16 over 1600m two weeks ago. Should have improved for that spin and looks like the horse to beat.
1	ALABRAZ	Two-time course winner who proved he can fire fresh when successful first-time-up last season. Dangerous.
7	THARWAN	Off the mark at the seventh attempt when successful in a course-and-distance maiden two weeks ago. Now steps up in grade.
16	TAP THE ROCK	Unexposed Tapit colt who finished eighth behind Tharwan in a course-and-distance maiden two weeks ago. Room for improvement.

RACE 11 12:30 AM | SAR75,000 | **RIYADH** | 1600m

8	HAMMZAH	Unexposed performer for leading connections. Open to improvement now that he drops back in trip.
6	ALAJWAH	Runner-up in an 18-runner 0-70 handicap over this course and distance two weeks ago. Big player on that form.
4	WALAD CHROME	Four-time winner who can be hit and miss. Big miss last time out but now takes a notable drop in grade.
10	YA'KHAYELHOM	Thrice-raced maiden who has finished behind classier types than he will encounter in this contest. Leading candidate.

RACE 12 12:55 AM | SAR40,000 | RIYADH | 1600m

4	ALHISHAM	Unraced Game Winner colt out of an unbeaten US-bred mare. Cost a whopping \$400,000 when purchased in May.
7	ANASHHAD	Solid performances for former trainer Roger Varian in the UK prior to moving locally. Rated 83 but needs to prove he handles dirt.
14	THENAYAAN	Unraced Sioux Nation colt out of a UK-bred mare. Pedigree screams sprinting so this may test his stamina.
6	ALSABEA	Not disgraced when second of 12 in a 1600m conditions event at Taif in September. Place contender.
