

RACE 1 8:30 PM | SAR40,000 | RIYADH | 1400m

15	MUTAKELAH BALLAH	Ran respectably on two starts in 1600m maidens here this season. Should be benefited by the drop in trip and looks like the horse to beat.
11	FALWAT ALROOH	Unraced Pirandello filly out of an unraced local-bred mare. Interesting jockey booking on debut.
16	NAKHWAH	Experienced filly who was placed over 1600m on her penultimate outing. Has the quality to get involved but is beginning to look exposed.
4	ANA RAGHAD	Turf-bred filly who produced a career-best performance when fourth of 20 over 1600m here last month. Clear place claims on that evidence.

RACE 2 8:55 PM | SAR50,000 | RIYADH | 1400m

4	ALBESHEEREYAH	Lightly raced mare whose sole success came over 1800m in February 2025. Rounding into form after a long layoff.
1	ETIMADAT	Two-time winner, including once over course and distance. Sixth of 14 here last month on a muddy track and may fare better in these conditions.
7	HAIBAT ALMIDAN	Potential improver on the back of her maiden victory over course and distance three weeks ago. Lightly raced and not without a chance.
14	FAY ALMOGHSTARAH	Nine-race maiden with some credentials on her recent performances. Needs to improve, but she represents leading connections and may have more to come.

RACE 3 9:20 PM | SAR65,000 | RIYADH | 1600m

1	MATCHO NAJD	Improving colt who made up significant ground in the homestraight over 1200m last time. Drops into handicap company over a longer trip and should go close.
9	MUSTAHSAN	Well-bred colt who ran well on his first three starts before disappointing in a Cup race here last month. Not without a chance now that he drops in grade.
2	MOTH'HEN	Isn't a particularly strong stayer over this trip, but has placed over course and distance in maiden company and can't be discounted off this opening mark.
3	KHAT ALHAYA	One-paced performer who remains unexposed after just two outings. Fourth of 17 in a conditions race over track and trip last time and now enters lowly handicap company.

RACE 4 9:50 PM | SAR85,000 | RIYADH | 1600m

1	WALAD	Finished a never-nearer second in a weak course-and-distance Open in November. Disappointing in Cup company last time but must have strong claims in this field.
4	RABEGH	Yet to win in seven attempts but he ran with some promise when second of 17 over track and trip two weeks ago.
5	NAAWI	UK import who finished a tired fifth of 20 over 1400m here last month. Has the quality to win a race but his stamina might not last over this trip.
3	MONAFES	One-paced miler with solid form at maiden level over shorter distances. Could be a place candidate off this mark.

RACE 5 10:15 PM | SAR100,000 | RIYADH | 1200m

10	MASHOQAT DILHAM	Unraced Farae Al Khalediah filly out of an unraced local-bred mare. Leading jockey chooses her over others.
8	RIQ ALBANAT	Unraced Jabal Al Khalediah filly out of an unraced UAE-bred mare. Her trainer has been in good form lately.
6	HAZIMAT ALNAQWAH	Unraced Lazaz Al Khalediah filly out of a 45-rated mare. Connections won a similar race on this card last year.
5	GHAZALAH ALAMMAL	Unraced Next Sakbe filly out of a 57-rated local-bred mare who failed to win in six starts. Good jockey booking.

RACE 6 10:45 PM | SAR100,000 | RIYADH | 1400m

3	WARED AL SENGAR	Two-time winner who was last seen finishing fifth of 12 in a Listed contest over 2000m at Taif in September. More than capable of winning this if he's fit.
7	ATAALLAH AL KHALEDIAH	One-time promising type who won an Open at Taif in 2022. Hasn't been seen on the track since July 2023 and has major fitness concerns, but his backclass gives him claims.
5	HADID	Course-and-distance winner despite appearing to want a greater test of stamina. Not without place claims but unlikely to win.
2	SHAHED GOODAH	Unexposed colt who made a winning debut on this card in January 2024. Only one win from nine subsequent starts and he is better suited by longer trips these days.

RACE 7 11:15 PM | SAR100,000 | RIYADH | 1600m

1	DAIGHAM AL KHALEDIAH	Beat Suwaity Khaled Al Khalediah by two-and-a-half lengths over course and distance last month. Same terms and should confirm the form.
3	SUWAITY KHALED AL KHALEDIAH	Eight-time winner who should struggle to reverse recent form with Daigham Al Khalediah given he had no excuse off the front four weeks ago.
5	TUHAMIYAT AL KHALEDIAH	Last of five behind Daigham Al Khalediah and Suwaity Khaled Al Khalediah last time out. Might have to settle for third place here.
4	MARIA SIALA	Unraced Husam El Sahraa mare out of an unraced local-bred mare. Unknown quantity but will need to be well above average to contend.

RACE 8 11:45 PM | SAR100,000 | RIYADH | 1200m

1	BASEQ AND BAKE	Speedy US-bred entire who won a 1400m Open here in October. Looks tough if he gets an easy lead in this weak field.
4	JADE DE FAUST	Chief rival of Baseqm And Bake, and beat that rival in Taif in September over 1200m. Will be motoring late but can she catch the runaway leader?.
6	ATHYAH AL GHURAIFA	Five-race maiden who produced a career-best performance to take fourth of 18 here last time out. Could be vying for third place.
2	MUBAREZ AL SHAHANIA	Yet to win in 24 starts and saves his best efforts for Taif these days. Best placing possible might be third.

RACE 9 12:15 AM | SAR100,000 | RIYADH | 2000m

8	JALMOOD	Strong traveller who won on this card last year and seems to be rounding into form once again based on his recent runner-up effort at this level.
1	BIN AL TAIR	Four-time winner whose last win came almost exactly a year ago. That was in a 70-85 handicap, so he has clear claims on his back form. Carries his tail at an awkward angle.
3	THAYER ATHBAH	Fallen down the weights to an attractive mark and entices the leading rider to take the mount. Debuts for new connections.
5	NAYAR ATHBAH	Veteran stayer who has run respectably in two starts for this trainer. Not without a chance off a career-low mark.

RACE 10 12:40 AM | SAR100,000 | RIYADH | 2400m

1	RABAH GOODAH	Course winner who finished second of 18 in Open company on his sole try over this trip. A repeat of that would be more than good enough.
2	JOY DE MONTEGUT	Three-time winner, the latest of which came in a 2000m conditions event here in October. Not without a chance off this mark.
6	AL HEMROOR	Qatar import with winning form over 2000m from last January. Plundered a 0-75 handicap in November and now makes local debut.
4	MADKHOOR	Just one win from 24 starts, but he stays this far and will pick a few of these off late.

RACE 11 1:05 AM | SAR100,000 | **RIYADH** | 1200m

1	ALANOOBRD F	Six-time winner who plundered this race last season. Hasn't won since, but warmed up for this by finishing seventh of 10 in an Open last month and is now just 4lb higher than 12 months ago.
8	MAESTRO DU CROATE	Unexposed colt who has finished third on his last three starts. Stacks up well with this group and might have more to come.
2	MUBASHIRAT ALHASIN	Prolific filly who won at this meeting last season over 1600m. Rarely drops down to sprinting trips so this is a bit of an unknown.
3	QASWRAH ALQANON	Yet to win in eight starts and unduly punished by the handicapper for finishing close-up in stronger races. Place candidate but unlikely to win off this mark.
