

RACE 1 8:35 PM | SAR40,000 | RIYADH | 1200m

18	WATTFAH	Fourth of 13 in an Open race on debut at Taif in September, and followed that with a fair third-placed finish in a 1400m maiden here. Pitched in the deep end in Cup company two weeks ago and should be able to finally win now dropped in grade.
15	SELMIYA	Seven-race maiden who possesses the best form in this field. Placed in conditions and Open races on her last two starts and should go close now dropped into maiden company.
17	TULIN	Inconsistent filly who might be better than what we have seen thus far. Caught the eye when fifth of 17 over course and distance last month and has drawn well here.
9	LIQAAT	Speedy filly who faded to finish second of 17 in a 1400m maiden here two weeks ago. Could be dangerous off the front.

RACE 2 9:00 PM | SAR50,000 | RIYADH | 1200m

12	NAAMOS	Yet to win in six outings but clearly boasts a good level of ability. Caught the eye when fifth of 17 over course-and-distance in November and should stay on powerfully.
1	AL QOUZ	Course-and-distance winner who has finished second in Open and conditions events on his last two outings. Should be well matched against this field and must go close.
4	ALDHAAK	Blazed early speed before weakening over 1400m here two weeks ago. Needs to improve to figure, but has drawn better and should like this minimum trip.
8	ERBIL	UK import who is beginning to look exposed after seven defeats. Second of 20 behind a talented rival over 1400m on his penultimate outing so cannot be dismissed.

RACE 3 9:25 PM | SAR120,000 | RIYADH | 1200m

4	MUMTERAH	Three-time scorer who plundered a course-and-distance 0-75 handicap here three weeks ago. Similar profile to Makthorh but slightly stronger over this trip.
6	TAKFEEK	Top-rated filly in this field but she has only been seen twice this season and disappointed her last time out. Not one for maximum faith but an obvious form player.
3	MAKTHORH	Made every yard to win a conditions race over course and distance two weeks ago. Likely to show early speed but could set it up for a closer.
1	AEBAAB ALMOOJ	Trip versatile with wins over 1200m, 1400m and 1600m. Plundered a 0-75 handicap here last month but disappointed in this grade last time.

RACE 4 9:55 PM | SAR75,000 | RIYADH | 1400m

1	YEARD ALROOH	Disqualified after winning on debut over 1400m at Taif in August. Second on both of his subsequent outings and should go very close now entered in handicap company for the first time.
2	BASMAT ALMUHAMADIH	Fifth of 10 in a course-and-distance Open here two weeks ago. Drops down the class ladder and gets the leading rider onboard for the first time. Interesting.
6	MOTAFIA'ELAH	Inconsistent type who seems better over sprinting distances. Should have solid claims off this mark from a good draw.
4	GHOLAM	Runner-up in a 0-60 handicap over 1600m here last week. Seems in good form but hit with a 6lb rise for that effort.

RACE 5 10:20 PM | SAR85,000 | RIYADH | 1400m

1	BA'AMRAK	Sole victory came in a 1400m maiden at Taif in September. Used as a pacemaker in Group 1 company last time, and now returns to a respectable level. Pushes all of his rivals out of the handicap.
3	YAQOTIYAH	Nailed in the final few strides when fourth of 18 in a course-and-distance maiden last week. Biggest threat to Ba'amrak here. Races from 8lb out of the handicap.
2	MOHKAMH	Course winner over 1200m in a weak maiden in December. Disappointing since and unproven over this trip. Races from 3lb out of the handicap.
4	JABAL ALKOOR	Six-race maiden who finished third of 17 in a course-and-distance 0-65 handicap here two weeks ago. Races from 13lb out of the handicap.

RACE 6 10:50 PM | SAR50,000 | RIYADH | 1400m

2	HAJAAN	Two-time winner over 1800m this season. Disappointing in Cup company last time but should be favoured by this drop in grade. He will be staying on powerfully late.
11	ARTAJIL	Returned from 10 months on the sidelines to run out an easy winner of a course-and-distance maiden two weeks ago. Interesting contender at this level.
6	ABU ALOSSOOL	Improved dramatically since joining this stable and got off the mark at the seventh attempt over course and distance last month. Could be better than his rating suggests.
5	SHOQAB	Both victories have come over longer distances (1600m/1800m) and he was surprisingly weak in the finish over this trip three weeks ago.

RACE 7 11:20 PM | SAR50,000 | RIYADH | 1400m

5	JEMER	Unlucky to be denied when second of 20 in a 0-80 handicap here two weeks ago. Must have a big chance over this shorter distance.
1	ALRAMZ	Highly tried colt who rallied well from off the pace to win a 0-75 handicap here in October. Unable to repeat that performance since, but is well matched against these rivals.
15	MOTAWAHIJ	Six starts in the UK and only recorded one success. Bred for dirt, so no problem with this surface, and now debuts for leading local stable.
8	TARAHEEB	Both career successes have come over further (1600m/2000m) and his stamina came through when he beat Jemer here two weeks ago. 7lb worse off with that rival now.

RACE 8 11:50 PM | SAR40,000 | RIYADH | 1400m

13	AHMAS	Speedy type who finished third of 11 in a 1600m Open here last week. More than capable of taking this.
6	NAFS ALAMAD	Third of 14 in a 1200m 0-70 handicap here last week. Doesn't need to improve much on that display to go close.
14	ALMIQDAM	Interesting pedigree and could be open to drastic improvement. Only 10th of 18 on debut at Taif in August, but that came in a much better race than this.
10	SITAY ALSAQRA	Career-best effort when fourth of 16 in a 1600m Open at Taif in September. Major player on that form but hasn't been seen for four months.

RACE 9 12:20 AM | SAR40,000 | RIYADH | 1400m

3	AMWAJ AL BAHAR	Runner-up to a classy rival in a 70-90 handicap here last week over 2000m. More than capable of winning if she doesn't find this trip too sharp.
10	NOURAH DH	Second of 14 in a handicap over 1200m here last week. Place candidate if staying this longer distance.
21	SWAR ALAMAL	Winless from 12 starts but has placed on her last three outings and she might find herself on the podium again. Reserve.
20	SULTANAT BARZAN	Plugged on at the same pace to finish sixth of 11 in a 1600m Open last month. Now drops in grade and trip.

RACE 10 12:45 AM | SAR150,000 | RIYADH | 1400m

4	ELEGANT CHAMP	Finished well to take third of 15 when last seen in a 1200m maiden. Should improve for the extra distance and may be tough to hold.
3	DHAWI ALBARQ	Yet to win in nine outings but clearly boasts enough ability to win a race of this nature. Should go close as he drops in grade from Cup company.
2	AZIZ FAHAD	Stayed powerfully when second of 18 in a 1600m maiden here two weeks ago. Could pass tired rivals late.
8	MASHAKELL SEVEN	Caught the eye in two conditions races in September and October when third and fourth respectively. Disappointing last time out over course and distance but makes more appeal than most.

RACE 11 1:10 AM | SAR50,000 | RIYADH | 1800m

2	IBN ALWALEED	Made a winning debut over 1600m in November. Had to battle to beat a 61-rated rival, but he is open to infinite improvement and should be tough to deny here.
18	WALAD	Second of six in a 1600m Open here in November. Well beaten in Cup and handicap company since but has relatively strong form.
1	ALWATHEG	Outbattled a talented rival to win a 1600m Open at Taif in September. Winless at this venue for his new trainer, and this trip may stretch his stamina.
4	ALBAHAR AL AHMAR	Unraced Connect colt out of an unraced US-bred mare. Cost \$65,000 and now makes his debut.
