

**RACE 1** 9:00 PM | SAR120,000 | **RIYADH** | 1400m

|    |                     |                                                                                                                                      |
|----|---------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| 2  | BASEQM AND BAKE     | Excellent form with top 3 finishes in recent 1200m Open races; strong 2nd on Sep 26 suggests promise stretching to 1400m 4YO+ class. |
| 12 | HM ALNASSERALLAH    | Consistent recent top 3 form at 1600m Open and 4YO, drops to 1400m 4YO+. Looks well suited for today's class and trip.               |
| 9  | TAWAAQ AL KHALEDIAH | Recent 1200m Open race 3rd; previous 1400m 4YO+ win highlights proven form at this trip, steps back up in class but distance suits.  |
| 4  | ICHAN DE BOZOULS    | Strong recent 1st at 1400m Open race, proven at this distance; needs to handle rise in class to 1400m 4YO+ race.                     |

**RACE 2** 9:25 PM | SAR60,000 | **RIYADH** | 2000m

|    |                        |                                                                                                                                  |
|----|------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| 5  | MLATEM ATHBAH          | Ran 3rd over 2000m 4YO+ in February and strong 2nd at this distance; proven at the trip and suited returning to 2000m 4YO+ race. |
| 1  | HAFEED AL KHALEDIAH II | Consistent top 3 finishes at 2000m and 1600m 4YO+ suggest readiness to compete strongly again at 2000m 4YO+ class.               |
| 15 | RAMZ GOODAH            | Runner-up in 2000m 4YO+ race on 28 Feb suggests this distance and class suit, could figure prominently with similar effort.      |
| 11 | RAAD AL SENGAR         | Consistent recent runs over 2000m in Open class; stepping into Class 2000m 4YO+ with scope for improvement.                      |

**RACE 3** 9:55 PM | SAR40,000 | **RIYADH** | 1200m

|   |               |                                                                                                                                  |
|---|---------------|----------------------------------------------------------------------------------------------------------------------------------|
| 9 | MUHAB ALHEJAZ | Likely to play a role.                                                                                                           |
| 2 | ABSHER W SAM  | Strong improvement needed; unplaced in recent 1400m 2YO and 1400m Open Race, now cuts back to 1200m Maiden.                      |
| 3 | ADHEHAM       | Recent 1200m Maiden race; significant improvement needed after unplaced finishes at both 1200m and 1600m in lower class maidens. |
| 7 | KAFYAR        | Recent 1200m Maiden race marks a fresh try after a long break; big improvement needed from July's 8th in 1400m Maiden.           |

**RACE 4** 10:20 PM | SAR120,000 | **RIYADH** | 1200m

|   |              |                                                                                                                                                           |
|---|--------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| 3 | FUT'HAL      | Strong winning record at 1200m Open class, returns after a break; proven at the distance but big improvement needed up in class for this 1200m 3YO+ race. |
| 1 | JAHDOON      | Strong 1400m 4YO wins in March and February, 3rd win at 1200m 3YO last December; rises in class, but distance suitability proven.                         |
| 2 | SAODAD       | Consistent over 1200m, multiple strong Open class runs in August; suited by distance, needs improvement for 1200m 3YO+ class rise.                        |
| 6 | SAIF ALHIJAZ | Strong 1st at 1200m 4YO+ in March, effective at this distance; meets higher grade 1200m 3YO+ race now, so further improvement required.                   |

**RACE 5** 10:50 PM | SAR120,000 | **RIYADH** | 1200m

|   |              |                                                                                                                                        |
|---|--------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1 | MUQTAHEM     | 1200m 3YO+ race suits proven performer with recent Open class 1st; arrives in top form, consistently placing Top 2 at this distance.   |
| 3 | ALFAISALEYAH | Strong recent 3rd in 1400m Open race; two top 3s at 1200m suggest suitability returning to this distance for the 1200m 3YO+ race.      |
| 2 | MOADHD       | Proven over both 1200m and 1600m, latest 4YO+ wins highlight strong recent form; steps into 1200m 3YO+ class seeking further progress. |
| 8 | WAFEE        | Strong 1st in 1400m Open race in March; proven at 1200m, meets similar class and distance, set to compete well again.                  |

**RACE 6** 11:20 PM | SAR40,000 | **RIYADH** | 1400m

|    |             |                                                                                                                          |
|----|-------------|--------------------------------------------------------------------------------------------------------------------------|
| 16 | SSAR RAAKH  | Likely to play a role.                                                                                                   |
| 8  | GALB ALRAAD | Watch betting.                                                                                                           |
| 14 | SAUDI GUAPO | Smart newcomer and watch the betting odds.                                                                               |
| 2  | ALMALAZ     | Closed off late for 4th over 1400m 2YO race on Sep 20; steps to 1400m Maiden, looks suited dropping from stronger class. |

**RACE 7 11:50 PM | SAR95,000 | RIYADH | 1400m**

|    |                   |                                                                                                                                                    |
|----|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| 7  | COMMANDING PRINCE | Placed 2nd twice over 1600m in July and May, also a 3rd over 1600m; proven at 1400m, needs to lift for this class rise.                            |
| 8  | TRIDENT           | Two consecutive 1st over 1400m including 10 October suggests strong form at this distance; steps up to 1400m Handicap, needs to handle grade rise. |
| 11 | HOR ALMUHAMADIA   | Strong claims after 1st in 1400m 3YO race in March; testing higher class but suited at this distance.                                              |
| 15 | NEVER BETTER      | Noted for multiple top 3 finishes over 1600m, now drops to 1400m Handicap; distance change could spark further improvement.                        |

**RACE 8 12:20 AM | SAR85,000 | RIYADH | 1400m**

|   |                  |                                                                                                                                    |
|---|------------------|------------------------------------------------------------------------------------------------------------------------------------|
| 4 | OKHT SAHAM       | Placed 2nd at 1200m 3YO race in January; rises in class and distance after earlier Maiden win, so must improve for 1400m Handicap. |
| 1 | ALBAAZ ALASH HAB | Runner-up in 1400m 3YO race in August; needs to improve on poor Open class form for this 1400m Handicap.                           |
| 3 | MUTAFEF          | Produced a strong 1st at 1600m Maiden in August; proven at this trip, but improvement needed now up to 1400m Handicap class.       |
| 5 | WAFYAT A'AHID    | Recent 1600m 3YO race 3rd on Sep 19, back to 1400m Handicap; needs improvement but drops in distance for a fresh test.             |

**RACE 9 12:45 AM | SAR85,000 | RIYADH | 2000m**

|   |                |                                                                                                                                             |
|---|----------------|---------------------------------------------------------------------------------------------------------------------------------------------|
| 7 | LAGHARAABAH    | Stepping up to 2000m Handicap after a 1st over 2000m 4YO race in January; big class improvement required.                                   |
| 6 | HAMMZAH        | Strong 3rd in 1600m 4YO+ on Aug 23 signals potential for 2000m Handicap, though improvement needed from recent run at this distance.        |
| 5 | ALHAAF ALHAMAR | Runner-up over 2000m 4YO in January signals ability at the distance; steps into 2000m Handicap seeking to build on that strong recent form. |
| 1 | SIMON          | Strong 1st over 1600m 4YO+ race in late September; steps back up to 2000m Handicap needing to prove stamina in this tougher class.          |

**RACE 10 1:10 AM | SAR130,000 | RIYADH | 1800m**

|   |             |                                                                                                                                       |
|---|-------------|---------------------------------------------------------------------------------------------------------------------------------------|
| 5 | TAHZEEM     | Back-to-back 1st in 1800m and 1600m Open class races in March signals strong claims in this 1800m 4YO+ race.                          |
| 3 | LELAH DOROH | Strong 1st at 1600m Open race in August and proven at 1800m 4YO+ class; steps up in distance, form holds appeal.                      |
| 7 | ABO JANA    | Consistent 1800m 4YO+ top 3 finishes in January suggest genuine prospects returning to this distance and class.                       |
| 6 | THALEEK     | Resumes at 1800m 4YO+ after winning at this class and distance in January, but recent form suggests significant improvement required. |

**RACE 11 1:40 AM | SAR95,000 | RIYADH | 1800m**

|    |                |                                                                                                                                                   |
|----|----------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 3  | FAAL KHAIR     | Placed top 3 in recent 1600m Open races; prior 1800m and 2000m 3YO wins show solid distance form for this 1800m Handicap.                         |
| 15 | ALRAHY         | Progressive type up in distance, strong 1st in August over 1600m Maiden, now tests 1800m Handicap. Needs to lift for class rise.                  |
| 8  | ALMOSALHEMAH   | Solid 4th over 1600m 4YO+ on September 26; recent 1st and 2nd at similar trip suggest 1800m Handicap suits, needs to lift in higher class.        |
| 9  | MALOOK ALENAYE | Recent 1800m Handicap assignment after February top 3 finish and win over similar distance; rises from lower class, but trip is clearly suitable. |

RACE 12 2:05 AM | SAR40,000 | RIYADH | 1600m

|    |               |                                                                                                                                               |
|----|---------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| 16 | Taweel Shboor | Consistent top 3 in recent 1400m–1600m Maiden races; proven at 1600m, looks ready for another strong 1600m Maiden race effort.                |
| 7  | Bono          | Consistent form at 1600m Maiden, placed 2nd and 3rd in September and August, holds strong prospects stepping out again in similar conditions. |
| 13 | Saif Albalad  | Placed 3rd over 1600m Maiden on 20 September and 2nd over 1400m 2YO earlier; progressing well for another 1600m Maiden test.                  |
| 19 | Tho Alwajah   | Latest 1600m Maiden shows experience at this trip; 1400m Maiden 3rd in August suggests ability to handle today's distance and class.          |
