

RACE 1 8:40 PM | SAR45,000 | RIYADH | 1200m

3	AEB TTAAN	Unraced Too Darn Hot colt out of an unraced Shadwell mare. Interesting debutant for leading connections.
1	JARAS	Impressive all-the-way debut winner over course and distance last month. Only fifth in Open company last time but he possesses loads of early speed and could be dangerous.
11	NAAWI	UK import who looked in need of the run on local debut here last week. Quickly returns to the track and could be dangerous from a good draw.
14	SALMAN ALMUHAMADIA	Never involved when 14th of 15 in 1400m maiden on debut. Hindered by a wide draw but may not have the necessary talent to win.

RACE 2 9:05 PM | SAR75,000 | RIYADH | 1200m

3	AURAL	Course-and-distance winner who placed in a similar contest to this over 1600m on her penultimate start. Clear claims from the inside gate.
9	LA'AJL THATEE	Five-time winner who appears to be rounding back into form based on her recent fourth-placed finish in a higher grade. Major player if she gets pace to chase.
4	HASNA'A ALAEREDH	Dual Taif scorer who is yet to win here. Exclusively campaigned over longer distances since December but has enough early pace to be effective.
6	NASEER ALENAYA	Course-and-distance scorer back in February in 0-65 company. Solid efforts so far this season and not without a chance here.

RACE 3 9:35 PM | SAR150,000 | RIYADH | 1200m

6	JAHDON	Strong at the finish when landing a course-and-distance Open last month. Seeks his fourth consecutive victory and should be tough to beat.
13	SAODAD	Runner-up to Jahdon over course and distance last month. Extremely prolific with 21 wins from 55 starts and it's possible that he can reverse the form.
2	FALAH ZAIN	Improving colt who couldn't match the highly talented Motathabetah over 1600m a fortnight ago. This trip is more suitable but he has work to do on ratings.
4	FUT'HAL	Four wins from seven starts and remains thoroughly unexposed. Disappointing when last of seven in an Open last month and now has something to prove.

RACE 4 10:00 PM | SAR40,000 | RIYADH | 1400m

4	CROWNED	Third of 20 on debut over 1600m last month. Didn't stay 2000m last time after setting the pace, but should fare better over this shorter distance.
18	HAIBAT ALMIDAN	Runner-up in two sprint maidens last autumn. Off the track for the last 12 months but should play a role if fit.
3	ALBORJWAZEI	Plugged on to finish fifth of 18 over 1200m here three weeks ago. Not without place claims in a weak race of this nature.
17	YAKFEHOM	Not one of the leading lights for these powerful connections but has shown a modicum of ability thus far.

RACE 5 10:30 PM | SAR165,000 | RIYADH | 1800m

1	BADR ALSAMAWI	Placed in both the Group 1 King Abdullah Cup and Group 1 King Abdulaziz Cup last season. Last seen finishing fifth in the Saudi Derby. Makes his seasonal return.
3	WANAAMEEN	Fourth in the Group 1 King Abdullah Cup last season, one place behind Badr Alsamawi. Last seen at Taif in September when successful over 2000m. Stamina is his strong suit.
6	EVEIN	Unbeaten in two starts and now debuts for new connections. Beat a subsequent winner in Aela Mahlek last time out.
2	SSAHAFI	Finished behind Badr Alsamawi on a few occasions last season but has race fitness on his side after a recent third-placed finish in a 1600m Open.

RACE 6 11:00 PM | SAR75,000 | RIYADH | 1400m

2	MAEYEEY	Found plenty for pressure when he made a successful winning debut over this course and distance. Major player.
1	ALKLOTHANI	Didn't stay 1600m on debut after making the running. Duly made amends when dropped to 1200m last time and now connections opt for an intermediate distance.
9	BINHAAS	Unraced Larchmont Lad colt out of a US-bred mare. Intriguing debutant for leading connections.
11	MOA'WEDHOM	Placed in maiden and conditions contests at this track recently. Highly tried at Taif prior to that and can't be dismissed.

RACE 7 11:30 PM | SAR165,000 | RIYADH | 1800m

11	YAROA	Lost his unbeaten streak when pegged back in the final strides over course and distance last month. Should strip fitter for that race and is clearly the horse to beat.
3	HAFEDHK ALLAH	Emphatic winner of a course-and-distance Open here two weeks ago. Likely to be ridden aggressively again and has leading claims.
10	SALFAN	Returned to something like his best when he took a 1600m Open in March. Only seen once this season and needs to improve on that effort to win.
1	ALMOBEER	Classy stayer who won two Cup races last season. Returns from nine months on the sidelines but has won fresh before.

RACE 8 12:00 AM | SAR60,000 | RIYADH | 1600m

10	BUON VIAGGIO	Fourth of 20 in a course-and-distance conditions event last month and not disgraced in Cup company last time. Place candidate.
9	AMPHIUS	Didn't appear to stay 1800m here earlier this month. Prior efforts give him a chance but he's clearly a better horse on turf than on dirt.
2	CUBAN TIGER	Smart UK import with clear claims on talent. He didn't show a liking for dirt on his local debut in January, though, and now returns from 10 months off.
1	MASHHUR	Precocious colt who hasn't trained on since winning three times in his juvenile campaign. Readily beaten in a 0-90 handicap over 2000m last time and now drops in trip.

RACE 9 12:25 AM | SAR40,000 | RIYADH | 1800m

12	NASEEM ALTTEEB	Stayed on takingly over 1400m on debut two weeks ago. Deserves another chance over this longer trip. Could be the horse to beat.
13	SHADOW	Long-standing maiden with solid form without winning. This is another good opportunity to hit the frame.
6	EXPO ALRIYADH	Winless from 14 attempts and will be vulnerable to unexposed rivals. However, he boasts a fair level of form and cannot be discounted.
2	ALDHOO ALLAMAE	Twice placed in 1600m maidens here including last time out. Knocking at the door and not without claims once again.

RACE 10 12:55 AM | SAR1,500,000 | RIYADH | 1800m

13	NIREHAZZ	Lightly raced and smart stayer with three victories from six starts. Third in the Group 1 Obaiya when last seen in February and has to be considered.
12	NAJEEB ALZAMAN	Exceptionally talented performer with nine wins from 14 outings. Rates the horse to beat in this field despite making his first start for eight months.
17	BINT GHALIAT AL KHALEDIAH	Runner-up to the brilliant Tilal Al Khalediah in a Listed contest at Taif in September. Leading player on that evidence.
14	SAIF BARZAN	Improving colt who stayed on well to finish third behind Foo De Pine and Hashem over 1600m last month. Uncertain to stay this trip.

RACE 11 1:20 AM | SAR75,000 | RIYADH | 1600m

5	ABOU NADA	In great form this season with two wins and two places. Third of 16 in a 0-75 handicap last week and has a good chance if he returns in the same vein.
15	RAFRAF YA'AELAM	Strong stayer with winning course-and-distance form. Seventh of 19 in this grade last month but now drops down from 2000m.
13	YAFael	Unexposed colt who won a course-and-distance maiden in January. Last of 10 in a 0-75 handicap on his seasonal reappearance and needs to improve.
2	IBN HADHBAAN	Six-time winner who has fallen down the weights and should be competitive in this company.

RACE 12 1:45 AM | SAR85,000 | RIYADH | 2000m

1	AL SUWEIDA	Racked up consecutive handicap victories here over 1600m/1800m in the spring. Remains 2.27kg higher in the weights than for the latter success despite Taif disappointments this summer.
8	TARWA MADISON	Course-and-distance winner who is falling down the handicap. Dropped 1.8kg for a poor display here last month and could place.
9	BIN AL TAIR	Struck in a 70-85 handicap over track and trip in January. Shaped well in three Taif starts this summer and could go close.
15	NAAME	Placed over course and distance in January and might have more to come. Ran respectably over an inadequate trip on his return last month.
