

RACE 1 6:20 PM | 75,000 | **VAAL CLASSIC** | 1500m

5	MADAME POMPADOUR	Runner-up in recent Class MWHF 1400m suggests capable of another strong race at this class and distance.
3	LADY BLUNT	Runner-up in Class MD3F-3 over 1400m in August; stepping up from maiden grade and faces stronger Class MWHF test now over 1500m.
2	GENOVEFA	Has not placed in the top-3 in recent performances and needs to show major improvement over 1500m in this Class MWHF race.
7	AMERICAN SOCIALITE	Needs big improvement after recent efforts; faces the Class MWHF 1500m race with plenty to prove over this class and distance.
4	FRANGIPANI	Runner-up in Class MDNF-2 over 1400m in August signals promise; steps up in distance, requires further improvement stepping into higher class for this 1500m race.

RACE 2 6:55 PM | 80,000 | **VAAL CLASSIC** | 1500m

7	BELLA BOOP BOOP	Placed 3rd in Class MWHF-1 over 1400m in July, now back up in class and distance; needs improvement to threaten in this Class MDHM.
2	WINDS OF GRACE	Consistent top-3 finishes at 1400m-1450m in lower class suggest potential for another positive run stepping up to Class MDHM over 1500m.
5	DONDOYAKI	Recent top-3 finishes over 1000m in lower class suggest potential, but stepping up to Class MDHM and 1500m demands improvement.
6	TRIP TO STATES	Runner-up twice at 1300m and 1400m in Class MDWM-1 and Class MDHM-3; can shape well dropping to 1500m in this Class MDHM assignment.
3	GREENLIGHT RACER	Delivered a promising 3rd in Class MDNM-3 over 1400m in June; steps up to Class MDHM, so extra distance might suit despite grade rise.

RACE 3 7:30 PM | 100,000 | **VAAL CLASSIC** | 1000m

2	DEAL MAKER (GB)	Consistent recent 2nd placings in Class FM76 and MR72 over 1000m suggest ready for a competitive Class CLAM 1000m race.
4	THE NAVY LARK	Solid 3rd over 1000m in Class FM76-9 on July 31; headed to Class CLAM now and tackling similar distance for this race.
3	FAITHFUL NEO	Returns to Class CLAM 1000m following a recent Class FM79-7 1000m win; grade rise but proven speed at this distance.
5	LONELY AS A CLOUD	Scored 1st in a 1000m Class MR66-7 win on July 17; now faces a tougher race in Class CLAM.
6	SUMMER SHADE	Recent Class Mdn 1st at 1000m suggests growing ability; interesting for this Class CLAM 1000m race despite grade rise.

RACE 4 8:05 PM | 120,000 | **VAAL CLASSIC** | 1200m

2	FULLY LOADED	Consistent strong form with several recent Class MIDD and MR96 top-3 finishes; proven over 1200m, capable of handling this MR84 class race.
3	ABOUND	Notable Class MR82 top-3 finishes in March and February over 1200m signal potential to compete well if recapturing that form in this Class MR84 race.
7	BIOFARMER	Showed good speed when 3rd in recent Class MR84 over 1200m; can be competitive again over this distance.
5	LONGSWORD	Notable Class MR80 1st over 1160m in January, now rising in class and distance for this Class MR84 1200m race; improved racing test.
9	HEMISPHERE	Barial winner in Class MDRM over 1000m in March, recent consecutive Class top-3s over sprint distances suggest strong prospects rising to Class MR84 over 1200m.

RACE 5 8:40 PM | 120,000 | VAAL CLASSIC | 1600m

3	OPEN HIGHWAY	Recent Class MR84 1st signals strong form and proven ability at 1400m, now stepping up to 1600m in same class for another competitive race.
1	HONG KONG	Comes off a 2nd in Class F100-8 over 1600m in July, now seeks to prove up to the test at Class MR84.
6	EIFFEL TOWER	Runner-up in Class MR96-8 in May, earlier Class MR74-10 win suggests class rise, could improve over 1600m in this Class MR84 contest.
5	KING OF NUMBERS	Multiple Class MR82/MR80 top-3s in May and July suggest competitiveness at this distance; ready for the Class MR84 1600m race.
2	SALUTE THE FLAG	Recent Class MR82-5 3rd over 1600m signals ability for this Class MR84 test; last win was in lower Class NOVH—must improve for this grade.

RACE 6 9:15 PM | 140,000 | VAAL CLASSIC | 1600m

6	OBSIDIAN	Dual recent wins at Class MR82 and MR84 mark out strong form; faces a tougher Class M100 1600m race and grade rise but merits serious respect.
7	JURY'S OUT	Recent Class MIDD-7 1600m Top-3 finisher steps up to Class M100, facing a stronger race but brings proven form over this distance.
5	MASTERSHIP	Runner-up in Class PRGM-8 over 1600m last September; taking on higher class now, needs a big improvement for another bold show.
1	SOLDIER'S EYE	Won Class FM94-5 over 1600m in April; now rises in grade for this Class M100 1600m race, needing to prove up to the higher class.
3	MASTER CHRISTMAS	Competing in Class M100 over 1600m, needs marked improvement after finishing outside top-3 in recent outings; best efforts required stepping up in class.

RACE 7 9:55 PM | 110,000 | VAAL CLASSIC | 1600m

2	LAST CAR TO PASS	Recent strong form over 1600m with 1st at Class NVHM-7 suggests readiness for this step up to Class FM99, needing progress at this class.
8	ACCEPT COOKIES	Recently secured a 2nd in Class FM90-9 over 1600m after winning a lower class; faces a test against stronger Class FM99 opposition today.
6	AVOONTOAST	Won Class MR80-6 over 1800m in March; stepping up to Class FM99 for this 1600m race, so faces a tougher test but distance is ideal.
3	TWOSTEP QUEEN	Recently won Class FM85-6 over 1800m, steps up in class to Class FM99 for this 1600m race; will look to carry that progress forward.
1	MISS HANNIGAN	Recent Class FM99 1400m 1st signals strong form; stepping up to Class FM99 1600m, distance suits, ready for this higher-grade race.

RACE 8 10:30 PM | 100,000 | VAAL CLASSIC | 1600m

3	KISSING MACHINE	Produced a strong 3rd in Class FM85-6 over 1800m in July; competitive stamina could suit this drop to Class FM81 over 1600m.
1	LADY SABRINA	June Class AM72 1600m 1st; grade rise, faces tougher Class FM81 1600m race here but proven at the distance, can improve further.
6	FUTURE DATE	Ran 3rd Class FM90 over 1600m in June; now faces a Class FM81 race and looks well placed for improvement at this distance.
8	SECRET RECIPE	Returned to Class FM81 after a Class FM77-5 win in January over 1600m; proven at the trip, facing a harder test today.
2	WAY TO BURN	Recent Class FM82-7 3rd over 1450m suggests ability to handle similar class and distance; warrants respect aiming for further improvement at Class FM81 1600m.
