### Seoul Race 3: Class 6 (1400M) Special Weight A / KRW 30 Million

(11) POMADE has made steady progress across five starts so far, with her latest her best when 2<sup>nd</sup> over this distance on January 24<sup>th</sup>. She led for most of the way that day, but she has a smart finish on her too so the wide draw shouldn't be a problem, and she can go one better. The danger is on her inside. (10) PARAIBA has finished between 3<sup>rd</sup> and 5<sup>th</sup> in all her four starts so far, settling midfield and running on each time. The slight step up in trip can suit and Maia gets back on. (1) RISING WIND was a much-improved 3<sup>rd</sup> at start three on January 25<sup>th</sup> and is another who can benefit from the increased distance today. (4) EUNHA KALAS and (8) WONDERFUL REASON others in the hunt.

<b>Selections</b>	(11) Pomade (10) Paraiba (1) Rising Wind (4) Eunha Kalas
<b>Next Best</b>	8, 2
<b>Fast Start</b>	2, 4, 5, 10

### Busan Race 2: Class 6 (1200M) Special Weight A / KRW 30 Million

(11) VELOCI QUEEN was 4<sup>th</sup> on debut and then 2<sup>nd</sup> at start number two at this distance on January 23<sup>rd</sup> when she settled midfield and finished well, beating a couple of today's rivals in the process. Third-up she can be peaking, and she can win. (3) SUNRISE will probably be the betting favourite. She has a 2<sup>nd</sup> and a 4<sup>th</sup> in two starts at 1200M and 1300M and from a great draw, she can be on pace and can potentially go all the way. The form falls off significantly after those two. (2) DEEP SPRINT was 3<sup>rd</sup> on debut behind Veloci Queen on January 23<sup>rd</sup> and with some natural improvement can be a place chance. (9) SHINING CLUTCH and (1) DOCTOR STING may improve.

<b>Selections</b>	(11) Veloci Queen (3) Sunrise (2) Deep Sprint (9) Shining Clutch
<b>Next Best</b>	1, 6
<b>Fast Start</b>	1, 3, 6, 8

### Seoul Race 4: Class 5 (1300M) Handicap / KRW 45 Million

(6) UNJU PRINCE got his maiden win at start number three over 1400M on January 4<sup>th</sup> when leading all the way. He comes up in class but is down 3kg in weight and from a central draw, he can lead again and be in this a very long way. (3) HAKSAN SWORD was a fast winner over 1300M on December 13<sup>th</sup> and while he then struggled from a wide draw in his first try at this

level, he ran 2<sup>nd</sup> over 1300M on February 1<sup>st</sup>, coming from midfield and beating two of today's rivals. He draws well here and is a big danger. (5) CHEONG WOL was a smart maiden winner over 1200M on January 25<sup>th</sup> and can measure up. (2) WIDAEHAN HAMSEONG and (1) EUNPA BOOSTER others in the frame.

<b>Selections</b>	(6) Unju Prince (3) Haksan Sword (5) Cheong Wol (2) Widaehan Hamseong
<b>Next Best</b>	1, 8
<b>Fast Start</b>	1, 2, 8, 11

### **Busan Race 3: Class 6 (1400M) Special Weight A / KRW 30 Million**

(2) TAMNA BRAVO enters off back-to-back 3<sup>rd</sup> places from his latest two, at a mile and at this distance, the latter in a slow race on January 23<sup>rd</sup> when drawn wide. From today's gate he can get an easy lead and should have too much for this limited set of opponents. (3) DOKKI TIGER was an improved 5<sup>th</sup> at start three on January 30<sup>th</sup> and that's enough to have her one of the main dangers here. (9) CARAT KING has a 3<sup>rd</sup> on his record and an apprentice claiming 3kg can bring him into the placing frame here. (12) HIGH GOLD BAR and (5) MYEONPUM PLAY are others who could compete for the minors.

<b>Selections</b>	(2) Tamna Bravo (3) Dokki Tiger (9) Carat King (12) High Gold Bar
<b>Next Best</b>	5, 1
<b>Fast Start</b>	2, 9, 11, 12

### **Seoul Race 5: Class 5 (1800M) Handicap / KRW 45 Million**

(7) MONEY FOUR SEASON was a maiden winner over 1700M two starts back, before finishing 2<sup>nd</sup> on his first try at this class also at 1700M on January 31<sup>st</sup> when coming from off the pace. In the absence of an apprentice claim he is up 4kg in the weights, but the additional half furlong can help him to go one better. He needs to overturn the form on (5) CHAM BBAREUN MAL who got his maiden win in that January 30<sup>th</sup> race. The win had been coming and while he too is up in weight, a repeat isn't impossible. (6) SUBMISSION ran 3<sup>rd</sup> in that January 31<sup>st</sup> race, showing handy throughout. He gets a weight swing on the two who beat him that day and he can be close (3) LIGHT WING and (10) CUPID COMMAND are the other main chances.

<b>Selections</b>	(7) Money Four Season (5) Cham Bbareun Mal (6) Submission (3) Light Wing
<b>Next Best</b>	10, 1
<b>Fast Start</b>	3, 5, 6, 10

### **Busan Race 4: Class 5 (1600M) Handicap / KRW 45 Million**

(7) JANGGO MAN was a winner on debut over 1200M at the end of December – beating Friday winner Dubai Seonmul – before running 3<sup>rd</sup> on his first try at this class over 1300M on January 30<sup>th</sup>. He comes up to the mile for the first time, but it can suit and he can win here. (2) SOMANGUIGIL is yet to win in nine starts but he has eight top five finishes and has placed at this distance twice. He can settle behind the speed here and run into some money again. (3) GEUMSEONG is also still a maiden but is yet to run outside of the top five. He'll be on pace here and can be in this a long way on his first try at a mile. (10) CAPTAIN DRAGON and (11) DEIMOS among plenty of others with chances.

<b>Selections</b>	(7) Janggo Man (2) Somanguigil (3) Geumseong (10) Captain Dragon
<b>Next Best</b>	11, 12
<b>Fast Start</b>	1, 3, 4, 9

### **Seoul Race 6: Class 4 (1600M) Handicap / KRW 60 Million**

(9) HWANG GEUM EO JANG is two for two having scored narrowly on debut in December, coming from off the pace, and then more comfortably leading from gate to wire over 1400M on January 17<sup>th</sup>. That brings him up in class and in distance to a mile, but neither should be a problem and he can make it three from three. (3) GEOTEN DAERO is up in class too following a win and a 2<sup>nd</sup> place from his latest two, both at 1300M and both times leading all the way. He too tackles the mile for the first time, but he is down a full 4kg in weight and from a great draw, he can be competitive. (4) SONGDANG HWANGTAEJA got his maiden win at start twelve in November but has held his form at this level with a 5<sup>th</sup> and a 2<sup>nd</sup>, the latter his first try over this trip, and he should be close. (7) CHOEGANG SPEED and (1) HAKSAN CAIRO others to consider on a place line.

<b>Selections</b>	(9) Hwang Geum Eo Jang (3) Geosen Daero (4) Songdang Hwangtaeja (7) Choegang Speed
<b>Next Best</b>	1, 10
<b>Fast Start</b>	2, 6, 9, 10

### **Busan Race 5: Class 4 (1400M) Handicap / KRW 60 Million**

(10) EPHPHATHA ran out an on-pace winner at a big price on debut over 1200M on January 9<sup>th</sup>. It shouldn't have been such a surprise as he had looked good in his trial and while he comes up in trip and has the challenge of the widest gate, the Instagrاند colt can win again.

It's been a while between drinks for (8) LEMON TREE. He has been getting closer in recent starts with a 3<sup>rd</sup> and a 2<sup>nd</sup> from his latest two at 1400M and a mile and he should be in the finish here. (4) HEAVY DUTY has placed in each of his last four. His sole win came over this trip, and he'll be in the finish again. (7) SHANGHAI THUNDER and (10) EUNHASU others in the mix.

<b>Selections</b>	(10) Ephphatha (8) Lemon Tree (4) Heavy Duty (7) Shanghai Thunder
<b>Next Best</b>	10, 11
<b>Fast Start</b>	3, 5, 7, 12

### **Seoul Race 7: Class Open (1400M) Special Weight A / Sports Seoul Trophy (KOR Listed) KRW 200 Million**

(9) DI NE has been incredibly impressive in his last three starts with victories by 11 lengths, 10 lengths and eight lengths going up in grade by one level each time. He gets more impressive each time and it was a strong field he tore apart last time and whilst he will be doing well to win in that manner this time, as anything in this race will be, he can go on his merry way. (3) MY EMPIRE has big wraps on him and is another that continues to get better and better. He has won his last two races very easily indeed, in particular last time despite blowing the start, and this is a test of his high credentials. (1) ROSHE is the other big gun who is unbeaten from three and just like Di Ne and My Empire his ability is untapped at this stage. (7) GAMSUI HIM won over further last time and whilst this may be too quick for him he was brilliant last start. (8) ROOFTOP got a confidence booster last time whilst (5) BEST PITCH could be the forgotten horse.

<b>Selections</b>	(9) Di Ne (3) My Empire (1) Roshe (7) Gamsui Him
<b>Next Best</b>	8, 5
<b>Fast Start</b>	3, 4, 6, 8, 9

### **Busan Race 6: Class Open (1400M) Special Weight A / Gyeongnam Shinmun Trophy (KOR Listed) / KRW 200 Million**

(3) CLEARLY WINNER was one of the star fillies last year before her season was cut short after becoming lame. She resumed with a five length victory on February 8 and it can't be forgotten that she accounted for Supex Winner, the subsequent Breeders' Cup winner, when she won on debut. She is very good and can wind up her Triple Tiara preparations in style. (4) CLUTCH WINNER has won his two races well and missed the break and didn't handle the kickback in his other run. He needs to lead but if he does he can stay there. (2)

CHEONGCHUNEUNJAYU continues to progress and it will be enthralling to see if he is good enough for some of these. A similar comment can be made for (1) MR. PRIME but you can't do more than win and he is unbeaten. (7) HEY BROTHER comes into the race on a hat-trick and is the only other possible chance with (8) MUHAN NAREUSHA the best of the three that are making up the numbers

<b>Selections</b>	(3) Clearly Winner (4) Clutch Winner (2) Cheongchuneunjayu (1) Mr. Prime
<b>Next Best</b>	7, 8
<b>Fast Start</b>	1, 2, 3, 4, 7

### Seoul Race 8: Class 4 (1400M) Handicap / KRW 75 Million

Fillies and mares only here. (10) THE SUN BULSAJO is a winner of two from three with her only defeat so far coming when 3<sup>rd</sup> in Listed juvenile company behind Chief Star and Wonpyeong Sket. This is her first time at 1400M, and she has the challenge of a wide draw, but she can win here. (1) CLUB Q has won three of her last four, most recently at this class and distance on January 17<sup>th</sup>. She only comes up 2.5kg and that's balanced by a better draw, and she has every chance again. (3) UBERMENSCH has won her latest two, coming from well off the pace in both, to get rapidly promoted to this class. This is much harder but the step up in trip can suit. (6) TEUKGEUP PARTY and (11) MEGA STEP are other place chances.

<b>Selections</b>	(10) The Sun Bulsajo (1) Club Q (3) Ubermensch (6) Teukgeup Party
<b>Next Best</b>	11, 8
<b>Fast Start</b>	4, 6, 9, 10

### Busan Race 7: Class 3 (1800M) Handicap / KRW 75 Million

(12) FUNNY WILD should have been running in the Listed race earlier, but they swerve that to pick off an easier prize (or to focus on racing at two-turns, delete as applicable). A winner of three from five, including his first try at this distance on February 1<sup>st</sup>. He is up in class, but he should have too much. (10) STORM FIGHTER has won over this distance, and he comes in having run 2<sup>nd</sup> at class on January 23<sup>rd</sup>. He carries his fair share of weight but Franco climbing on is a boost and he can be close. (9) MATONGNYEONG has two wins and three placings from five tries over 1800M and should be there or thereabouts again. (1) GEUMA PRECEDE and (7) SEOGWI FLASH other chances.

<b>Selections</b>	(12) Funny Wild (10) Storm Fighter (9) Matongnyeong (1) Geuma Precede
<b>Next Best</b>	7, 6

<b>Fast Start</b>	1, 2, 9, 12
-------------------	-------------

### Seoul Race 9: Class 1 (1800M) Special Weight B / KRW 110 Million

Competitive race. (5) PEPPER X beat four of these on his way to victory at this class and distance on February 1<sup>st</sup>. Under today's allowance conditions, he only comes up 1.5kg in weight, and a repeat is possible. (9) BLACK BELT was sent off as favourite for that race and did lead before eventually ending up in 3<sup>rd</sup>. He'll be on pace again and should be close. (10) VICS GO hasn't won for a long time, but he enters off a 3<sup>rd</sup> and a 2<sup>nd</sup> from his latest two. The latter splitting Pepper X and Black Belt on February 1<sup>st</sup>. The weight scale here is in his favour and he is a big danger. (8) ONE PUNCH DRAGON and (11) NUT PLAY others who should be in this.

<b>Selections</b>	(5) Pepper X (9) Black Belt (10) Vics Go (8) One Punch Dragon
<b>Next Best</b>	11, 6
<b>Fast Start</b>	2, 3, 5, 8

### Seoul Race 10: Class 3 (1200M) Handicap / KRW 75 Million

(4) WONPYEONG SKET ran 2<sup>nd</sup> in three big Listed juvenile races last term and has since recorded two wins at this distance most recently at this class on January 10<sup>th</sup> when leading all the way, as is her preference. She comes up 3kg in weight, but she draws well to lead again, and she may not be run down. (11) DANCING WHIZ has been 3<sup>rd</sup> in his latest two, both at this class and distance. The wide gate shouldn't be a problem, and he can be challenging late on. So too can (5) NAEGILUI WINNER, who similarly has been 3<sup>rd</sup> in both his latest two. He can get a bit far back but is strong at the business end of his races. (3) CRAZY STAR and (10) BLUE PIORA others in the frame.

<b>Selections</b>	(4) Wonpyeong Sket (11) Dancing Whiz (5) Naegilui Winner (3) Crazy Star
<b>Next Best</b>	10, 1
<b>Fast Start</b>	1, 2, 9, 12
