**Busan Race 1: Class 6 (1400M) Special Weight A / KRW 30 Million**

Fillies only and it is wide open. (8) SUN LIGHT was an improved 3<sup>rd</sup> at start number three over 1300M on May 2<sup>nd</sup> coming from well off the pace. Leaving herself too much to do has been a trend but she may be ready for another crack at 1400M and has as good a chance as any here. (4) ALL THE WAY has a 3<sup>rd</sup> and a 5<sup>th</sup> in two outings to date, most recently behind Sun Light in that May 2<sup>nd</sup> race. She has been doing her best work late and is another who the 1400M can suit. (7) GRACE CAL enters off a 3<sup>rd</sup> place when tried at this distance for the first time on May 4<sup>th</sup> and she should be there or thereabouts again. (10) WONDERFUL TEAM and (11) DIA MATE others in the hunt.

<b>Selections</b>	(8) Sun Light (4) All The Way (7) Grace Cal (10) Wonderful Team
<b>Next Best</b>	11, 1
<b>Fast Start</b>	1, 2, 4, 5

**Seoul Race 4: Class 5 (1300M) Handicap / KRW 45 Million**

(5) WONDERFUL FAPPY took a couple of goes to get accustomed to this class but has a 2<sup>nd</sup> and a 3<sup>rd</sup> from his latest two, both times having led. From a good draw, he surely leads again here and may take some beating. (6) MORNING WONDER is up in class having registered his maiden win at start five over 1200M on May 4<sup>th</sup> when on pace. He finished no worse than 4<sup>th</sup> at class 6 and under a light weight, he can measure up here. (7) MR.STORM was 3<sup>rd</sup> at this class over 1200M on April 26<sup>th</sup>, racing handy throughout. His win came over this trip and while he has his fair share of weight, he can be in the mix again. (10) GANDAGO also has weight to deal with following a last start win at this class over 1400M but should be competitive. (9) CANVASEN GO another place chance.

<b>Selections</b>	(5) Wonderful Fappy (6) Morning Wonder (7) Mr.Storm (10) Gandago
<b>Next Best</b>	9, 1
<b>Fast Start</b>	4, 5, 7, 9

**Busan Race 2: Class 5 (1200M) Handicap / KRW 45 Million**

(7) FLY TO THE MOON will be one of the shortest price favourites of the day. Yet to win, she is also yet to finish any worse than 5<sup>th</sup> in seven starts and enters off a very narrow reverse in a quick time at this class and distance on May 2<sup>nd</sup>. She will be on pace here and will take some

beating. (8) OH FANTASTIC led all the way to get her maiden win at start number three over this distance on May 2<sup>nd</sup>. It's worth noting she was reluctant to parade that day to the extent that she got sent back to trial, but she came through that well, and is she behaves she can measure up at this class. (1) TAEYANG EUTTEUM was 3<sup>rd</sup> behind Fly To The Moon in 2<sup>nd</sup> last time out and the now veteran five-year-old can be there or thereabouts again. (4) TAMNA FIRST and (2) HANEUL SINHWA others in the market for at least the minors.

<b>Selections</b>	(7) Fly To The Moon (8) Oh Fantastic (1) Taeyang Eutteum (4) Tamna First
<b>Next Best</b>	2, 11
<b>Fast Start</b>	7, 8, 9, 11

### **Seoul Race 5: Class 5 (1400M) Handicap / KRW 45 Million**

(8) ARCH DAY got her maiden win two starts back in a filly only race at this class and distance on March 29<sup>th</sup> when she led all the way. She couldn't quite find a position from a wide draw when a long way back in 3<sup>rd</sup> place on her latest outing on April 26<sup>th</sup> but she comes into a marginally better gate this time and can be given another chance. (7) ROYAL BEST has won just once, but is rarely far away, and has a 2<sup>nd</sup> and a 3<sup>rd</sup> from his latest two. He has the best start in the field so should be on pace and can be in this a long way. (6) WONDERFUL WELLS ran 3<sup>rd</sup> at class and distance on Paril 27<sup>th</sup> on what was her forst start since December. She should strip fitter for that run and be in the mix here. (5) EUMSEONG POWER and (1) CRAZE CHANG others in the hunt.

<b>Selections</b>	(8) Arch Day (7) Royal Best (6) Wonderful Wells (5) Eumseong Power
<b>Next Best</b>	1, 11
<b>Fast Start</b>	6, 7, 8, 10

### **Busan Race 3: Class 5 (1300M) Handicap / KRW 45 Million**

After running 5<sup>th</sup> on debut, (4) SHOOT FOR THE MOON was a winner at start two over this distance on May 2<sup>nd</sup>, settling handy and proving too strong. He comes up in class, but is down in weight, Seo Seung-un stays on, and he can win again. (5) WHO IS NEXT returned from seven months off to run a solid 4<sup>th</sup> place at this class and distance on April 25<sup>th</sup>, settling back and running on. He should strip fitter for that run and can be a danger here. (6) MAGIC ELEVEN was a class and distance winner three starts back. In this company, he can be on the speed and may offer some interest at a probable each-way price. (7) GREAT TOP and the veteran (11) DAEHOMA are others to consider.

<b>Selections</b>	(4) Shoot For The Moon (5) Who Is Next (6) Magic Eleven (7) Great Top
<b>Next Best</b>	11, 8
<b>Fast Start</b>	5, 6, 7, 10

### Seoul Race 6: Class 4 (1400M) Handicap / KRW 60 Million

(6) SPECIALTIME has been working back towards another win and comes in following a close 3<sup>rd</sup> place at this class and distance on April 19<sup>th</sup> when handy throughout. She remains under a light weight, she draws very well, and she can win here. (4) EUNBIT DOLPUNG has a win and four placings at this distance and while his latest couple have been only average, he looks nicely in here from a good gate and with Ruan Maia climbing up for the first time. (5) CHOWON DOLPUNG is up in class and up to 1400M for the first time, but he is down 4kg in weight and could measure up. (1) RAON THE DAESE and (7) BEOLGYO CHADOL others to consider in a race in which the recent form is not hugely confidence inducing.

<b>Selections</b>	(6) Specialtime (4) Eunbit Dolpung (5) Chowon Dolpung (1) Raon The Daese
<b>Next Best</b>	7, 2
<b>Fast Start</b>	3, 5, 7, 8

### Busan Race 4: Class 4 (1800M) Handicap / KRW 60 Million

(1) DUSTIN MARINE has been the beaten favourite in both his last two starts, both at this class at a mile and last time at 1800M on May 2<sup>nd</sup> when racing close to the pace throughout. He draws the inside gate again and should be forward from the start again and we'll give him another chance. (11) MR.WOLF got his solitary win to date over 1300M at class 5 level three starts back and was a close 2<sup>nd</sup> at a mile last time out. He comes up to 1800M for the first time and has to contend with the widest gate, but shapes as the main danger here. (5) GONJOHARI stepped up to this distance for the first time on May 2<sup>nd</sup> and was a winner, making almost all the running. He comes up in class this time but should be a factor. (8) STEALTH MODE and (4) BEST CHAMP, 2<sup>nd</sup> and 4<sup>th</sup> respectively when racing each other last time, others to consider.

<b>Selections</b>	(1) Dustin Marine (11) Mr.Wolf (5) Gonjohari (8) Stealth Mode
<b>Next Best</b>	4, 10
<b>Fast Start</b>	1, 5, 8, 10

### Seoul Race 7: Class 4 (1400M) Handicap / KRW 60 Million

(10) FINAL GO has just the one win but has finished no worse than 4<sup>th</sup> in his latest six outings and most recently was 3<sup>rd</sup> over 1200M on April 26<sup>th</sup> when coming from off the pace. He is marginally down in weight here, Maia has placed three times on him, and the widest gate should be no problem. (1) MUNHAK BOY got his two wins in the first three starts of his career and got a run in Seoul's Classic Trial. He was well back in that but looks nicely in here and could make for some value. (4) SMART SOCKS enters with recent form reading well and under a light weight and from a good gate can be on pace and in this a long way. (2) SEONGSIL YEONGUNG and (7) NANOMETA other place contenders.

<b>Selections</b>	(10) Final Go (1) Munhak Boy (4) Smart Socks (2) Seongsil Yeongung
<b>Next Best</b>	7, 5
<b>Fast Start</b>	1, 3, 4, 6

### **Busan Race 5: Class 3 (1600M) Handicap / KRW 75 Million**

After doing nothing for his first four, (7) WONDAEHAN KKUM has won both starts since being gelded, both times coming from off the pace over a mile. That brings him up in class, but he is down 3kg in weight and he can make it three in a row. (2) CARDINAL FORCE got his maiden win all the way back on debut, but he has had plenty of near misses in the eight starts since with a 2<sup>nd</sup> and a 3<sup>rd</sup> from his two tries at this level. He'll be on the speed and is the main danger. (4) BEOLMAUI ACE has plenty of experience at this class, and while he has never tackled the mile before, he has placed at 1800M so shouldn't have any difficulties. (10) AREUMDAUN INYEON and (8) GLORY CROWN others in the placing frame.

<b>Selections</b>	(7) Wondaehan Kkum (2) Cardinal Force (4) Beolmaui Ace (10) Areumdaun Inyeon
<b>Next Best</b>	8, 9
<b>Fast Start</b>	2, 7, 9, 11

### **Seoul Race 8: Class 3 (1600M) Handicap / KRW 75 Million**

(6) GANGNARU had a miserable time in the KRA Cup Mile at Busan in March, using up a lot of energy to get on speed from gate twelve and then knocking up just as quick in the home straight. Prior to that he was a winner here over a mile at class 4 and under a light weight and in more amenable company, he can return to form. (8) TRAUM KING won back-to-back races in February and March, the latter at a mile and followed up with 2<sup>nd</sup> place, also over the mile, which brings him up in class here. He comes down a full 4kg in weight and that should be enough to make him competitive. (4) MIGHTY TAP has three consecutive 2<sup>nd</sup> places coming

into today, all at this class and 1800M. He is up 3kg in weight but can be there or thereabouts again. (3) G MOTION and (5) SAENAE POWERFUL others in line for the minors.

<b>Selections</b>	(6) Gangnaru (8) Traum King (4) Mighty Tap (3) G Motion
<b>Next Best</b>	5, 2
<b>Fast Start</b>	1, 2, 6, 8

### **Busan Race 6: Class Open (1600M) Special Weight A / KNN Cup (KOR G3) / KRW 500 Million**

The final leg of the Queens' Tour Spring/Summer for fillies and mares and while (9) JEULGEOUNYEOJEONG missed the first leg, she roared back into form in the Ttukseom Cup at 1400M at Seoul on April 27<sup>th</sup>. She should strip fitter for what was her first run since she bled last November, and she will be odds-on to strike again. Last year's winner (7) WONDERFUL SLEW returns. She had a hard time against the boys in the Herald Business in March but returned to form with 3<sup>rd</sup> in the Ttukseom Cup at a distance too short for her to be at her best. This should be more suitable. (6) RAON FOREST was 4<sup>th</sup> in both of the first two legs (Crown Hamseong, 2<sup>nd</sup> in both doesn't go having run in the SROA Chairman's Sprint two weeks ago) and can be a danger again. (14) GLADIUS won the Donga Ilbo Trophy, the first leg of the Series over 1800M. She has a win and three placings over a mile and can be running on strong late. (11) BANG BANG BANG could provide some each way interest.

<b>Selections</b>	(9) Jeulgeounyeojeong (7) Wonderful Slew (6) Raon Forest (14) Gladius
<b>Next Best</b>	11, 10
<b>Fast Start</b>	2, 3, 9, 13

### **Seoul Race 9: Class 4 (1700M) Handicap / KRW 60 Million**

Small but tricky contest. (1) ACRO MARINE hasn't been far away in his latest, most recently 4<sup>th</sup> at this class and distance on April 27<sup>th</sup> when coming from off the pace. He remains nicely weighted and drawn well, has as good a chance as any. (2) TRISTAN WANGJA needs a line drawn through his latest when using up a lot of energy to get to the lead from the widest gate. He is a class and distance winner as recently as January and drawn better and with an apprentice taking the edge off what would otherwise be a big weight, he is worth another chance. (4) MAX WEEK weakened late last time at 1800M but was a class and distance winner in April, leading all the way. He carries 2.5kg more than he won under but the step back in trip can help. (8) SEOUL CHOEGANGJA and (6) THUNDER HORSE others to consider.

<b>Selections</b>	(1) Acro Marine (2) Tristan Wangja (4) Max Week (8) Seoul Choegangja
<b>Next Best</b>	6, 5
