Seoul Race 3: Class 4 (1200M) Special Weight A / KRW 75 Million

Small but very competitive field of juvenile maidens with three of the five racing for the first time. (4) PASA SPURT was a solid 4th of ten on debut over 1000M on September 27th, settling midfield and running on. The step up in trip can suit and he can win here. (1) VICTORY SOCKS went through two trials, improving to 3rd place from a wide draw in the second of them. From the inside gate he can put in a bold showing first up. (2) WHIZ WIN was a touch disappointing when 6th of ten on debut but he was previously a trial winner, and he can be given another chance here. (7) MY MUNNINGS and (5) MIGHTY CHOICE others who should be firmly in the hunt.

Seoul Race 4: Class 6 (1300M) Special Weight A / KRW 30 Million

(8) RAON BLAIDE was 3rd on debut over 1200M on September 20th, settling midfield then dropping right back before running on. He should have come on for that run, the slight step up in trip can suit, and he can win. (1) LIGHT WING has raced three times without distinction but went back to trial on October 23rd and win his hear, being dropped in behind the leaders and running on. Moon stays on and improvement will be expected. (7) THUNDER FIGHTER has raced on pace across his three starts so far with his best finish being a 2nd place at 1200M. He should be on pace again and can be in this a long way. (11) GHOST and (3) CHOWOLMA others in the mix.

(10) ECLIPSE MARVEL was 3rd on debut in a filly only maiden over 1400M on October 3rd when she led early. She should have come on for that run and while she has the challenge of a wider gate, she won't need to improve much to win this modest contest. (8) GOLDEN SAVE is the second pick. He has a 4th and a 5th from two outings so far, both over 1200M and both times racing handy. Similar efforts will see him closer today. (9) AWESOME STEP didn't do much last time out but her 2nd place at this distance two starts back is enough to put her in the mix in this company. (1) K SIMON and (4) YONGBI SHINHWA are perhaps the best of a somewhat limited rest.

Selections	(10) Eclipse Marvel (8) Golden Save (9) Awesome Step (1) K Simon

Seoul Race 6: Class 5 (1800M) Handicap / KRW 45 Million

(9) GHOST CHRYSOL is yet to win from eight tries but has three 2nd places to his name, including at this class and distance two outings back. He put in a disappointing show on his latest at the end of August when slow away and racing wide, but he has had ten weeks off since and can be given another chance. (11) THUNDER STORM has a 4th and a 2nd from two tries at this distance, most recently on September 28th when settling back and finishing off well. He continues under a light weight and can be a danger late on. (7) GEUMA FOREMOST returned from three months out to run a fair 5th over 1300M on October 25th He should strip fitter for that run and be in contention here. (2) STUNNING SERVE and (4) FINAL JILJU both need a line through their respective latest efforts but can compete for the minors.

Selections	(9) Ghost Chrysol (11) Thunder Storm (7) Geuma Foremost (2) Stunning Serve

Seoul Race 7: Class 5 (1200M) Handicap / KRW 45 Million

(5) P N S OHOH got his win at this distance in June and then took a couple of goes to get accustomed to this class, but he has a 3rd and a 4th from his latest two, both at this distance and both times settling midfield and tunning on. Drawn nicely here, he has as good a chance as any. (9) START UP was an on-pace winner on debut over 1000M on September 27th. He comes up in class and in distance today but is down in weight and can measure up on both counts. (11) GOOD MORNING COME got his maiden win at start three over 100M on October 3rd when handy throughout. He too is up in class but down in weight and can be competitive. (10) MANI NODAGI, under a 4kg claim, and (1) SAINT WINNER are other place chances.

Seoul Race 8: Class 4 (1400M) Handicap / KRW 60 Million

(4) WESTERN GUN has six top two finishes from ten starts with his latest win coming at this class and distance three outings back in August. Last time out on October 3rd he had to work hard from a wide draw to get forward before ultimately finishing 4th. He comes into a much better gate today and he will be a short price to return to winning ways. (10) SAHARA KHAN won his first two races across the turn of the year but hasn't been seen since. He has been back in work since the beginning of October and looked well when 2nd in a trial on October 23rd. CC Wong rode him to both those wins and they reunite here. (6) ORANGE TIME has been runner-up in both his latest two, the first behind Western Gun in August and he should be challenging for the places again. (7) DRAGON KILLER and (8) BIG BLED are the others who will be in the market, the latter having beaten Sahara Khan in that trial.

Selections	(4) Western Gun (10) Sahara Khan (6) Orange Time (7) Dragon Killer

Seoul Race 9: Class 3 (1800M) Handicap / KRW 75 Million

(8) JISAN FORCE was a winner over this distance on October 3rd, leading all the way and finishing a full sixteen-lengths to the good. He comes up in class here, but the manner of that victory means he is sure to be sent off as favourite to repeat. (5) GOLDEN HONOR comes in off a 3rd place at this class and distance on September 27th when settling midfield and running on. He is up a little in weight but draws a little better, and he can be a danger. (11) LAFAYETTE was a winner at class 4 level over a mile in August and followed up with a 2nd place over the same distance. He only managed a midfield finish on his first try at this level on October 4th but he stays under a light weight and finally stepping up to 1800M may suit. (6) YEONHUI HERO and (2) PURGE KING others in the placing frame.

Selections	(8) Jisan Force (5) Golden Honor (11) Lafayette (6) Yeonhui Hero

(6) REAL DEAL has eight top three finishes from nine starts and races for the first time since June when he was a front-running 3rd over a mile. He was 2nd on his one previous try at this distance and having looked good in a trial last month, he can go one better here. (7) DOKKI DRAGON enters off a 4th place in a quick race at this class and distance on October 18th when settling midfield and running on. He gets a slight weight drop here and can go closer. (4) DUSON OPEN was a winner at this class over 1200M on September 21st when close to the pace throughout. He is up 3kg in weight but can be ready for another crack at this trip. (9) BLACK MOTION and (1) DAEHEUNG CLASS others who can compete for at least the minors.

Seoul Race 11: Class 2 (1200M) Handicap / KRW 90 Million

(10) ECLIPSE BERRY won the 2024 Korean Oaks – just – and was then 4th in the concluding leg of the Triple Tiara and in the Jeju Governor’s Cup. That was in September of last year and she hasn’t raced since. She came back into work at the end of August and trialed well in September and she can make a winning return here. (11) J S ROAD enters off a 2nd and a 4th from his latest two, both at this class and both over 1400M. He cuts back to a trip at which four of his five wins have come, and he is a strong contender. (4) HAKSAN SPEED is a three-time winner at this distance. He is running slightly out of class here but that means a big weight drop and from a great draw, he can be competitive. (9) TAP TIER and (3) M J BEST also in the hunt.

Selections	(10) Eclipse Berry (11) J S Road (4) Haksan Speed (9) Tap Tier
