Busan Race 3: Class 6 (1300M) Special Weight A / KRW 30 Million

Weak maiden. (8) GREAT LUCKY raced twice without distinction at the end of last year but hasn't been seen since December. She trialed in late June, leading every step of the way and stopping the clock in a quick time. If she can bring that form in here, then she can win, probably from the front as there is little other obvious early speed. (5) SEONGSIL JEIL was a fair 6th of twelve over 1000M on debut on July 11th, finishing off well from off the pace. The step up in trip can suit and she can get closer here. (2) ALL THE BEST showed well in a trial before having a hard time from the widest gate on debut on July 4th. She draws better here and similarly, the step up in trip from the minimum can be in her favour. (1) BREEDO GALLANT and (4) WE STRONG others who can improve.

Busan Race 4: Class 5 (1300M) Handicap / KRW 45 Million

(2) WONDERFUL JONES was 4th in Busan's Classic Trial back in February before an indifferent run in the KRA Cup Mile saw him off the Triple Crown trail. Since coming back into this class he has run 3rd and 5th at 1400M but coming back slightly in trip and drawing well, he is very much the one to beat today. (3) CHEONPUNG had been working up to a win and it arrived on July 6th when he led all the way over 1200M. He comes up in class but is down 2.5kg in weight, he draws well, and he can measure up. (5) YONGAM BLACK got his maiden win over this trip in May when leading from gate to wire. He has since run 6th and 4th in two tries at this class and can be in the finish again. (8) MEGA MACHINE and (7) DAEGIL HERO others who can compete for the minors.

Busan Race 5: Class 5 (1200M) Handicap / KRW 45 Million

Fillies only here. (7) ECHO CHAMP was a winner on debut over this distance at the end of March but didn't return until July 20th when 5th of eleven on her first try at this class. She

should strip fitter for that run, and she can win here. The danger is (10) FLY TO THE MOON. She may be yet to win in nine outings, but she has never been any worse than 5th and has a 2nd place at this class ahead of a couple of today's rivals. Seo Seung-un stays on, the wide draw shouldn't be a problem and today could be her day. (5) BLACK WAVE is a twenty-three-race maiden but regularly finds the money and this is the kind of race where she can be close. (6) MOTHER CHUKJE and (8) JINJU BIT others in the hunt.

Busan Race 6: Class 5 (1600M) Handicap / KRW 45 Million

(1) GOD NIKE is still a maiden after eleven tries but she has six top three finishes to her name and two 2nd places from three tries over the mile. She draws well to be on pace here and today can be her day. That will mean overturning the form on (8) SANGIM STAR who beat God Nike as the pair ran 3rd and 5th at this class and distance on July 4th when she came from well off the pace. She was a big price that day, but it was her first try at the mile and under a light weight, she can be close again. (2) TOHAMSAN TAEYANG is another maiden, in her case after twelve runs. She enters in good form though with a 2nd and a 4th from her latest two, both at this class over 1800M and 1400M and she should be in the mix. (7) FORCE BE WITH YOU and (10) GLOBAL WONDER other place chances.

Busan Race 7: Class 5 (1600M) Handicap / KRW 45 Million

(4) CANNAN STEP stepped up to a mile for the first time on July 4th and was a front-running 2nd, leading at various points of the race. She is up 2.5kg, but that's balanced somewhat by a better draw, she can go one better here. (3) DORAON SAMSON is yet to win in twelve but has several near-misses including his latest two when he has been 2nd and 3rd, both at this class and distance, both times leading. He'll be on pace again and should be in this a long way. (2) SEOBU DANCING enters off a 2nd place at 1400M on July 18th when coming from well off the pace after being slow away. He won a trial last week in good order and well drawn, he can be in the mix here. (6) GOLDEN SPOT along with (10) FLASH PARK are others to consider on a place line.

| Selections | (4) Cancan Step (3) Doraon Samson (2) Seobu Dancing (6) Golden Spot |

Busan Race 8: Class 4 (1400M) Handicap / KRW 60 Million

(6) PACHAMAMA is a winner of two from three so far, most recently at 1200M on July 4th. That brings her rapidly up in class and while her only defeat so far did arrive at today's distance, she drew wide that day and from a central gate, she should be ready for another crack. (2) WHO IS NEXT had a hard time over a mile on his first try at this class on June 27th, racing handy before finishing 6th. Back in trip and nicely drawn, as well as making his first start for new trainer You Hyun-myung, he can be given another chance. (7) GWANGYAEUIHAMSUNG is a two-time winner at the distance and enters off a 2nd place last time out on July 6th. He likes to come from off the pace and can be challenging late. (1) SEOGWI OREUM and (3) NAEPYEON are the other big hopes in a race of many chances.

Busan Race 9: Class 3 (1800M) Handicap / KRW 75 Million

(5) CATCH THE DREAM was an also-ran in the Korean Oaks, but she returned to more amenable company to win over this distance on June 29th when leading all the way. She comes up in class here but has every chance of a repeat. (1) SOLEDAD enters with a 2nd, a 5th and a 3rd from her latest three, all at this class and distance and with a few of today's rivals behind her. She is a two-time winner at 1800M and can settle just behind the speed and be a big danger late here. (7) VEREUDA similarly has had the beating of plenty of these in recent outings and is another who likes to come from off the pace. (11) BEOLMAUI YEONGUNG and (8) JANGSAN LEMON are others to consider on a place line.
