**Busan Race 1: Class 4 (1600M) Handicap / KRW 75 Million**

Fillies and mares only here and it's hard to go against (5) YEOSU SUPER STAR. After winning her first two to get promoted to this level in double-quick time, she ran a very good 2<sup>nd</sup> on her first try at this class and distance on June 6<sup>th</sup>, racing handy throughout. She should have benefitted from that experience and continuing under a light weight, she should be going one better. (3) UNION CHAMP is the danger. A promising juvenile last year she missed six months but returned in April to win over 1300M and then run 2<sup>nd</sup> at 1400M at this class. The mile can suit and third-up she can be peaking. (6) LIME TREE comes out of the Triple Tiara where she was 4<sup>th</sup> in both the Luna and the Oaks and then 5<sup>th</sup> in the Gyeonggi Governor's Cup. Lightly weighted, she should be in the mix. (2) WONDERFUL CUTIE and (8) ACE HIGH others in the hunt.

<b>Selections</b>	(5) Yeosu Super Star (3) Union Champ (6) Lime Tree (2) Wonderful Cutie

**Seoul Race 4: Class 5 (1200M) Handicap / KRW 45 Million**

Fillies (and one mare) only. (7) SSAK DANAEEUN didn't do much on debut last November and didn't reappear until April. She has been much better with a win and a 3<sup>rd</sup> in two starts back, the latter at this class over 1300M on May 25<sup>th</sup>, racing on pace. She can be on or close to the speed here and can win. (10) SONEULNAMILOE got her maiden win two starts back and then ran 3<sup>rd</sup> at 1300M having led for most of the way on June 14<sup>th</sup>. Her draw isn't ideal but with some early luck she can get forward and be a danger. (3) ALL NUT comes back to the distance at which she got her win and from a good draw and with Moon Se-young up, she will have plenty of supporters (11) YEOWANG SOCKS and (4) EXCELLENT HANSEN others who can go close.

<b>Selections</b>	(7) Ssak Danaeun (10) Soneulnaemileo (3) All Nut (11) Yeowang Socks

**Busan Race 2: Class 6 (1300M) Special Weight A / KRW 30 Million**

Several of these raced each other over this distance on June 15<sup>th</sup>, including (7) POWER STONE, who was making his debut. He ran well, overcoming a slow start to finish 3<sup>rd</sup>, and with some natural improvement, he can win this. That will mean overturning the form on (9) JUST SHINY, who was 2<sup>nd</sup> in that race, showing handy throughout. He can sit on or close to the speed and he should be close again today. (4) SUCCESS POWER was 4<sup>th</sup> in that race. That continued a progression from his debut, and he is another who can be on the early speed and in this a long way. (8) GLORY SUNSHINE and (2) VICTORY STORY are others who can challenge for the places.

<b>Selections</b>	(7) Power Stone (9) Just Shiny (4) Success Power (8) Glory Sunshine

### Seoul Race 5: Class 5 (1400M) Handicap / KRW 45 Million

(3) MUNHAK CHUKJE has won two of his last three most recently at this class and distance on June 15<sup>th</sup> when, as is his style, he settled midfield and ran on. He has the steadier of an additional 3.5kg on his back today, but he draws nicely, and he can win again. (4) WONDERFUL TECHNO returned from almost a year out to run a very solid 2<sup>nd</sup> place at this class and distance on June 21<sup>st</sup>. He should have come on for the run and he shapes as the main danger here. (6) KYLIE remains a maiden after seventeen attempts, but she enters in her best gorm with a 2<sup>nd</sup> and a 3<sup>rd</sup> from her latest two. In this company, she can be on pace and in it a long way. (2) RAON NOTHERN DANCE and (10) CAPTURE among others in the frame.

<b>Selections</b>	(3) Munhak Chukje (4) Wonderful Techno (6) Kylie (2) Raon Nothern Dance

### Busan Race 3: Class 5 (1200M) Handicap / KRW 45 Million

(5) VANGIE is yet to finish worse than 4<sup>th</sup> from five starts and enters off back-to-back 2<sup>nd</sup> places most recently at this distance on June 27<sup>th</sup>. He makes a quick return here and can settle behind the pace and can go one better. (4) POWERFUL RUN produced exactly that to score an all the way on debut over 1000M. She comes up in class and in distance but draws well and she can measure up. (2) RACE MAN was 2<sup>nd</sup> in a quick race at this class and distance on June 13<sup>th</sup>. She will be on pace again and will surely be in this a long way. Plenty of others have place chances with perhaps (7) JIAK SARANG and (3) BLACK WAVE the most likely.

### Seoul Race 6: Class 5 (1800M) Handicap / KRW 45 Million

Since (1) WORLD JOY got his maiden win back in March, he has raced three times at this level for two 3<sup>rd</sup> places and most recently a 2<sup>nd</sup> on June 8<sup>th</sup> at 1700M. One of those 3<sup>rd</sup> places was his only previous try at this distance and while he comes up 2kg in weight, he can settle just behind the speed here and prove too strong. Twenty-six start veteran (7) GRATITUDE remains winless but come sin following a runner-up finish at class and distance on Juen 29<sup>th</sup> when ridden on pace. He makes a quick return and this is similarly the kind of race where he can go close. (8) BLACK SATANG got her maiden win at start number three over 1200M on June 14<sup>th</sup>. She has got better with each run and can continue to make progress today. (2) GHOST CHRYSOL and (3) NONSTOP SERVE are others in the hunt.

<b>Selections</b>	(1) World Joy (7) Gratitude (8) Black Satang (2) Ghost Chrysol

Fillies only here. (8) MOTHER CHUKJE stepped up to this distance for the first time on June 6<sup>th</sup> and from a handy position went on to win well, beating a few of today's rivals. She comes up 2kg in weight, but Franco, who has ridden her to both wins so far, stays on and she can go back-to-back here. (1) TUHON FIGHTER was 4<sup>th</sup> in that June 6<sup>th</sup> race, briefly striking the front in the home straight. From the inside gate, she will be on pace and should be in the finish again. (2) GLOBAL HEROINE is yet to win from eight attempts but has likewise only finished outside of the top five on one occasion and from a good draw, she can be there or thereabouts again. (10) TOHAMSAN TAEYANG and (4) WONDERFUL TEAM are others in at least the placing frame in what is a competitive race.

<b>Selections</b>	(8) Mother Chukje (1) Tuhon Fighter (2) Global Heroine (10) Tohamsan Taeyang
<b>Next Best</b>	4, 9
<b>Fast Start</b>	1, 2, 8, 11

### Seoul Race 7: Class 4 (1800M) Handicap / KRW 60 Million

(3) ECLIPSE BLACK was given his chance in the final leg of the Triple Crown last month when he finished a fair 7<sup>th</sup> of thirteen over 2000M. He comes back into shallower waters here at a distance he is one for one over, and he will be a hot favourite to return to winning ways today. (8) CHANGJOU ACHIM is yet to win in fourteen attempts but loves finishing 2<sup>nd</sup>, something he has done in four of his last five, including his latest at this class over 1700M on June 14<sup>th</sup>. He may find one too quick again here but shouldn't be far away. (7) SPLENDID enters off back-to-back wins, most recently at this class and distance on June 7<sup>th</sup>. He has to contend with an additional 4.5kg but can be in the mix again. (4) HANGANG GLORY and (6) SUMMER PARTY among plenty of others capable of competing for the places.

<b>Selections</b>	(3) Eclipse Black (8) Changjou Achim (7) Splendid (4) Hangang Glory
<b>Next Best</b>	6, 9
<b>Fast Start</b>	3, 5, 7, 9

### Busan Race 5: Class 3 (1200M) Handicap / KRW 75 Million

Competitive race. (10) YULIM SESANG has won two of his latest three, both at this distance, to take his record to four from nine in total. He comes up in class here and as a front-runner, has the challenge of a wide gate, but he is down 4kg in weight, and he can win again. (4) BEOLMAUI ANGEL took a shy at the class 2 stumps last time out and ran a fair 5<sup>th</sup> of ten, albeit well back behind a quick winner. He returns to shallower waters today and can be close. (1) GOLDEN AIR joins Yulim Sesang up in class having run 3<sup>rd</sup> behind him on June 13<sup>th</sup>. He comes down a full 6kg in weight and from a good draw, can be a big danger. (3) SAMAKUI KKOT and (2) NUMBERONEPICK are others in the frame.

<b>Selections</b>	(10) Yulim Sesang (4) Beolmaui Angel (1) Golden Air (3) Samakui Kkot

### Seoul Race 8: Class 4 (1700M) Handicap / KRW 60 Million

(3) GRACE ROUTE was an on-pace winner at this distance on June 15<sup>th</sup>. She comes up in class here but is down in weight, draws well, and with Moon Se-young climbing on for the first time, she can win again. (2) YONGBI POWER enters off two 2<sup>nd</sup> places and a 3<sup>rd</sup> from her latest three, most recently at this class and distance on June 15<sup>th</sup>. She is up 3kg is still fairly weighted and she can be competitive here. (10) OKCHEON WIN STAR comes in off a 3<sup>rd</sup> place

at this class over a mile. That was back in April, so she is in fresh here and has a place to her name at this trip. (7) LOVE O MINE and (4) CHEONGUNG STORM are the other main chances.

<b>Selections</b>	(3) Grace Route (2) Yongbi Power (10) Okcheon Win Star (7) Love O Mine
<b>Next Best</b>	4, 9

(4) BEOLMAUI MONSTER comes in having run a strong 4<sup>th</sup> behind Global Hit, Speed Young and Success Baekpa in the Busan Mayor's Cup over 1800M in May. A two-time winner at this distance, he carries his fair share of weight but after having acquitted himself well against the elite, there is little to fear here. (3) STAR MATTA enters having won at this class over 1400M on June 15<sup>th</sup> when coming from well off the pace and beating plenty of today's rivals. The veteran has four wins and eleven placings at this distance too and while he carries even more weight than the top pick, he can be competitive. (5) GREAT WINNER was 3<sup>rd</sup> behind Star Matta in that 1400M race but has won three of his four tries at this distance and can be in the mix again. (9) JEONGMUN COBIT and (2) MACH TITAN other possibles.

<b>Selections</b>	(4) Beolmaui Monster (3) Star Matta (5) Great Winner (9) Jeongmun Cobit
<b>Next Best</b>	2, 6

### **Seoul Race 9: Class 3 (1200M) Handicap / KRW 75 Million**

(3) PASA KING has won three in a row coming in here, most recently at 1700M in June. He comes up in class here, but is down significantly in weight, he has won at this distance before, and he can make it four in a row here. It's not an easy race though. (4) ACE K was a winner at this distance at class 4 level two starts back before running 3<sup>rd</sup> on his first try at this class over 1400M on June 15<sup>th</sup>. He'll be on pace and can be a danger. (7) SPARK THUNDER was a winner at this class and distance two starts back and while she could only manage 5<sup>th</sup> on her return on June 7<sup>th</sup>, she did beat a couple of today's rivals, and she can be in the mix. (1) PINK WIND and (2) GLOBAL POWER are others to consider on a place line.

<b>Selections</b>	(3) Pasa King (4) Ace K (7) Spark Thunder (1) Pink Wind
<b>Next Best</b>	2, 5
<b>Fast Start</b>	1, 4, 7, 8

## Seoul Race 10: Class 3 (1400M) Handicap / KRW 75 Million

A winner of four of his first five starts, (6) CAPTAIN P.K. was expected to be one of the major players on the Triple Crown this year. As it was, he only ran in the first leg when he finished well down the field. He returned to form with a 3<sup>rd</sup> place at this class and distance on May 31<sup>st</sup> and in this company, he can make an overdue return to winning ways. That will mean overturning the form on (10) GREAT STORM, who was 2<sup>nd</sup> in that May 31<sup>st</sup> race, having race don pace throughout. He comes up 3.5kg in weight but that was his first outing in almost a year so he should strip fitter and be a danger. (8) HANGANG PERFECT ran 3<sup>rd</sup> on his first try at this class over 1400M last time out. He is a winner at this distance and should be in the mix again. (3) GOLD SIDAE, with a line through his latest, and (4) COSMO RUN, are others in the hunt.

<b>Selections</b>	(6) Captain P.K. (10) Great Storm (8) Hangang Perfect (3) Gold Sidae
<b>Next Best</b>	4, 2
<b>Fast Start</b>	2, 3, 4, 8

## Seoul Race 11: Class 2 (1400M) Handicap / KRW 90 Million

(7) KONGNAMUL has won his latest two, both at this distance in fine style, racing on pace in both. He comes up in class, but he is down in weight, and he can complete his hat-trick here. If this race was at 1200M, (5) SAENAE TOWN is yet to win in five attempts at this distance but he has won at 1200M and 1600M since April so it shouldn't really be a distance thing. He enters off a 4<sup>th</sup> place at this class and distance on June 14<sup>th</sup> and should be improving here. (8) GEOTSEN BANGYEOK has been a bit ordinary in his latest three, but he has been back to trial since. He came through his heat in an eye-catching manner and so long as he didn't leave his race there, can be in the finish. (2) SHADOW HUNTER and (1) ACE GUNJU others in the placing frame.

<b>Selections</b>	(7) Kongnamul (5) Saenae Town (8) Geosen Bangyeok (2) Shadow Hunter
