Seoul Race 1: Class 6 (1000M) Special Weight A / KRW 45 Million

Juvenile maidens in the opener with all but one racing for the first time. (10) POWER BEST was marginally the fastest in trials, showing on pace and crossing the line in 3rd. The widest gate isn't ideal but shouldn't be too problematic, and he has as good chance as any. (2) WHIZ DREAM similarly ran 3rd in her trial in a decent time. She draws nicely and if she brings that form to the races, she can be close. The one with racing experience is (9) THUNDER RUN and he did improve at the second attempt. He gets a 3kg claim today and may have a fitness edge. (8) RAPTURE and (6) POWERFUL SLEW are others who hinted at ability in their respective trials.

Selections	(10) Power Best (2) Whiz Dream (9) Thunder Run (8) Rapture

Seoul Race 2: Class 4 (1400M) Handicap / KRW 60 Million

(4) ANYANG GIPPEUM was a class and distance winner on August 17th, settling midfield and running on well. That win had been coming and only up 1kg in weight here, he has every chance of repeating. (1) SMART TAKE has finished outside the top five on just one occasion. She was 4th on her first try at this class over a mile on August 16th, showing close to the pace and dropping back in trip here, she should be in the finish. (3) COMPLETE PARTY has a 5th and a 4th in two outings at this class and has been back to trial since her latest effort. She has won at this distance and shouldn't be dismissed. (8) DAESEUNGMA and (2) CHEONJI SKY are others to consider on a place line.

Selections	(4) Anyang Gippeum (1) Smart Take (3) Complete Party (8) Daeseungma

Seoul Race 3: Class 4 (1400M) Handicap / KRW 60 Million

(6) MUNHAK CHUKJE is up in class having run 1st and 2nd in his latest two, both at this distance. He comes down a full 5.5kg in weight and in today's company, he can sit just behind the early speed and can prove too strong. (2) VINCERO KING is also up in class, in his case having won at this distance on July 27th. While not as dramatically as Munhak Chukje,

he too is down in weight, and he can measure up. (1) CANVASEN GO was 4th on his first try at this class over 1200M on August 24th having won at that same trip earlier in the month. A previous try at 1400M didn't go well but he can be ready for another crack. (4) SLAM DRAGON and (3) BLOOD MOUNTAIN are other place chances.

Selections	(6) Munhak Chukje (2) Vincero King (1) Canvasen Go (4) Slam Dragon
Next Best	3, 7

Seoul Race 4: Class 6 (1200M) Special Weight A / KRW 30 Million

Fillies only. (6) RAON FINALLE was a close 3rd on debut over 1000M on August 2nd, coming from well off the pace. She should have come on for that run, the step up in trip can suit, and she is the one to beat here. The main danger is (3) MUNHAK DANCE. It has taken her a little longer to figure things out, but she seems to have done it with a 2nd and a 4th from her latest two. From a good draw, she can be ridden closer much earlier today. (7) WONDERFUL TUNE UP has a couple of 4th places from her latest two and can continue to make progress here. (9) GLORY DAY and (4) DAEHAN COCO'S are others in line to dispute the minor placings.

Selections	(6) Raon Finale (3) Munhak Dance (7) Wonderful Tune Up (9) Glory Day

Seoul Race 5: Class 6 (1400M) Special Weight A / KRW 30 Million

(10) WONDERFUL CATHY has a 3rd and two 4th places from her latest three, most recently when favourite on July 26th. The in-form Ruan Maia stays on and today can be their day over a very modest set of rivals. She will need to overturn the form on (8) SAINT WINNER, who was 2nd in that July 26th race. That was his best finish to date, and he has since followed up with a 5th place from the widest gate at 1300M on August 23rd. He'll be on pace, and he can be in this a long way. (2) THUNDER LUCKY is yet to finish in the top two but has eight finishes between 3rd and 5th. He should be there or thereabouts again. (4) NAMCHON SERVE and (9) P N S ME other place chances.

Selections	(10) Wonderful Cathy (8) Saint Winner (2) Thunder Lucky (4) Namchon Serve
Next Best	9, 5

Seoul Race 6: Class 5 (1800M) Handicap / KRW 45 Million

(6) FINAL JILJU beat three of today's rivals on his way to 3rd place at this class and distance on August 17th when handy throughout. He carries almost the same weight today and from a better draw, Jang Chu-youl can pick his spot and they can win. (3) GOLDEN BALL got her maiden win two starts back at this class over 1700M and followed up with a 4th place on August 3rd. She stays under a light weight, and she is a danger here. (1) GANGCHEOL JEONSA has been working back into form and was 4th behind Final Jilju in that August 17th race. He has the fastest time among these for the 1800M and can be in the finish. (7) GRATITUDE and (4) BITNANEUN JILJU others in the frame.

Selections	(6) Final Jilju (3) Golden Ball (1) Gangcheol Jeonsa (7) Gratitude

Seoul Race 7: Class 4 (1700M) Handicap / KRW 60 Million

(9) TAPDINE is yet to finish outside of the top three in seven starts and enters after a 2nd place at this class over 1400M on August 17th. He tackles two turns for the first time but has shown to be versatile in his racing style and he can pick up his third win here. (3) SUPER BLUEMOON has three wins and two placings in six tries at this distance including a last start victory on August 24th at this class when settling midfield and running on. He carries his fair share of weight but can be in the mix again. (1) WORLD JOY is up in class having scored well over 1800M on August 17th. He is down in weight and can be competitive. (8) TAMRA CHOEGANGJA and (6) LADY FOX among other chances.

Selections	(9) Tapdine (3) Super Bluemoon (1) World Joy (8) Tamra Choegangja
Next Best	6, 7
Fast Start	3, 4, 7, 9

Seoul Race 8: Class 4 (1200M) Handicap / KRW 60 Million

(5) WE GO HIGH is a winner of three from four so far and following the only blot on his copybook in June, he returned to winning ways on August 3rd with an on pace effort at this class and distance. He comes up a full 4kg in weight, but draws well to lead, and he can score again. (2) YESULIYA is an ultra-consistent type who is rarely far away. He will be challenging We Go High on the early speed and he can aim for at least his fifth consecutive placing finish. (4) RAON THE KEISHA needs a drawn through her latest but is lightly weighted and can be

given another chance. (11) EXCELLENT MATTA and (3) HANGANG FANTASTIC others to consider on a place line.

Selections	(5) We Go High (2) Yesuliya (4) Raon The Keisha (11) Excellent Matta
Next Best	3, 10

Seoul Race 9: Class 3 (1400M) Handicap / KRW 75 Million

(6) ACE K has just the one win to his name over 1200M at class 4 level, but he two 3rd places and a 4th in his three goes at this class with both of those 3rd places coming at this distance. Like all but one here, he carries a light weight, he is drawn well, and Moon Se-young climbing on for the first time suggests that today is the day. The one with the big weight is (1) FAIR SKIES. He was 6th of eleven in a tougher race than this on August 23rd but was a class and distance two outings back. From the inside gate, if he can find a forward position, he can be in this a long way. (5) SMART BYEOL won back-to-back races at this distance in June and July to get promoted to this level and while she had a hard time over a mile on her first try at class 3 on August 16th, this looks more suitable. (2) COSMO RUN and (7) TANGJA others in the hunt.

Selections	(6) Ace K (1) Fair Skies (5) Smart Byeol (2) Cosmo Run
Next Best	7, 3
Fast Start	1, 3, 6, 8

Seoul Race 10: Class 3 (1400M) Handicap / KRW 75 Million

It's hard to go past (1) DIANA here. True we said similar when she was favourite three weeks ago when she was slight odds-on only to get knocked off by a 30/1 chance, but with Moon on, a light weight and a good draw, she is hard to oppose again. (6) SSOARA STAR is up in class following a dominant win over 1200M on August 17th. He has only missed the top four on one occasion and while he does tackle the 1400M for the first time, he is down in weight and can measure up in this company. (7) MIGHTY SHONE returns to action for the first time since May but while his match fitness will need to be taken on trust, his competitiveness in this company isn't in question. (4) LALA K and (3) BADEN BADEN others who can compete for the minors.

Selections	(1) Diana (6) Ssoara Star (7) Mighty Shone (4) Lala K
