**Seoul Race 4: Class 5 (1400M) Handicap / KRW 45 Million**

(5) HWANG GEUM EO JANG was a winner on debut over 1200M on December 6<sup>th</sup>, settling midfield and proving too strong. Je comes up in class and in trip, but he is down in weight and he can win again. (8) NUNI OLKKAYO won at start two over 1200M in November and then almost repeated the trick when leading for much of the way on his first try at this class and distance on December 13<sup>th</sup>, ultimately finishing 2<sup>nd</sup>. He only comes up 1kg in weight, can lead again, and he could go one better. (9) MIRACLE SOCKS couldn't quite provide the fairytale ending to jockey Park Tae-jong's career on December 21<sup>st</sup> when he got caught late on. That made for his fourth consecutive runner-up finish, and he can be in the finish again. (4) ROAD TO STAR and (2) TAEGISAN KING are the other chances.

**Seoul Race 5: Class 5 (1200M) Handicap / KRW 45 Million**

(4) APATEU had a poor day at the office on second favourite over 1300M on December 21<sup>st</sup>, finding a handy but wide position from a wide draw and not running on. She comes into a better gate today and is back at the distance at which she got her sole win so far, and she can be given another chance. (10) WIDAEHAN HAMSEONG is still a maiden after five starts but ran 2<sup>nd</sup> to Apateu at class 6 two starts back and was then 4<sup>th</sup> on his first try at this class over 1300M. He is the main danger here. (8) UJU JEONJAENG comes back to this trip for the first time in a while and that can bring him into contention. (1) SAEROUN GUY and (9) ROAD TO A SPUR, the latter having trialed well since his latest start, are among others to consider on a place line.

Competitive race. (3) SUBMISSION got his maiden win at start five when stepped up to this trip for the first time on December 7<sup>th</sup> and racing close to the front throughout. (2) CHRYSOL DONGHAE scored his maiden win over 1400M back in October and enters having run 3<sup>rd</sup> at this class and distance on December 20<sup>th</sup>, coming from well off the pace and recording the fastest time among these for the 1700M. Expect him to be a little closer a little earlier here, and he can win. (9) PASA QUEEN is up in class and in distance after an all the way score over 1400M on December 14<sup>th</sup>. He comes up 3.5kg in weight, as well as up to two turns for the first time, but he gets another crack at class 4, and the Higher Power colt can prevail again. (6) NASSAU CHAT also gets another go in class 4 having scored at this distance on December 20<sup>th</sup>. 1800M seems to be his go having placed at it twice in October and November and while he is up 4.5kg on his win, he can repeat. (2) GANGCHEOL JEONSA won over this distance at class 4 level in September and has a 3<sup>rd</sup> and a 5<sup>th</sup> in two subsequent tries at this class. He comes into a much better gate than in either of those efforts and he can be close today. (5) BYEOLKONG and (10) KYLIE other minor money chances.

(9) REVERENCE has won his latest two both over 1300M to get rapidly promoted to this class. Prior to that he was 4<sup>th</sup> of twelve in Listed juvenile company and while he tackles both class 4 and a mile for the first time, he should be equal to the challenge. (10) LEGENDSUN was a winner at this class and distance at the end of September and has since run 3<sup>rd</sup> in two subsequent outings, again at the mile. An apprentice jockey takes 4kg off today and should bring him right into things. (4) SCALE KING won at this class over 1400M two outings back, following up with a 4<sup>th</sup> in a competitive race on December 13<sup>th</sup>. He races at the mile for the first time but is well drawn and weighted. (7) DALMAJI and (6) SONGDANG HWANGTAEJA are the other chances.

No fewer than six last start winners in this field of fillies and mares and they will be the ones at the top of the market. (4) MUNHAK DAESE has won two of her last three, all in filly only company, to come up rapidly in class, She was 2<sup>nd</sup> on her previous try at this distance and under a light weight and nicely drawn, as well as CC staying on, she can win again. (6) MORNING WONDER has similarly won two of her latest three, most recently at this class over a mile on November 15<sup>th</sup> when settling midfield early and taking things up coming into the straight. She is up a full 4.5kg in weight, but she can be equal to it. (9) CLUB Q has won twice at this distance, most recently on November 29<sup>th</sup>. She is up in class but down in weight and can be competitive. (7) GEUNYANG GARA and (10) ISEUL CHEOREOM among plenty of others in the hunt.

<b>Fast Start</b>	1, 3, 7, 10

### Seoul Race 10: Class 3 (1200M) Handicap / KRW 75 Million

(10) GRAY CANDY took nine goes to get his maiden win, but he evidently enjoyed it as he followed up immediately with another at this class and distance on December 20<sup>th</sup> when beating plenty of today's rivals in the process. He comes up 3kg in weight and draws the widest gate, but all the others have at least four lengths to make up on him and he can complete his hat-trick. (4) YESULIYA is the one with just the four-lengths to make up having run 2<sup>nd</sup> in that race, leading until just over a furlong out. He gets a weight swing and can lead again and seems the most likely to overturn the form. (7) DUSON OPEN underperformed in that race but was a class and distance winner as recently as last September and can be given another chance here. (8) BRAVO PLAY and (3) GIBUNJOEUNMAL perhaps the best of those who didn't go in that event.

<b>Next Best</b>	3, 2
<b>Fast Start</b>	4, 6, 7, 8

(5) CAPTAIN P.K. won a valuable Trophy race over this distance last September and come sin having run 2<sup>nd</sup> at this class over 1400M on November 22<sup>nd</sup> with a couple of today's rivals behind him. He is two for two at the distance and while he has his fair share of weight to contend with, he is the one to beat. (9) NICE FORCE had a hard time when favourite for the KRA Sprint on November 30<sup>th</sup>, using a lot of energy to get to the lead from a wide draw and bottoming out quickly. He has a lot of weight to carry but he should find today's company more amenable. (10) CUPID IT has won three of his last four, most recently over 1200M at class 3 level on December 28<sup>th</sup> when he led all the way. Although up in class he is up in weight without an apprentice claim, but he can measure up. (6) HAKSAN SPEED and (7) RAON TAP PLAY the others main place chances.
