

**Sunday June 29, 2025**

**Busan Race 1: Class 6 (1200M) Special Weight A / KRW 30 Million**

Maidens with four of the eleven racing for the first time. After an ordinary debut, (11) GRAND MORE was a significantly improved 2<sup>nd</sup> at start number two on May 16<sup>th</sup>, leading for most of the way and only going down very narrowly. He needs to navigate the widest gate but if he gets to the front he will be difficult to pass. (4) WORLD TOP TIER was a creditable 3<sup>rd</sup> on debut over 1200M on May 23<sup>rd</sup>. She should have come on for that run and shapes as the main danger. Among the first timers, (7) CHAMPUI SIDAE ran 3<sup>rd</sup> in a fair time in a trial in late May and if she brings that form to the races, she can be competitive first up. (5) JIJONSANBANG also hinted at ability across two heats and can be considered. Returning to experienced ones, (3) OWNER CHAMP is perhaps the next most likely to improve.

<b>Selections</b>	(11) Grand More (4) World Top Tier (7) Champui Sidae (5) Jijonsanbang
<b>Next Best</b>	3, 6
<b>Fast Start</b>	1, 4, 8, 11

**Seoul Race 4: Class 5 (1300M) Handicap / KRW 45 Million**

(6) FUNNY TAP raced twice last autumn for one win over this distance and then didn't re-appear until May. She looked very good on her return, finishing 2<sup>nd</sup> at this class and distance on May 24<sup>th</sup>. She should strip fitter for that run, and she will be a hot favourite to go one better here. It's been a while since (8) SOLAIRE got his solitary win, but he comes in with recent form reading well with a 3<sup>rd</sup>, a 2<sup>nd</sup>, and a 4<sup>th</sup> from his latest three, most recently behind Funny Tap in that May 24<sup>th</sup> race. He likes to come from off the pace, and he can be a danger late here. (5) GANDAGO was a winner at this class over 1400M two starts back and while he can mix his form, can be in the finish again. (2) GROW, a big price winner at this class last time, along with (4) ARCH RUNNER, are other place chances.

<b>Selections</b>	(6) Funny Tap (8) Solaire (5) Gandago (2) Grow
<b>Next Best</b>	4, 1
<b>Fast Start</b>	3, 4, 6, 9

**Busan Race 2: Class 5 (1400M) Handicap / KRW 45 Million**

Loads enter in good form, so we'll take a chance on (11) BEOLGYOUI HIM. He stepped up to this distance on May 9<sup>th</sup> and scored his maiden win, running on well. He is up in class but

down in weight, the wide draw shouldn't matter, and he may be available at an each-way price. (1) ALL ROUND ONE ran 4<sup>th</sup> on debut last autumn and then didn't run again until May 23<sup>rd</sup> when he returned a winner at 1200M. He is up in class and in trip but down in weight, draws well, and second up he can strip even fitter. (10) MEGA MACHINE and (7) SUN JAE came home 3<sup>rd</sup> and 4<sup>th</sup> respectively when they raced one another at over 1300M on June 1<sup>st</sup> and both can be in the mix again. (3) HANEUL SINHWA another in the frame in a race of many chances.

<b>Selections</b>	(11) Beolgyoui Him (1) All Round One (10) Mega Machine (7) Sun Jae
<b>Next Best</b>	3, 6
<b>Fast Start</b>	2, 3, 4, 7

### Seoul Race 5: Class 5 (1800M) Handicap / KRW 45 Million

(2) SPEED CARA has been getting closer to a second win, most recently running 3<sup>rd</sup> this class and distance on May 31<sup>st</sup>. He was sent back to trial after that which he came through very well last week and so long as he didn't leave his race in the heat, he is the one to beat here. (6) GWANAKSAN GLOBAL got his maiden win at 1700M on June 1<sup>st</sup> having led all the way. He is up in class here as well as slightly in trip, but he is down in weight and should be on the pace again with every chance of being in it until the finish. (5) HYEOKMYEONGUIJILJU is yet to win in six attempts but has five top five finishes and the step up to two turns for the first time may suit. (8) SHARKTEN and (3) VICTORY QUEEN other place chances in this company.

<b>Selections</b>	(2) Speed Cara (6) Gwanaksan Global (5) Hyeokmyeonguijilju (8) Sharkten
<b>Next Best</b>	3, 1
<b>Fast Start</b>	3, 5, 6, 9

### Busan Race 3: Class 4 (1300M) Handicap / KRW 60 Million

It's trainer Kim Young-kwan's last day and he can sign off with a winner in (6) JULGEOUN DONGHANG. She enters off a 3<sup>rd</sup> place at a mile on June 6<sup>th</sup> when she led for much of the way around and cutting back in trip here, she can lead again, and this time go all the way. (3) MORNING DEW is the danger. It's been a while since his sole win, but he has a 2<sup>nd</sup> and a 3<sup>rd</sup> from his latest two, both at this distance and while that brings him up in class, he comes down a full 5.5kg in weight, which should put him right in this. (9) SANGIM BOLT comes in having run 3<sup>rd</sup> at 1200M on June 8<sup>th</sup>. He was 2<sup>nd</sup> on his only previous try at this distance and that's enough to put him firmly in this. The recent form falls off after those three with (11) JEONSEOLUISUNGAN and (2) CHEONGHO BOSS perhaps the best of the rest.

<b>Selections</b>	(6) Julgeoun Donghang (3) Morning Dew (9) Sangim Bolt (11) Jeonseoluisungan
<b>Next Best</b>	2, 1
<b>Fast Start</b>	6, 7, 9, 10

### Seoul Race 6: Class 4 (1400M) Handicap / KRW 60 Million

Two standouts here. (1) MUNHAK BOY comes in having beaten three of today's rivals when winning at this class and distance on June 1<sup>st</sup>, leading all the way. He comes up a full 4kg in weight, but he has the same inside gate, and he can win again. (7) TAPDINE has won two of his latest three to be rapidly promoted to this class. Both those victories were at this distance and under a light weight and with Moon Se-young staying on, he will have plenty of backers to prevail once more. (10) LEGEND WOW was a smart winner from off the pace over 1300M on May 17<sup>th</sup> and while up in class, he is down in weight and can measure up at each-way odds. (8) JEONGSEONG VICE and (2) BOLLIN are among plenty of other place chances.

<b>Selections</b>	(1) Munhak Boy (7) Tapdine (10) Legend Wow (8) Jeongseong Vice
<b>Next Best</b>	2, 6
<b>Fast Start</b>	1, 5, 7, 11

### Busan Race 4: Class 4 (1800M) Handicap / KRW 60 Million

This is tricky. (10) CATCH THE DREAM was last seen as an also-ran in the Korean Oaks where she showed handy early but ultimately ran last. She enters fresh after eight weeks off and previously was 2<sup>nd</sup> at this class at 1400M. Under a light weight and with Franco on, she is worth another chance. (3) BEST CHAMP enters off a class and distance 2<sup>nd</sup> on June 1<sup>st</sup> when coming from midfield and beating a couple of today's rivals. He has won at this trip and should be close again. (8) SEKWANG LIGHT and (7) MAKE IT BETTER both come up in class after winning their respective last starts at 1400M and a mile. Both are down n weight and both can be competitive in this company. Veteran (2) MILK DAY has been running well of late and can pick up some minor money again.

<b>Selections</b>	(10) Catch The Dream (3) Best Champ (8) Sekwang Light (7) Make It Better
<b>Next Best</b>	2, 11
<b>Fast Start</b>	2, 5, 7, 10

### Seoul Race 7: Class 4 (1300M) Handicap / KRW 60 Million

(5) GEUMAK JINJU was a very narrowly beaten favourite at this class over 1200M on May 31<sup>st</sup> when 2<sup>nd</sup> all the way around. He has won at this class and at this distance and he can go one better today. That will mean overturning the form on (4) SONGAM SKY, who won that May 31<sup>st</sup> race, making all the running. That was her second win in a row and her third in her last four starts. She comes up 2kg in weight today but is the main danger and it would be no surprise if she completed her hat-trick. (6) BLUE RACER came from well off the pace to run 3<sup>rd</sup> at this class over 1400M on June 1<sup>st</sup>. He has won at this trip and lightly weighted can be in the mix. (11) YESULIYA and (2) BISANG DAY are others to consider on a place line.

<b>Selections</b>	(5) Geumak Jinju (4) Songam Sky (6) Blue Racer (11) Yesuliya
<b>Next Best</b>	2, 8
<b>Fast Start</b>	4, 5, 6, 11

### **Busan Race 5: Class 3 (1600M) Handicap / KRW 75 Million**

(2) WONDAEHAN KKUM won back-to-back races in February and April at a mile before running 3<sup>rd</sup> on his first try at this class on June 1<sup>st</sup>, also over the 1600M, beating a few of today's rivals in the process. He remains under a light weight, he draws well, and he can return to winning ways here. (7) DALBITSANYANGKKUN has won at this class and distance and most recently ran 3<sup>rd</sup> at 1800M in March. He looked very well in a quick trial two weeks ago and while he has his fair share of weight, can be close here. (1) AKARAKA has won at this trip and from the inside gate and carrying a light weight could make for some each-way appeal. (9) AMAZING KHAN and (10) WIND BULLET are other chances.

<b>Selections</b>	(2) Wondaehan Kkum (7) Dalbitsanyangkkun (1) Akaraka (9) Amazing Khan
<b>Next Best</b>	10, 6
<b>Fast Start</b>	6, 9, 10, 11

### **Seoul Race 8: Class 4 (1300M) Handicap / KRW 60 Million**

(3) GINSHARI BOY has won three of his last four, including one at this distance and most recently at this class on May 25<sup>th</sup>. He has his fair share of weight to carry, but that's balanced by a good draw, Moon Se-young stays on, and he can win again. (5) SILVER RAIN hasn't raced since weakening in Seoul's Classic trial in February. A Listed juvenile winner last September, he looked sensational when winning a trial on June 5<sup>th</sup> and if he brings that form to the races, he can't be ruled out. (9) WIN CATCHER was 3<sup>rd</sup> at this class over 1200M on June 8<sup>th</sup> having

started at big odds. That was by far his best to date but in this limited company, he can aim to match it. (6) ANDAMIRO and (2) TAEKHAN other minor money chances.

<b>Selections</b>	(3) Ginshari Boy (5) Silver Rain (9) Win Catcher (6) Andamiro
<b>Next Best</b>	2, 10
<b>Fast Start</b>	2, 3, 4, 5

### **Busan Race 6: Class Open (1600M) Weight for Age / Owners' Cup (KOR G3) / KRW 500 Million**

(10) SPEED YOUNG has spent much of his career chasing stablemate Global Hit's tail but in his absence, he won this race last year and while he hasn't been in the winner's circle since, he has held his form finishing between 2<sup>nd</sup> and 4<sup>th</sup> in his seven subsequent starts, all at Group level and at distances between 1200M and 2300M. The wide draw shouldn't matter, and he can successfully defend. (3) WONPYEONG STORM won his first five in fine style but found the March's Herald Business over 2000M a bit too much too soon. He had two months off after that and returned to win well at a mile at class 1 level on May 25<sup>th</sup>. This should suit and he can be the danger. (1) DESPITE WIN is a winner of five from nine. He tackles Group company for the first time and can measure up. This may be a bit short for (16) SUCCESS BAEKPA and he has the widest gate to navigate. Nevertheless, his quality can see him close. (2) FINAL K is another up and coming three-year-old import who enters on a winning streak of four and like Wonpyeong Storm, can take advantage of his weight allowance and run a big race.

<b>Selections</b>	(10) Speed Young (3) Wonpyeong Storm (1) Despite Win (16) Success Baekpa
<b>Next Best</b>	2, 15
<b>Fast Start</b>	2, 3, 6, 13, 15

### **Seoul Race 9: Class 3 (1200M) Handicap / KRW 75 Million**

(2) NAVY CAPTAIN beat several of today's rivals on his way to victory at this class and distance on May 18<sup>th</sup>, leading from gate to wire. He comes up a full 4kg in weight, but that's balanced somewhat by a good draw, and he can repeat. (7) DRAGON KINGDOM returned from almost a year out in April to win first-up and then run 2<sup>nd</sup>, both at 1400M. He comes up in class as a result but is down 5.5kg in weight, he is one for one at 1200M and third up he can be peaking fitness wise. (3) BONGHWA STAY was a close 2<sup>nd</sup> to Navy Captain at big odds in that May 18<sup>th</sup> race. He gets a weight swing in his favour and from a better gate, he can be

in the mix again. (9) RAON TAP PLAY and (4) VILLARRICA, the latter 4<sup>th</sup> in that May 18<sup>th</sup> race, are other place chances.

<b>Selections</b>	(2) Navy Captain (7) Dragon Kingdom (3) Bonghwa Stay (9) Raon Tap Play
<b>Next Best</b>	4, 6
<b>Fast Start</b>	2, 5, 8, 11

### Seoul Race 10: Class 3 (1800M) Handicap / KRW 75 Million

(2) SEIRENE has won just twice from nineteen starts, but one of them was the final leg of last year's Triple Tiara and the other was at this class and distance in January. Moon Se-young stays on, she draws nicely, and this is the kind of race she should be aiming to win. (7) VISION POWER was a winner over 1700M two starts back and then ran 2<sup>nd</sup> at this distance on his first try at this class on May 17<sup>th</sup>. He remains under a light weight and should be close again here. (9) TRAUM KING has his recent form reading very well at a mile and while he stretches out to two turns for the first time, it can suit. (8) CHEONJANGSA and (10) ZETTA MASTER will both need to forgiven their respective latest efforts and can be considered for a place.

<b>Selections</b>	(2) Seirene (7) Vision Power (9) Traum King (8) Cheonjangsa
<b>Next Best</b>	10, 11
<b>Fast Start</b>	3, 4, 9, 11

### Seoul Race 11: Class 1 (2000M) Handicap / KRW 110 Million

Competitive finale and while it is class 1 it has a rating cap of 95. (11) BLACK BELT won a similar affair over the same distance on June 1<sup>st</sup>, beating plenty of today's rivals. He has to contend with a weight raise of 3,5kg as well as the widest gate, but both can be overcome, and he can win again. (8) GANGPUNGMA is a two-time winner at this distance most recently at class 1 in April. He ran 2<sup>nd</sup> to Black Belt in that June 1<sup>st</sup> race and will have plenty of backers to reverse the form this time. (10) MAGIC POTION has won his latest four, leading every step of the way in each and most recently his first go at this distance at class 2 level. He is lightly weighted and five in a row isn't impossible. (2) MIGHTY CHIP and (1) FIRE POWER are others in the hunt.

<b>Selections</b>	(11) Black Belt (8) Gangpungma (10) Magic Potion (2) Mighty Chip
<b>Next Best</b>	1, 7
<b>Fast Start</b>	3, 7, 10, 11
