SPEEDY BOSS (4) impressed last time out at the second run of the campaign and finished 4.5 lengths from the winner in second over 2000m at Osmangazi All Weather. Going up a level this time but he is good enough to play a major role.

DIDI LAZI (2) doesn't win out of turn, scoring just once from 15 starts. Again tasted defeat last start when sixth over 2000m at this track, beaten 10 lengths. Has the talent to take this out.

ARIZONA RIVER (6) missed the placings two runs back then didn't feature last start when 13 lengths away in seventh over 2000m at this track. Finds an easier assignment and can get the job done.

THE BIG BANG (1) won at Sirinyer two starts ago but was below his best at a more recent appearance, finishing fifth over 2000m at Sirinyer. Nicely placed to turn things around.

SELLYBOY (1) has two wins and one placing from three starts this campaign. Found one better last start at this track over 2200m. This looks the ideal assignment.

KING BORA (5) got home by 0.1 lengths last time out over 1800m at this track. Has 11 wins here. Should be prominent from the outset. Will give a great sight.

OHIO MAN (10) has had two runs since a break, the latest a seventh over 1800m at this track, beaten 4 lengths. His record at this trip reads very well so he is among the leading chances.

MISTER PROTEO (2) scored when resuming two starts ago then was well fancied last time but could only manage fourth over 2200m at Veliefendi All Weather. Expected to cross from wide out. In the mix.
