MY INVENTION (5) was well fancied when resuming last start and proved too strong, scoring by 0.5 lengths over 2000m at this track. Fitter for that last hitout and looms as the one to beat again.

HEXAGON (7) didn't make an impact at his last run before going for a spell on 5/03/2025, finishing fourth and beaten 6 lengths over 2000m at this track. Rates highly and should take some beating.

SERDIL (1) has been in the placings his past two starts, finishing third over 2200m at this track last time out. Has a high cruising speed. Capable of testing this field.

BADUTURU (2) ran a better race last start to finish a close second over 2000m at this track after missing the placings at the previous appearance. Likely to hold the form and is a strong top-three prospect.
