|---|------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| 1 | YOU GOT THIS     | Recent 1500m Maiden 2nd and multiple Top 3 finishes at similar class and distance indicate solid form heading into this 1300m Maiden. |
| 8 | YILMAKENAN       | Placed Top 3 in latest 1200m and 1400m in Condition and Maiden; returns to 1300m Maiden aiming to build on recent form.               |
| 9 | CANFEDA GUCLUBEY | Strong 3rd in 1200m Condition in October; steps up to 1300m Maiden this time and looks capable of further progress at this class.     |
| 7 | PROBALA          | Recent 3rd over 1400m Maiden suggests potential at 1300m Maiden; needs to show further improvement stepping back from Condition.      |

**RACE 2 8:30 PM | TRY875,000 | BURSA | 1300m**

|   |               |                                                                                                                                    |
|---|---------------|------------------------------------------------------------------------------------------------------------------------------------|
| 1 | BORN TO RUN   | Enjoys winning form with consecutive 1st placings over 1400m Condition, strong chance dropping to 1300m Condition.                 |
| 2 | FEBRIS        | Strong recent form with three wins and two Top 3 placings over 1200m-1600m Condition; drops to 1300m Condition and distance suits. |
| 4 | WILD DANGER   | In good 1300m Condition form with two wins and a 2nd in October, return to peak could see a strong showing.                        |
| 9 | KAZE NI KATSU | Recent 4th in 1200m Condition in late October, past Group 3 win over 2000m; needs improvement back to 1300m Condition.             |

|   |            |                                                                                                                                                    |
|---|------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| 2 | GUNDUZDUSU | Down in distance to 1200m Condition; two recent Condition wins at longer trips show ability but needs to prove speed at this shorter class.        |
| 3 | ROCK IRON  | Consistent Top 3 finishes over longer trips in recent Condition; sharp drop to 1200m Condition, significant improvement required at this distance. |
| 4 | SAH DRAGON | Recent efforts at 1400m Condition well below par; sharp improvement needed for this 1200m Condition.                                               |
| 1 | SALUKI     | Drops back sharply to 1200m Condition after recent 1800m, with best effort a 3rd over 1400m Condition on 20 October.                               |

**RACE 4 9:30 PM | TRY787,500 | BURSA | 1400m**

|   |                  |                                                                                                                                           |
|---|------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | ALONE WOLF       | Consistent Top 3 finishes in recent 1300-1400m Condition, well suited dropping back to 1400m Condition; ready for another strong showing. |
| 4 | TYRAXES          | Runner-up over 2000m Condition in August; big improvement needed after unplaced recent 1800m and 1500m Condition runs over shorter trips. |
| 3 | IMMORTAL PACIFIC | Strong 1st at 1200m Condition this month, proven at today's 1400m trip, holds form and Top 3 claims again in Condition.                   |
| 6 | BEYOND THE EPOCH | Recent 1200m and 1400m Condition yielded two 2nd placings; up in distance, a strong effort can be expected at 1400m Condition.            |

**RACE 5 10:00 PM | TRY787,500 | BURSA | 1900m**

|   |            |                                                                                                                                               |
|---|------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| 7 | GUCLU KRAL | Strong 2200m Condition 3rd on 8 November and two 1st placings in recent 2000m-1900m Condition suggest solid form at this distance and class.  |
| 2 | GUNESKRAL  | Recent Top 3 efforts over 1800-2100m Condition show solid form; proven at today's 1900m Condition, looks ready to be competitive again.       |
| 1 | RIGEL      | Consistent Top 3 performer over 1400m-2100m Condition, with a win at 2100m; suits 1900m Condition again.                                      |
| 3 | KADIRGUN   | Recent performances at 1400m Condition need improvement for this 1900m Condition, but prior 2000m Condition win gives hope over similar trip. |
