RACE 1: FLAT IS BACK ON RACING TV FILLIES' RESTRICTED NOVICE STAKES (GBB RACE)

Indication Ember

Theatrically

Englemere

There were plenty of positives to be taken from INDICATION EMBER's debut third in the Brocklesby at Doncaster last month. That experience could prove pivotal in a contest where Theatrically is the only other rival to have raced. Amy Murphy's charge was behind the selection in fifth that day and a subsequent close-up fourth at Kempton shouldn't prevent a prominent showing. Englemere, a half-sister to French Group 2 winner Family One, is the most intriguing of the newcomers and market support would be interesting.

Huddle Up

Trilby

Glory Fighter

A 2lb rise in the ratings for Trilby's recent triumph at Catterick shouldn't prevent another bold bid from Sam England's gelding and he isn't taken lightly. However, the form of HUDDLE UP's reappearance third at Doncaster last month has worked out well, with three subsequent winners coming out from that event. The son of Anjaal edges the vote and a third career victory may well be imminent. Last-time-out winners Glory Fighter and J R Cavagin are sure to have their supporters too.

Batal Dandy

Serendipitous Lady

Little Venice

Market support for stable debutant Serendipitous Lady could prove significant, with the daughter of Advertise suggesting that there was room for improvement last year. However, it could be worth taking a punt on BATAL DANDY, who is now upped to a mile for the first time. Richard Fahey's charge was outpaced in fifth on his return over 6f at Catterick recently and this stiffer test is likely to yield improvement. Little Venice and Likleman are also worth a second look.

Noble Order

Look Back Smiling

Legend Of Leros

Spring Mile hero Look Back Smiling is likely to attract plenty of supporters off only a 4lb higher rating and it would be no surprise to see him bang in contention. However, the vote goes to NOBLE ORDER, who scored by over a length on his first start for the Archie Watson stable, despite pulling hard, and he can take this off 6lb higher before moving onto better things. Legend Of Leros sports a first-time tongue-tie and isn't out of it either.
