### RACE 3:YORKSHIRE JUMP RACING IS BACK EBF NOVICE STAKES (GBB RACE) (DIV 2)

Macchiavello

Lil Bit Of Magic

Dirty Leeds

Dirty Leeds got loose before the start on his debut at this venue and he could be better than the bare result that day, but this race looks like it could be set up for one of the newcomers. The expensive two-year-old purchase MACCHIAVELLO particularly catches the eye as he has an attractive pedigree and his sire was Group 1-winning two-year-old. Lil Bit Of Magic is bred to be a sprinter so it would be no surprise if she can make an impact on debut as well.

#### **RACE 4: SAM HALL MEMORIAL HANDICAP**

**Liberation Point**

**Mr Curiosity**

**Arctic Fox**

LIBERATION POINT struggled to land a blow on his latest outing at Leicester when encountering heavy ground for the first time in his career. The four-year-old can be forgiven that effort with first-time cheekpieces, combined with a step up in trip, potentially bringing about improvement. Mr Curiosity shaped better than the result suggests when third at Chester and he is of interest back on a more conventional track, while a tongue tie could see Arctic Fox enter the reckoning.

**World Without Love**

DIVINE JEWEL shaped with a considerable amount of promise when runner-up at Nottingham on her debut last month and Roger Varian's filly, who is out of a Group 2-winning mare, is entitled to have improved a lot for the experience. Oheka has run well on both her outings to date at Newmarket, placing on both occasions, and commands respect along with World Without Love, who boasts a very smart pedigree being a half-sister to both Subjectivist and Sir Ron Priestley.
