Boneless Ocean Runner Kingswood Flyer

Ocean Runner was perhaps a shade disappointing when sent off an odds-on favourite at Ascot earlier in the month, having cost 625,000gns at the Craven Breeze-Up, and Charlie Appleby's colt arrives with something to prove. With that in mind, the vote goes to BONELESS, who was also purchased at the same sale last month for 205,000gns and is a half-brother to a Listed-placed individual. Kingswood Flyer, How's The Guvnor and Matloob are others capable of a decent showing.

Impressive Act

Golden Mind

Commander Of Life

IMPRESSIVE ACT was runner-up on debut at York to a rival who already had a run under his belt and the son of Dubawi commands the utmost respect in his bid to go one better. Golden Mind ran with promise to finish third at Hamilton first time out and is capable of progressing from that display, while Commander Of Life and Fusterlandia appeal most of the newcomers.

Torfrida

Star Sound

Liberty Mountain

TORFRIDA benefited from her debut over C&D when making every yard of the running to strike at Doncaster when dropped to 6f. The manner of victory suggested the extra furlong is unlikely to make a difference and she is open to progression in handicaps. Star Sound has placed on all four outings to date and is expected to be in the mix, while Liberty Mountain and Menalippe complete the shortlist.

Prophet's Dream

Tudor

Croachill

PROPHET'S DREAM has shown plenty of promise since making his handicap debut last June and the son of Outstrip bolted up on his seasonal reappearance over this trip at Bath earlier this month. This is a tougher race and he has gone up 11lb for that success, though, so Tudor can give him plenty to think about on his return to turf. Croachill sports first-time blinkers and any strength in the market should not be ignored for powerful connections.
