

Quick Guides

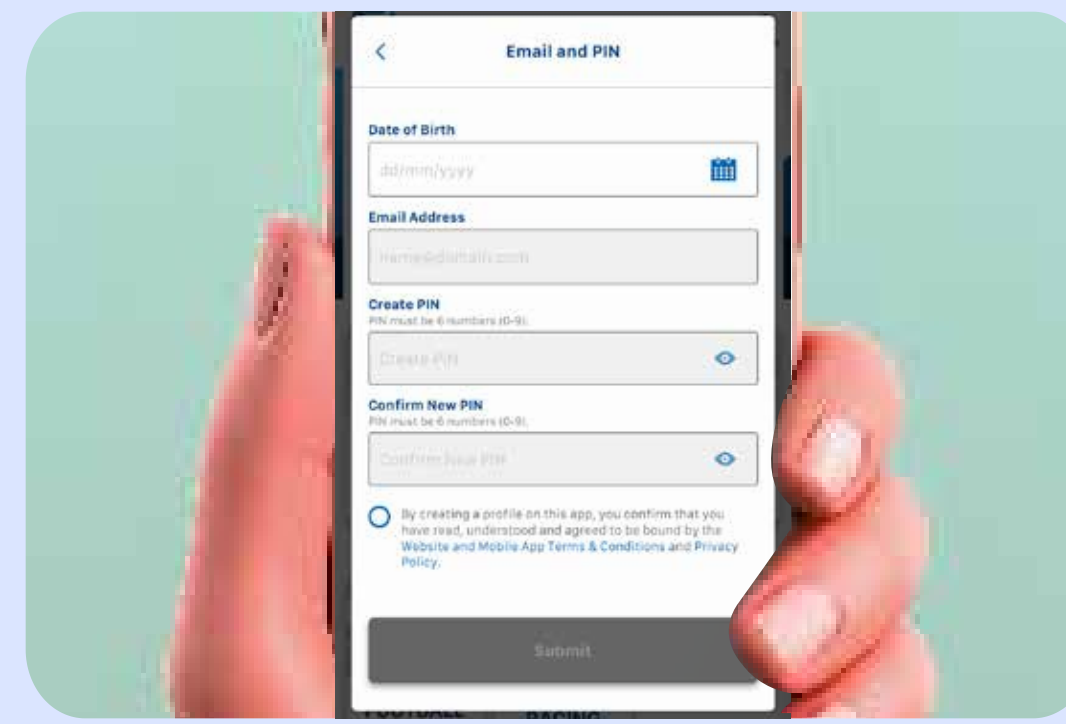

How to Setup eBetslip App for First Time

After downloading the ebetslip app, create your pin to formulate bets on your phone for purchase at all outlets by scanning QR codes without using paper bet slips.

Set-up

Step 01

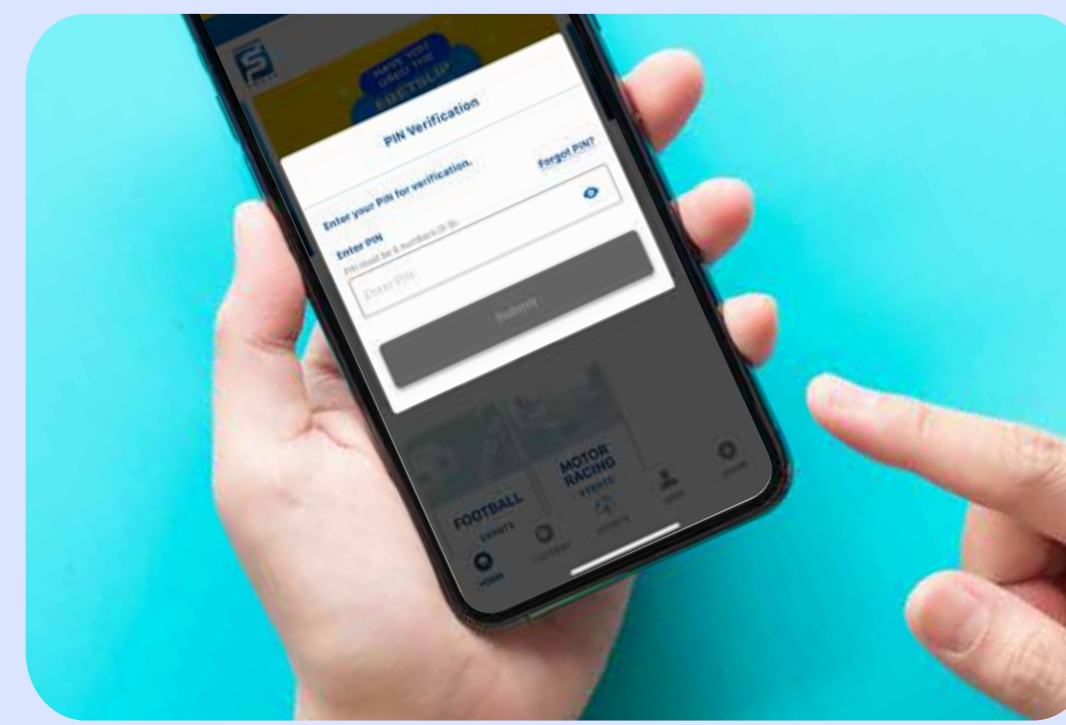

After downloading the ebetslip app, create your pin to formulate bets on your phone for purchase at all outlets by scanning QR codes without using paper bet slips.

Usage

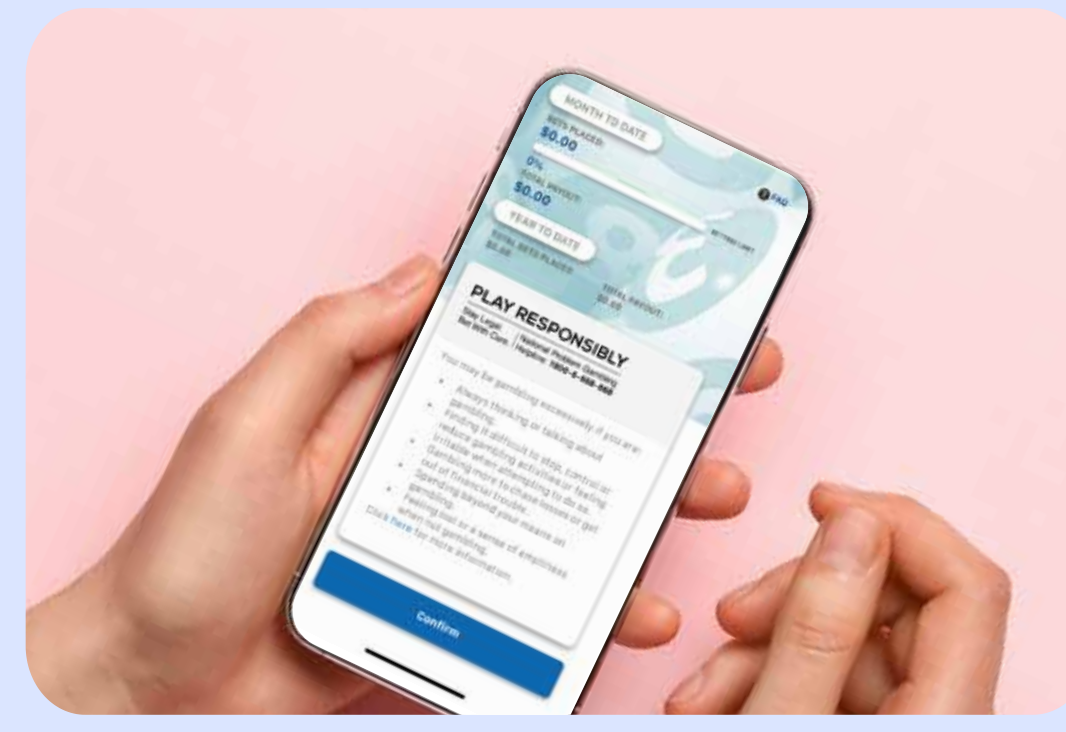

Step 01

Key in **PIN**.

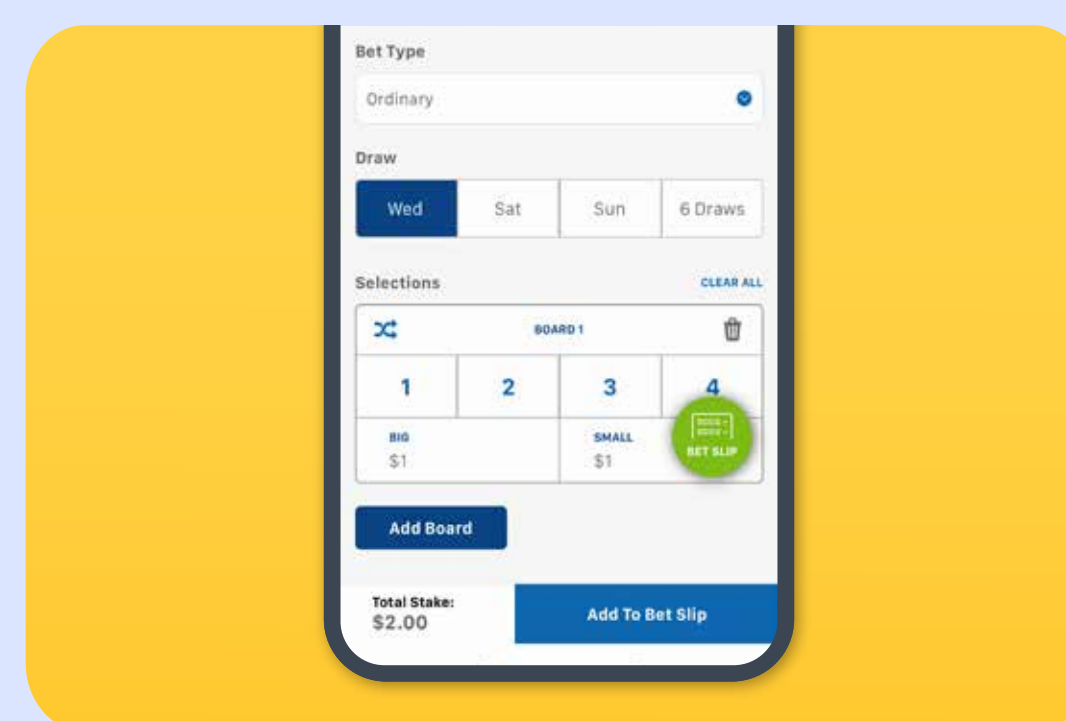

Step 02

Acknowledge bet summary.

Step 03

Formulate bets & **add to bet slip**.

Step 04

Ensure that **"Physical ticket"** button is selected.

Click on **"Generate QR"**.

Step 05

Scan **QR code** at counter.

Step 06

Click on **"Save As"**.

Create a name for the bet slip that you are saving. **Retrieve** your saved bet slip for future use, i.e. no need to reformulate.
