

# Quick Guides

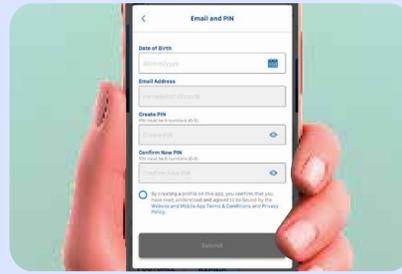

## How to Setup eBetslip App for the First Time

After downloading the eBetslip app, create your pin to formulate bets on your phone for purchase at all outlets by scanning QR codes without using paper bet slips.

### Set-up

Step 01

After downloading the eBetslip app, create your pin to formulate bets on your phone for purchase at all outlets by scanning QR codes without using paper bet slips.

### Usage

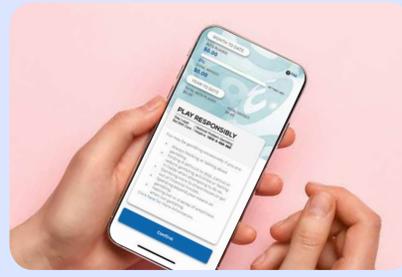

Step 01

Key in **PIN**.

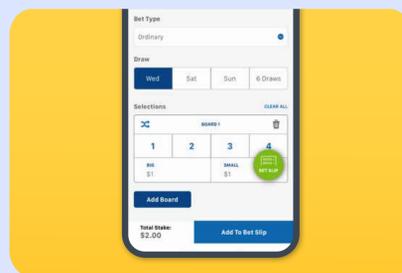

Step 02

**Acknowledge** bet summary.

Step 03

Formulate bets & **add to bet slip**.

Step 04

Ensure that "**Physical ticket**" button is selected.

Click on "**Generate QR**".

Step 05

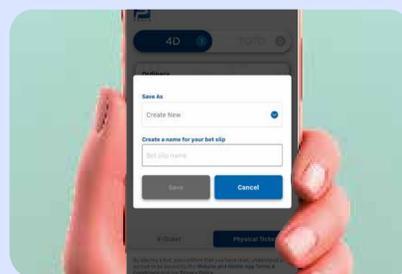

Scan **QR code** at counter.

Step 06

Click on "**Save As**".

**Create a name** for the bet slip that you are saving. **Retrieve** your saved bet slip for future use, i.e. no need to reformulate.

## Guide to create eBetslip Profile

Create your profile in eBetslip app and access all the digital features such as payment made by DBS PayLah! Express Checkout and PayNow for claiming your prizes.

Step 01

**Enter** your mobile number.

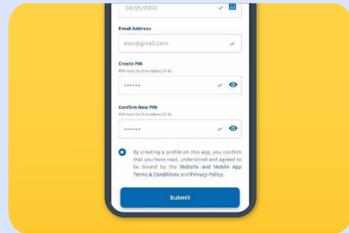

Step 02

**Enter** the One-Time-Password (OTP) sent to your mobile number.

Step 03

**Fill in** your date of birth, a valid email address, a six-digit PIN and accept our Terms & Conditions.

Step 04

**Enter** the verification code sent to your email address.

## Guide to enabling your DBS PayLah! Express Checkout

To access the electronic payment feature and have an E-Ticket saved, you must enable DBS PayLah! Express Checkout for eBetslip app. (Note: You must have a DBS PayLah! account to enable this feature.)

Step 01

**Enter** your mobile number.

Step 02

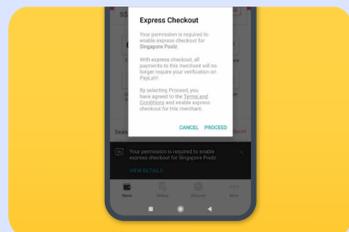

You will be redirected to DBS PayLah! mobile app. **Select** View Details from the in-app notification.

*Note: Ensure you have the DBS PayLah! mobile app installed on your phone.*

Step 03

**Select** Proceed to enable Express Checkout within the eBetslip app.
